Section 302. Legends. The Bonds may contain or may have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Resolution as may be necessary or desirable to comply with the custom or rules of any securities exchange or commission or brokerage board or otherwise as may be determined by the Authority prior to the authentication and the delivery thereof.

For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer.

Section 306. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds. In case any outstanding Bond shall be mutilated, destroyed, stolen or lost, the Authority shall execute and the Trustee or the Bond Registrar shall authenticate and shall deliver a new Bond, of like tenor, number and amount as the Bond so mutilated, destroyed, stolen or lost in exchange and in substitution for and upon surrender of such mutilated Bond or in lieu of and in substitution for the Bond if any, destroyed, stolen or lost upon filing with the Trustee and the Bond Registrar evidence satisfactory to the Authority, the Trustee and the Bond Registrar that such Bond had been destroyed, stolen or lost and proof of ownership thereof, upon furnishing the Authority, the Trustee and the Bond Registrar with indemnity satisfactory to them, upon paying such expenses as the Authority, the Trustee and the Bond Registrar may incur in connection therewith and upon complying with such other reasonable regulations as the Authority, the Trustee and the Bond Registrar may prescribe. In lieu of reissuing a mutilated, destroyed, lost or stolen Bond that is due and payable, the Trustee

and the Bond Registrar may pay the amount due on such Bond to the owner or the Holder thereof, provided all the other requirements of this Section have been met.

Section 307. Temporary Bonds. Until the definitive Bonds are prepared, the Authority may execute in the same manner as is provided in Section 303 and, upon the request of the Authority, the Trustee or Bond Registrar shall authenticate and shall deliver in lieu of definitive Bonds but subject to the same provisions, limitations and conditions as the definitive Bonds except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, with such omissions, insertions and variations as may be appropriate to temporary Bonds for notation thereon of the payment of such interest. The Authority at its own expense shall prepare and shall execute and, upon the surrender for exchange and for cancellation of such temporary Bonds, the Trustee or the Bond Registrar shall authenticate and shall deliver in exchange therefor definitive Bonds of the Authority without charge to the Holder thereof.

ARTICLE IV

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 401. The Pledge Effected by the Resolution. 1. The Bonds are direct and special obligations of the Authority payable solely from the Pledged Property. There is hereby pledged and assigned as security for the payment of the principal of, and interest on, the Bonds in accordance with their terms and the provisions of the Resolution, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution, all of the Pledged Property.

2. All Pledged Property shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof.

3. Nothing contained in this Section 401 shall be deemed a limitation upon the authority of the Authority to issue bonds, notes or other obligations under the Act secured by other income and funds other than the Pledged Property, including, without limitation, bonds, notes or other obligations secured by Federal or State grants.

Section 402. Establishment of Funds. The following Funds are hereby established:

- (1) Acquisition Fund, to be held by the Trustee,
- (2) Revenue Fund, to be held by the Trustee,
- (3) Operating Fund, to be held by the Trustee,
- (4) Debt Service Fund, including a Net Proceeds Account to be established therein, to be held by the Trustee, and
- (5) Rebate Fund, to be held by the Authority.

Section 403. Acquisition Fund. 1. There shall be paid into the Acquisition Fund the amounts required to be so paid by the provisions of this Resolution or any Supplemental Resolution and any Net Proceeds received with respect to any Item of Equipment upon the election by the Municipality to pursue Option A pursuant to Section 5.4(a) of the Lease, and there may be paid into the Acquisition Fund, at the option of the Authority, any moneys received for or in connection with the Equipment by the Authority from any other source, unless required to be otherwise applied as provided by the Resolution. Amounts in the Acquisition Fund shall be applied to the Cost of Equipment.

2. The Trustee shall make payments from the Acquisition Fund in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this paragraph. Before any such payment shall be made, there shall be filed with the Trustee: (A) a requisition therefor, signed by an Authorized Municipal Representative and approved by an Authorized Authority

Representative (which approval shall not be unreasonably withheld), stating in respect of each payment to be made (1) the requisition number, (2) the name and address of the person, firm, corporation or agency to whom payment is due or has been made, (3) the amount to be paid, (4) the Item(s) of Equipment to which the requisition relates and (5) that each obligation, item of cost or expense mentioned therein has been properly incurred, is an item of Cost and is a proper charge against the Acquisition Fund and has not been the basis of any previous withdrawal; and (B) either (1) an Acceptance Certificate in the case of payment of the Cost of any Item of Equipment against delivery thereof or (2) a performance bond satisfying the requirements of Section 5.8 of the Lease. If the requisition is for passenger vehicles (including police cars), a separate requisition shall be submitted for such Item of Equipment. The Trustee shall issue its check for each payment required by such requisition or shall by interbank transfer or other method, arrange to make the payment required by such requisition.

