Cost Proposal

The County has requested a cost proposal that includes an estimated monthly charge and a total charge for the period (Initial 3 Year Period, 1st One Year Renewal, 2nd One Year Renewal). Because there is no definitive scope of work provided or tasks defined, LiRo can only provide a cost estimate based on the mix of labor titles and rates in LiRo’s approved Federal GSA Master Award Schedule¹. This is a published price list. Please note that the fees can increase or decrease based upon the actual task(s) assigned.

Please note that the County will most likely be presented with differing cost estimates. It is important to try to “level” the playing field by comparing labor estimates and labor titles to ensure transparency between vendor submittals.
