FEE SCHEDULE

Note/Bond Issue

Note Financings

For work done and responsibilities assumed in connection with rendering the type of opinions anticipated in any financings (which are competitively bid or negotiated), we would charge a fee of \$0.40 per \$1,000 of debt issued for the first \$200,000,000 and \$0.20 per \$1,000 in excess thereof, plus out of pocket disbursements.

Bond Financings

For work done and responsibilities assumed in connection with rendering the type of opinions anticipated in any financings (which are competitively bid or negotiated), we would charge a fee of \$4.00 per \$1,000 of debt issued for the first \$10,000,000, \$3.00 per \$1,000 for the next \$10,000,000 and \$1.00 per thousand in excess thereof.

In connection with pooled bond financings with respect to the capital equipment leasing program, if the Authority so elects to have Authority bond counsel prepare the local ordinances and the various documentation in connection therewith (in lieu of local municipal/school counsel preparing same), there would be an additional \$4,500 per participant.

In connection with pooled bond financings with respect to the capital equipment leasing program and pooled bond program, if the Authority elects to have Authority bond counsel prepare the county guaranties, there will be an additional charge per agreement with the Authority.

In connection with bond financings involving an advance or current refunding, an additional fee of \$12,500 would be charged for each refunded issue.

Hourly Rates

The fee for additional (which includes attendance at meetings in connection with financings) or non-transactional services would be at an hourly (time charge) basis. This fee would be calculated by multiplying the number of hours expended by each attorney and paralegal by their respective billing rate in effect at the time the work is performed. Each billing rate is based on experience and expertise and is reviewed and revised by the firm periodically. Services rendered in connection with the Municipalities Continuing Disclosure Cooperation Initiative requiring the services of a securities or litigation attorney will also be based upon the experience and expertise of said attorneys. In this connection, we will furnish a schedule of hourly rates for those

individuals who work on the matter and an accounting of the aggregate amount of time expended. The present hourly rates of those attorneys and paralegals anticipated to work on your matters are as follows:

Suprotik Das	175

In addition to time charges, the firm will include in its billing statement out-of-pocket costs incurred in connection with the matter, including, without limitation, document reproduction, postage and overnight charges, if required. We anticipate presenting a statement for services rendered subsequent to each note and bond issue.