3. Upon receipt of a certificate of an Authorized Municipal Representative identifying Item(s) of Equipment listed in Exhibit A to the Lease and containing a statement that it will not acquire such Item(s) of Equipment nor will it seek to acquire substitute Equipment with respect to such Item(s) of Equipment in accordance with Section 8.1 of the Lease, the Trustee shall transfer from the Acquisition Fund to the Debt Service Fund the aggregate cost of such Item(s) of Equipment as set forth in Exhibit A to the Lease. The Trustee shall also transfer to the Debt Service Fund, upon thirty (30) days prior written notice to the Municipality, all amounts as shall remain in the Acquisition Fund on the date which is two years after the date of the original issuance and delivery of the Bonds; provided, however, that if the Municipality delivers the certificate relating to the Acquisition Fund to the Trustee in accordance with Section 2.3 of the Lease, the Trustee shall retain in the Acquisition Fund the amount so indicated in said certificate. Amounts so transferred shall be applied in accordance with paragraph 5 of this Section.

4. The completion of the acquisition and installation of all Items of Equipment shall be evidenced by a certificate or certificates of an Authorized Municipal Representative substantially in the form set forth in Exhibit D to the Lease, approved by an Authorized Authority Representative (which approval shall not be unreasonably withheld), which shall be filed with the Trustee, stating (i) that the acquisition and installation of all Items of Equipment has been completed substantially in accordance with the specifications applicable thereto and that such Equipment is ready for use, (ii) the date of such completion and (iii) the amount, if any, required in the opinion of the signer or signers for the payment of any remaining part of the Cost thereof. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist as of the date of such certificate or which may subsequently come into being. At any time after the filing of such certificate, upon the delivery to the Trustee of written instructions of an Authorized Authority Representative, the Trustee shall transfer to the Operating Fund from the Acquisition Fund, money in an amount equal to such amount as may be determined by the Authority and evidenced in a certificate of an Authorized Authority Representative substantially in the form set forth in Exhibit D to the Lease to be necessary or desirable to fund Authority Administrative Expenses, such amounts to be applied to the purposes of such Fund. Upon the filing of such certificate, the balance in the Acquisition Fund in excess of the amount, if any, stated in such certificate and the amount to be transferred to the Operating Fund as set forth in the immediately preceding sentence shall be paid over or transferred for deposit in the Debt Service Fund for application in accordance with the requirements of paragraph 5 of this

Section. If subsequent to the filing of such certificate it shall be determined that any amounts specified in such certificate as being required for the payment of any remaining part of the Cost are no longer so required, such fact shall be evidenced by a certificate or certificates of an Authorized Authority Representative which shall be filed with the Trustee stating such fact and any amount shown therein as no longer being required shall be paid over or transferred for deposit in the Debt Service Fund for application in accordance with the requirements of paragraph 5 of this Section.

5. Amounts transferred from the Acquisition Fund to the Debt Service Fund pursuant to this section shall be applied to the payment of debt service on the Bonds as set forth in a certificate of an Authorized Authority Representative filed with the Trustee; provided that any such proceeds shall be invested subject to such yield restrictions as shall be directed by Bond Counsel.

Section 404. Revenue Fund. All Revenues shall be promptly deposited by the Trustee upon receipt thereof into the Revenue Fund.

Section 405. Operating Fund. 1. As soon as practicable after the deposit of Revenues into the Revenue Fund, but in any case no later than five Business Days after the deposit of any Revenues in the Revenue Fund, the Trustee shall withdraw from the Revenue Fund and credit to the Operating Fund a sum which is equal to the sum of the Authority Administrative Expenses included in such payment. The Trustee may rely conclusively upon its copies of the Authority's requests to the Municipality for Additional Rent under the Lease in determining the appropriate amount to credit to the Operating Fund.

2. Amounts in the Operating Fund shall be paid out from time to time by the Trustee for reasonable and necessary Authority Administrative Expenses upon requisition submitted to the Trustee and signed by an Authorized Authority Representative stating: (i) the name of the person, firm or corporation to whom each such payment is due; (ii) the respective amounts to be paid; (iii) the purpose by general classification for which each obligation to be paid was or will be incurred; and (iv) that obligations in the stated amounts have been or will be incurred by the Authority and that each item thereof is a proper charge against the Operating Fund and has not been previously paid.

3. Amounts in the Operating Fund which the Authority at any time determines to be in excess of the requirements of such Fund, such determination to be evidenced by a written statement to this effect signed by an Authorized Authority Representative, shall be applied to make up any deficiencies then existing in the Debt Service Fund.

