

Keep it Secure

Email has become the preferred method of choice for most County communications. However, when sending confidential or sensitive information via email, privacy has been an issue.

In our commitment to maintain confidentiality in all our County communications, we have recently incorporated new security policies. To ensure optimum privacy for our e-messaging and enact our new policies, we have consulted with Zix Corporation™, the leader in secure e-messaging services. In this regard, we have installed ZixMail™, an email solution that encrypts and protects our emails, keeping them private and secure.

All emails initiated from the County of Monmouth in accordance with the County policies will be subject to encryption. If you do not have ZixMail software, you will still be able to receive our email communications easily via the ZixMessage Center™. You can register a private password at <https://web1.zixmail.net/s/login?b=monmouth&em> to receive and reply to our secure messages at no cost to you.

We're pleased to provide an easy-to-use solution that confidently secures our shared email communications.

EMAIL ENCRYPTION NOTICE TO RECIPIENT

ZIXSECURE

You have received a County of Monmouth Secure Email Message from
username@co.monmouth.nj.us

To view the secure message, [click here](#). A password is required. If you are a first time user, you will be guided to create one.

The screenshot displays an email client interface. At the top left, the logo for "New Jersey's Monmouth County" is visible, with the tagline "The Place You Want To Be" in a cursive font. To the right is the official seal of Monmouth County, New Jersey. Below the header, there are navigation tabs for "Inbox", "Sent Mail", "Help", and "Sign Out". A status bar indicates the user is signed in as "bjeffe4754@aol.com".

The email header information is as follows:

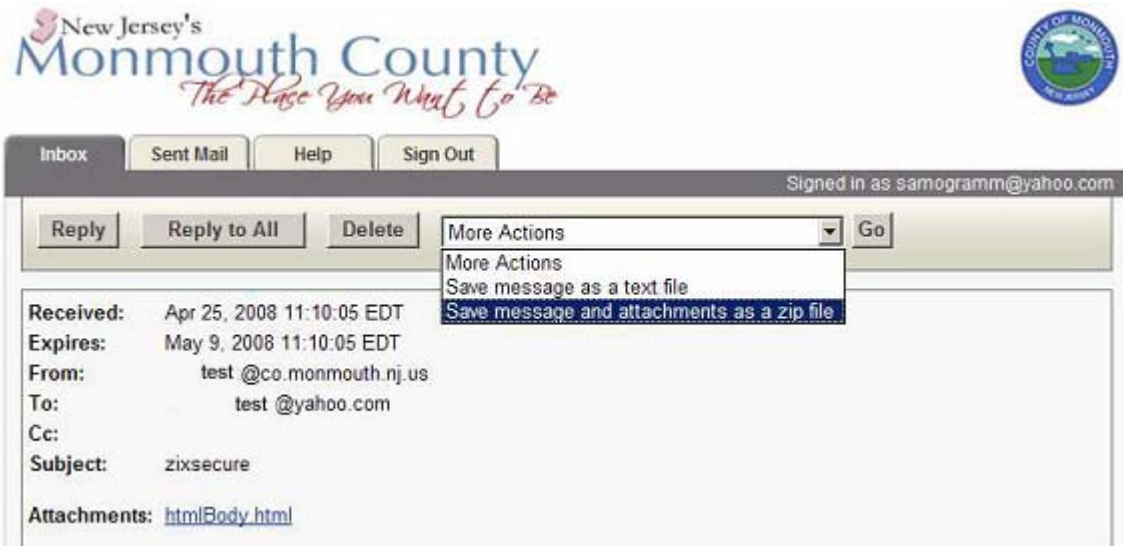

- Received:** Apr 25, 2008 10:38:08 EDT
- Expires:** May 9, 2008 10:38:08 EDT
- From:** test @co.monmouth.nj.us
- To:** test@aol.com
- Cc:**
- Subject:** zixsecure
- Attachments:** [htmlBody.html](#)

The main body of the email contains the following text:

whaT IS THE LINK
Bruce Jefferson
MCIS