Section 406. Payments into Certain Funds. As soon as practicable after the deposit of Revenues into the Revenue Fund and after payment has been made to the Operating Fund pursuant to Section 405, but in any case no later than five Business Days after the deposit of any Revenues in the Revenue Fund, the Trustee shall credit to, or transfer to the Depository for deposit in, but only to the extent the amount in the Revenue Fund shall be sufficient therefor, the Debt Service Fund, the amount, if any, required so that the balance in said Fund shall equal the sum of the amounts of the Debt Service Requirement on the Bonds for the next respective succeeding Interest

Payment Dates, provided that, for the purposes of computing the amount to be deposited in said Fund, there shall be excluded from the balance in said Fund the amount, if any, set aside in said Fund from the proceeds of Bonds for the payment of interest on Bonds less that amount of such proceeds to be applied in accordance with the Resolution to the payment of interest accrued and unpaid and to accrue on Bonds to the next Interest Payment Date; provided, however, that so long as there shall be held in the Debt Service Fund an amount sufficient to pay in full all Outstanding Bonds in accordance with their terms (including principal and interest thereon) no transfers shall be required to be made to the Debt Service Fund.

Section 407. Debt Service Fund - Net Proceeds Account. There shall be established a Net Proceeds Account in the Debt Service Fund. Upon an election by the Municipality to pursue Option B pursuant to Section 5.4(b) of the Lease, there shall be deposited in the Net Proceeds Account any Net Proceeds received with respect to an Item of Equipment. Moneys on deposit in the Net Proceeds Account shall be applied to the payment of debt service on the Bonds by transfer to the Debt Service Fund as set forth in a certificate of an Authorized Authority Representative filed with the Trustee at the time of the deposit of the Net Proceeds to the Net Proceeds Account; provided that any such Net Proceeds shall be invested subject to such yield restrictions as shall be directed by Bond Counsel.

Section 408. Debt Service Fund. 1. On each Interest Payment Date, the Trustee shall withdraw from the Debt Service Fund an amount equal to the interest due on the Bonds on such Interest Payment Date, which moneys shall be paid by the Paying Agent to the payment of such interest.

2. On the maturity date of any Bonds, the Trustee shall make available to the Paying Agent from moneys in the Debt Service Fund an amount equal to the principal of the Bonds due on such date, which moneys shall be applied by the Paying Agent to the payment of such principal.

Section 409. Cancellation and Destruction of Bonds. All Bonds paid, either at or before maturity, shall be delivered to the Trustee when such payment is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the bonds so destroyed, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

Section 410. Rebate Fund. Moneys on deposit in the Rebate Fund, including earnings on or gain realized on any moneys or investments therein, shall be held by the Authority in trust and applied as provided by instructions to the Authority contained in the tax certificate delivered pursuant to Section 616 hereof.

ARTICLE V

DEPOSITORIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 501. Depositories. 1. All moneys held by the Trustee and the Authority under the provisions of the Resolution shall constitute trust funds and the Trustee and the Authority may deposit such moneys with one or more Depositories in trust for said parties. All moneys deposited under the provisions of the Resolution with the Trustee or any Depository shall be held in trust and applied only in accordance with the provisions of the Resolution, and each of the Funds and Accounts established by the Resolution shall be a trust fund for the purposes thereof.

2. Each Depository shall be a bank or trust company organized under the laws of the State of New Jersey or a national banking association having capital stock, surplus and undivided earnings of \$50,000,000 or more and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of the Resolution.

Section 502. Deposits. 1. All Revenues and moneys held by any Depository under the Resolution may be placed on demand or time deposit, if and as directed by the Authority, provided that such deposits shall permit the moneys so held to be available for use at the time when needed. Any such deposit may be made in the commercial banking department of any Fiduciary which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. All moneys held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the Authority and acceptable to such Fiduciary, on time deposit, provided that such moneys on deposit be available for use at the time when needed. Such Fiduciary shall allow and credit on such moneys such interest, if any, as it customarily allows upon similar funds of similar size and under similar conditions or as required by law.

2. All moneys held under the Resolution by the Trustee or any Depository shall be held in such other manner as may then be required by applicable Federal or State laws and regulations.

3. All moneys deposited with the Trustee and each Depository shall be credited to the particular Fund or Account to which such moneys belong and, except as provided with respect to the investment of moneys in Investment Securities in Section 503 hereof, the moneys credited to each particular Fund or Account shall be kept separate and apart from, and not commingled with, any moneys credited to any other Fund or Account or any other moneys deposited with the Trustee and each Depository.

Section 503. Investment of Certain Funds. Moneys held in the Revenue Fund or the Debt Service Fund, including the Net Proceeds Account therein, shall be invested and reinvested by the Trustee to the fullest extent practicable in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Fund. Moneys held in the Acquisition Fund and the Operating Fund may be invested and reinvested in Investment Securities which mature not later than such times as shall be necessary to

provide moneys when needed for payments to be made from such Fund. The Trustee shall make all such investments of moneys held by it in accordance with written instructions from time to time received from any Authorized Authority Representative; absent such written investment instructions, the Trustee shall not invest any such money. In making any investment in any Investment Securities with moneys in any Fund established under the Resolution, the Authority may instruct the Trustee or any Depository in writing to combine such moneys with moneys in any other Fund, but solely for purposes of making such investment in such Investment Securities.

Interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment) earned or any gain realized on any moneys or investments in such Funds or Accounts, other than the Debt Service Fund and the Rebate Fund, shall be held for the benefit of the Revenue Fund and shall be paid into the Revenue Fund on a periodic basis at least quarterly or as otherwise shall be directed by the Authority. Interest earned or gain realized on any moneys or investments in the Rebate Fund or the Debt Service Fund shall be held in such Fund for the purposes thereof.

Nothing in the Resolution shall prevent any Investment Securities acquired as investments of or security for funds held under the Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Nothing in the Resolution shall preclude the Trustee from investing or reinvesting moneys through its bond department; provided, however, that the Authority may, in its discretion, direct that such moneys be invested or reinvested in a manner other than through such bond department.

Section 504. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any Fund created under the provisions of the Resolution shall be deemed at all times to be a part of such Fund and any profit realized from the liquidation of such investment shall be credited to such Fund, and any loss resulting from the liquidation of such investment shall be charged to the respective Fund.

In computing the amount in any Fund created under the provisions of the Resolution for any purpose provided in the Resolution, obligations purchased as an investment of moneys therein shall be valued at the amortized cost thereof. The accrued interest paid in connection with the purchase of any obligation shall be included in the value thereof until interest on such obligation is paid. Such computation shall be determined as of July 1 in each year, and at such other times as the Authority shall determine.

Except as otherwise provided in the Resolution, the Trustee or any Depository shall use its best efforts to sell at the best price obtainable, or present for redemption, any obligation so purchased as an investment whenever it shall be requested in writing by an Authorized Authority Representative so to do. Whenever it shall be necessary, or upon direction of the Authority in accordance with the Resolution, in order to provide moneys to meet any payment or transfer from any Fund held by the Trustee or any Depository, the Trustee or any Depository shall use its best efforts to sell at the best price obtainable or present for redemption such obligation or obligations designated by an Authorized Authority Representative necessary to provide sufficient moneys for such payment or transfer.

The Trustee shall not be liable or responsible for any loss resulting from any such investment, sale or presentation for investment made in the manner provided above.

ARTICLE VI

The Authority covenants and agrees with the Trustee and the Bondholders as follows:

Section 601. Payment of Bonds. The Authority shall duly and punctually pay or cause to be paid, but solely from the Pledged Property, the principal of every Bond and the interest thereon, at the dates and places and in the manner provided in the Bonds, according to the true intent and meaning thereof.

Section 602. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement, and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under the Resolution, to the benefit of the Resolution or to any payment out of Revenues or Funds established by the Resolution, including the investments, if any, thereof, pledged under the Resolution or the moneys (except moneys held in trust for the payment of particular Bonds or claims for interest pursuant to the Resolution) held by the Fiduciaries, except subject to the prior payment of the principal of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest.

Section 603. Offices for Servicing Bonds. The Authority shall at all times maintain one or more agencies in the State of New Jersey, and may maintain one or more such agencies in any other state or states, where Bonds may be presented for payment. The Authority hereby appoints U.S. Bank Trust Company, National Association, Edison, New Jersey, as Bond Registrar, and the Authority shall at all times maintain one or more agencies where Bonds may be presented for registration or transfer and where notices, demands and other documents may be served upon the Authority in respect of the Bonds or of the Resolution, and the Trustee shall continuously maintain or make arrangements to provide such services.

Section 604. Further Assurance. At any and all times the Authority shall, as far as it may be authorized by law, comply with any reasonable request of the Trustee to pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and other moneys, securities and funds hereby pledged, or intended so to be, or which the Authority may become bound to pledge.

Section 605. Power to Issue Bonds and Pledge Pledged Property. The Authority is duly authorized under all applicable laws to create and issue the Bonds, to adopt the Resolution and to pledge the Pledged Property purported to be subjected to the lien of the Resolution in the manner and to the extent provided in the Resolution. Except to the extent otherwise provided in the Resolution, the Pledged Property so pledged is and will be free and clear of any pledge, lien,

charge or encumbrance thereon or with respect thereto prior to, or of equal rank with the pledge and assignment created by the Resolution, and all action on the part of the Authority to that end has been and will be duly and validly taken. The Bonds and the provisions of the Resolution are and will be the valid and legally binding obligations of the Authority. The Authority shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Property under the Resolution and all the rights of the Bondholders under the Resolution against all claims and demands of all persons whomsoever.

Section 606. Creation of Liens. The Authority shall not issue any bonds, notes, debentures or other evidences of indebtedness of similar nature, other than the Bonds, payable out of or secured by a pledge or assignment of the Pledged Property held or set aside by the Fiduciaries under the Resolution and shall not create or cause to be created any lien or charge on the Pledged Property, provided, however, that nothing contained in the Resolution shall prevent the Authority from issuing, if and to the extent permitted by law evidences of indebtedness payable out of or secured by a pledge and assignment of the Pledged Property on and after such date as the pledge of the Pledged Property provided in the Resolution shall be discharged and satisfied as provided in Section 1101.

Section 607. Accounts and Reports. 1. The Authority shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in accordance with generally accepted accounting principles in which complete and correct entries shall be made of its transactions relating to the amount of Revenues and the application thereof and each Fund or Account established under the Resolution. All books and papers of the Authority shall, subject to the terms thereof, at all times be subject to the inspection of the Trustee and the Holders of an aggregate of not less than 5% in principal amount of the Bonds then Outstanding or their representatives duly authorized in writing.

2. The Trustee and any Depository shall advise the Authority as soon as practicable after the end of each Month of the respective transactions during such Month relating to each Fund or Account held by it under the Resolution.

3. The Authority shall annually, within 270 days after the close of its fiscal year, file or cause to be filed with the Trustee, and otherwise as provided by law, a copy of an annual report for such fiscal year, accompanied by an Accountant's Certificate and including the following statements in reasonable detail: (i) a statement of assets and liabilities as of the end of such fiscal year; and (ii) a statement of revenues and expenses of the Authority for such fiscal year.

4. The Authority shall file or cause to be filed with the Trustee (a) forthwith upon becoming aware of any Event of Default or default in the performance by the Authority of any covenant, agreement or condition contained in the Resolution, a certificate signed by an Authorized Authority Representative and specifying such Event of Default or default and (b) within 90 days after the end of each Fiscal Year, a certificate signed by an appropriate Authorized Authority Representative stating whether, to the best of his knowledge and belief, the Authority has kept, observed, performed and fulfilled its covenants and obligations contained in the Resolution and that there does not exist at the date of such certificate any default by the Authority under the Resolution or any Event of Default or other event which, with the lapse of time specified

in Section 701, would become an Event of Default, or, if any such default or Event of Default or other event shall so exist, specifying the same and the nature and status thereof.

5. The reports, statements and other documents required to be furnished to the Trustee pursuant to any provisions of the Resolution shall be available for the inspection of the Bondholders at the office of the Trustee and shall be mailed to each Bondholder who shall file a written request therefor with the Authority. The Authority may charge or cause to be charged each Bondholder requesting such reports, statements and other documents a reasonable fee to cover reproduction, handling and postage.

Section 608. Payment of Taxes and Charges. The Authority will from time to time duly pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges, or required payments in lieu thereof, lawfully imposed upon the properties of the Authority or upon the rights, revenues, income, receipts, and other moneys, securities and funds of the Authority when the same shall become due (including all rights, moneys and other property transferred, assigned or pledged under the Resolution), and all lawful claims for labor and material and supplies, except those taxes, assessments, charges or claims which the Authority shall in good faith contest by proper legal proceedings if the Authority shall in all such cases have set aside on its books reserves deemed adequate with respect thereto.

Section 609. The Lease. The Authority shall collect or cause to be collected and forthwith cause to be deposited in the Revenue Fund held by the Trustee all amounts, if any, payable to it pursuant to the Lease. The Authority shall provide the Trustee with a certified copy of all requests for Additional Rent submitted to the Municipality under the Lease. The Authority shall enforce or cause to be enforced all of the provisions of the Lease. The Authority will not consent or agree to or permit any amendment, change or modification to the Lease which would adversely affect the rights or security of Bondholders. A copy of the Lease certified by an Authorized Authority Representative shall be filed with the Trustee, and a copy of any such amendment certified by an Authorized Authority Representative shall be filed with the Trustee.

Section 610. Power to Determine and Collect Rentals. The Authority has, and will have as long as any Bonds are Outstanding, good right and lawful power to establish and collect or cause to be established and collected the Rentals.

Section 611. Rentals. The Authority shall at all times establish and collect or cause to be established and collected Rentals, as shall be required to provide Revenues at least sufficient in each Fiscal Year, together with other available funds, for the payment of the sum of:

1. an amount equal to the Debt Service for such Fiscal Year;
2. Authority Administrative Expenses; and
3. all other charges or liens whatsoever payable out of Revenues during such Fiscal Year.

Section 612. Acquisition and Installation of Equipment and its Operation and Maintenance. 1. The Authority shall cause the Equipment to be acquired and installed with due diligence and in a sound and economical manner.

2. The Authority shall at all times use or cause to be used the Equipment properly and in an efficient and economical manner, consistent with good business practices, and shall maintain, preserve, reconstruct and keep the same or cause the same to be so maintained, preserved, reconstructed and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the leasing of the Equipment may be properly and advantageously conducted.

Section 613. Maintenance of Insurance. 1. The Authority shall at all times maintain or cause to be maintained such insurance as shall be required by the provisions of the Lease.

2. The Authority shall also maintain any additional or other insurance which it shall deem necessary or advisable to protect its interests and those of the Bondholders.

3. Any such insurance shall be in the form of policies or contracts for insurance with insurers of good standing.

4. The Authority shall file with the Trustee annually, within 100 days after the close of each calendar year, a certificate of an Authorized Authority Representative setting forth a description in reasonable detail of the insurance then in effect with respect to the Equipment and that the Authority has complied in all respects with the requirements of this Section.

Section 614. Application of Insurance Proceeds. The proceeds of any insurance, including the proceeds of any self-insurance fund, or condemnation award paid on account of any damage or destruction to the Equipment or any portion thereof (other than any business interruption loss insurance) shall be applied as set forth in Section 5.4 of the Lease.

Section 615. General. 1. Upon the date of authentication and delivery of any of the Bonds, all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of such Bonds shall exist, have happened and have been performed and the issue of such Bonds, together with all other indebtedness of the Authority, shall comply in all respects with the applicable laws of the State.

2. The Authority shall at all times maintain its existence and shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Authority under the provisions of the Act and the Resolution.

Section 616. Tax Covenant. The Authority covenants to maintain the exclusion from gross income for Federal income tax purposes of interest on the Bonds, to the extent that Bond Counsel has rendered an opinion to the effect that, subject to the conditions and qualifications contained in such opinion, the interest on the Bonds is excludable from gross income for Federal income tax purposes. In furtherance of the covenant contained in the preceding sentence, the Authority will, among other things, comply with the instructions as to compliance with rebate

contained in the tax certificate delivered by the Authority as of the date of, and with respect to, the first issuance and delivery of the Bonds, as a source of guidance for achieving compliance with the Code. Notwithstanding any other provision of the Resolution to the contrary, so long as necessary in order to maintain the exclusion from gross income for Federal income tax purposes of interest on each of the Bonds, the covenants contained in this Section 616 shall survive the payment or discharge thereof pursuant to Section 1101 of the Resolution.

ARTICLE VII

REMEDIES OF BONDHOLDERS

then, solely in connection with (i) and (ii) above, so long as such Event of Default shall not have been remedied, unless the principal of all the Bonds shall have already become due and payable, the Trustee by notice in writing to the Authority may, or upon receipt of Manfreda, Andrew J.a direction in writing from the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding, shall declare the principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable

immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in the Resolution or in any of the Bonds contained to the contrary notwithstanding. The right of the Trustee or of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Bonds shall have matured by their terms, all overdue installments of interest upon the Bonds, together with interest on such overdue installments of interest to the extent permitted by law and the reasonable and proper fees, charges, expenses and liabilities of the Trustee, and all other sums then payable by the Authority under the Resolution (except the principal of, and interest accrued since the next preceding interest date on, the Bonds due and payable solely by virtue of such declaration) shall either be paid by or for the account of the Authority or provision satisfactory to the Trustee shall be made for such payment, and all defaults under the Bonds or under the Resolution (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be made good or be secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, then and in every such case the Holders of twenty-five percent (25%) in principal amount of the Bonds Outstanding, by written notice to the Authority and the Trustee, may rescind such declaration and annul such default in its entirety, or, if the Trustee shall have acted itself, and if there shall not have been theretofore delivered to the Trustee written direction to the contrary by the Holders of twenty-five percent (25%) in principal amount of the Bonds Outstanding, then any such declaration shall **ipso facto** be deemed to be rescinded and any such default shall **ipso facto** be deemed to be annulled, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

Section 702. Accounting and Examination of Records After Default. 1. The Authority covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Authority shall at all times be subject to the inspection and use of the Trustee and of their agents and attorneys.

2. The Authority covenants that if an Event of Default shall have happened and shall not have been remedied, the Authority, upon demand of the Trustee, will account, as if it were the trustee of an express trust, for all Revenues and other moneys, securities and funds pledged or held under the Resolution for such period as shall be stated in such demand.

Section 703. Application of Pledged Property After Default. 1. The Authority covenants that if an Event of Default shall happen and shall not have been remedied, the Authority, upon the demand of the Trustee, shall pay over or cause to be paid over to the Trustee (a) forthwith, all Pledged Property then held by the Authority under the Resolution, and (b) all Revenues which are not paid directly to the Trustee as promptly as practicable after receipt thereof.

2. During the continuance of an Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of this Article together with all Funds held by the Trustee under the Resolution as follows and in the following order:

(i) Expenses of Fiduciaries — to the payment of the reasonable and proper fees (including reasonable attorney’s fees), charges, expenses and liabilities of the Fiduciaries;

(ii) Principal and Interest — to the payment of the interest and principal then due on the Bonds, as follows:

3. unless the principal of all of the Bonds shall have become or have been declared due and payable,

First: Interest — To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, together with accrued and unpaid interest on the Bonds, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: Principal — To the payment to the persons entitled thereto of the unpaid principal of any Bonds which shall have become due in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due on such date, to the persons entitled thereto, without any discrimination or preference;

4. If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

5. If and whenever all overdue installments of all Bonds, together with the reasonable and proper charges, fees (including reasonable attorneys’ fees), expenses and liabilities of the Trustee, and all other sums payable by the Authority under the Resolution, including the principal of and accrued unpaid interest on all Bonds which shall then be payable, by declaration or otherwise shall either be paid by or for the account of the Authority, or provisions satisfactory to the Trustee shall be made for such payment, and all defaults under the Resolution or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Authority all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of the Resolution to be deposited or pledged, with the Trustee) and thereupon the Authority and the Trustee shall be restored, respectively, to their former positions and rights under the Resolution. No such payment

over to the Authority by the Trustee nor such restoration of the Authority and the Trustee to their former positions and rights shall extend to or affect any subsequent default under the Resolution or impair any right consequent thereon.

Section 704. Proceedings Brought by Trustee. 1. If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds Outstanding shall proceed, to protect and enforce its rights and the rights of the Holders of the Bonds under the Resolution or the Lease forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein or therein contained, or in aid of the execution of any power herein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under the Resolution or the Lease.

2. All rights of action under the Resolution or the Lease may be enforced by the Trustee without the possession of any of the Bonds or the production thereof at the trial or other proceedings, and any such suit or proceedings instituted by the Trustee shall be brought in its name.

3. The Holders of not less than a majority in principal amount of the Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, provided that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Bondholders not parties to such direction.

4. Upon commencing a suit in equity or upon other commencement of judicial proceedings by the Trustee to enforce any right under the Resolution or the Lease, the Trustee shall be entitled to exercise any and all rights and powers conferred in the Resolution and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

5. Regardless of the happening of an Event of Default, the Trustee shall have power to, but unless requested in writing by the Holders of twenty-five percent (25%) in principal amount of the Bonds then Outstanding and furnished with reasonable security and indemnity, shall be under no obligation to, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under the Resolution by any acts which may be unlawful or in violation of the Resolution, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

Section 705. Restrictions on Bondholder's Action. 1. No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of

any provision of the Resolution or the execution of any trust under the Resolution or for any remedy under the Resolution, unless such Holder shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article, and the Holders of at least twenty-five percent (25%) in principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity, either to exercise the powers granted in the Resolution or by the Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity against the costs, fees (including reasonable attorneys' fees), expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by the Resolution, or to enforce any right under the Resolution, except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of the Resolution shall be instituted, had and maintained in the manner provided in the Resolution and for the equal benefit of all Holders of the Outstanding Bonds, subject only to the provisions of Section 602.

2. Nothing contained in the Resolution or in the Bonds shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of and interest on the Bonds to the respective Holders thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Holder to enforce such payment of his Bond.

Section 706. Remedies Not Exclusive. No remedy by the terms of the Resolution conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Resolution or existing at law or in equity or by statute on or after the date of execution and delivery of the Resolution.

Section 707. Effect of Waiver and Other Circumstances. 1. No delay or omission of the Trustee or any Bondholder to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein; and every power and remedy given by this Article to the Trustee or to the Bondholders may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

2. Prior to the declaration of maturity of the Bonds as provided in Section 701, the Holders of twenty-five percent (25%) in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Holders of all of the Bonds waive any past default under the Resolution and its consequences, except a default in the payment of interest on or principal of or premium (if any) on any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 708. Notice of Default. The Trustee shall promptly mail written notice of the occurrence of any Event of Default to each registered owner of Bonds then Outstanding at his

address, if any, appearing upon the registry books of the Authority. The Trustee shall also give prompt notice of the occurrence of an Event of Default to the Authority and the Paying Agent.

Section 709. Enforcement of County Guaranty. The Trustee shall promptly enforce, and seek payment pursuant to, the County Guaranty upon the failure of the County to make timely payments under the County Guaranty; provided, however, that after any Interest Payment Date or principal due date with respect to the Bonds, the Trustee shall so enforce the County Guaranty only upon receipt of a written request therefor from the Pooled Bonds Trustee as the registered owner of the Bonds. The Trustee shall promptly notify the Pooled Bonds Trustee of any action taken pursuant to this Section.

ARTICLE VIII

CONCERNING THE FIDUCIARIES

Section 801. Trustee; Appointment and Acceptance of Duties. U.S. Bank Trust Company, National Association, Edison, New Jersey is hereby appointed Trustee under the Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Authority a written acceptance thereof, and by executing such acceptance the Trustee shall be deemed to have accepted such duties and obligations with respect to all the Bonds thereafter to be issued, but only, however, upon the terms and conditions set forth in the Resolution.

Section 802. Paying Agents; Appointment and Acceptance of Duties; Bond Registrar. 1. The Authority shall appoint one or more Paying Agents for the Bonds, and may at any time or from time to time appoint one or more other Paying Agents. All Paying Agents appointed shall have the qualifications set forth in Section 813 for a successor Paying Agent. The Trustee may be appointed a Paying Agent.

2. The principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Authority for the payment of the interest on and principal of the Bonds.

3. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Authority and to the Trustee a written acceptance thereof. No Paying Agent shall be liable for the acts or omissions of any other Paying Agent.

4. The Authority shall appoint a Bond Registrar, which may be the Trustee. The Bond Registrar shall have the duties and the responsibilities provided in this Resolution. The Bond Registrar shall accept the responsibilities of a Bond Registrar hereunder with respect to all Bonds by executing a certificate to be delivered to the Trustee and the Authority.

Section 803. Responsibilities of Fiduciaries. 1. The recitals of fact herein and in the Bonds contained shall be taken as the statements of the Authority and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of the Resolution or of any Bonds issued thereunder or as to the security afforded by the Resolution, and no Fiduciary shall incur any liability in respect thereof. The Trustee or Bond Registrar shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid by such Fiduciary in accordance with the provisions of the Resolution, including without limitation payment of moneys from the Acquisition Fund. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Subject to the provisions of subsection 2 of this Section 803, no Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence, misconduct or default.

2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in the Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by the Resolution, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of the Resolution relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 803 and Section 804.

Section 804. Evidence on Which Fiduciaries May Act. 1. Each Fiduciary, upon receipt of any notice, resolution, request, consent, requisition, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of the Resolution, shall examine such instrument to determine whether it conforms to the requirements of the Resolution and shall be protected in acting upon any such instrument believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be counsel to the Authority, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under the Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Authority Representative, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of the Resolution upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

3. Except as otherwise expressly provided in the Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Authority to any Fiduciary shall be sufficiently executed in the name of the Authority when signed by an Authorized Authority Representative.

Section 805. Compensation. The Authority shall pay to each Fiduciary from time to time reasonable compensation for all services rendered under the Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including without limitation those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under the Resolution, in accordance with the agreements made from time to time between the Authority and the Fiduciary, and the Trustee and each Paying Agent shall have a lien therefor on any and all funds at any time held by it under the Resolution prior to any of the Bonds for which such services have been rendered. Subject to the provisions of Section 803, the Authority further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities, expenses and fees which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to such Fiduciary's negligence, misconduct or default. The provisions of this Section shall survive the payment of the Bonds pursuant to Section 1101.

Section 806. Certain Permitted Acts. Any Fiduciary, individually or otherwise, may become the owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or the Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding. To the extent permitted by law, any Fiduciary may provide banking, financial and similar services to the Authority.

Section 807. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties created by the Resolution by giving not less than sixty (60) days written notice to the Authority, and mailing notice thereof to the Holders of Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless (i) previously a successor shall have been appointed by the Authority or the Bondholders as provided in Section 809, in which event such resignation shall take effect immediately on the appointment of such successor, or (ii) a successor shall not have been appointed by the Authority or the Bondholders as provided in Section 809 on such date, in which event such resignation shall not take effect until a successor is appointed.

Section 808. Removal of the Trustee. The Trustee may be removed at any time with or without cause by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. So long as no Event of Default, or an event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, the Trustee may be removed at any time for just cause by a resolution of the Authority filed with the Trustee.

Section 809. Appointment of Successor Trustee. 1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor Trustee may be appointed by the Authority by a duly executed written instrument signed by an Authorized Authority Representative, but if the Authority does not appoint a successor Trustee within sixty (60) days, then by the Holders of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Authority, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the Authority and the predecessor Trustee. After such appointment of a successor Trustee, the Authority shall mail notice of any such appointment by it or by the Bondholders to the registered owners of the Bonds then Outstanding and to Moody's Investors Service, Inc. and/or Standard & Poor's Ratings Services if the Bonds are then rated by such rating agency or agencies.

2. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the Authority written

notice as provided in Section 807 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, removal, or for any other reason whatsoever, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section 809 in succession to the Trustee shall be a bank or trust company organized under the laws of any state or a national banking association and shall have capital stock, surplus and undivided earnings aggregating at least \$50,000,000 if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

Section 810. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property, rights, interests and estates held by it under the Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Authority. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

Section 811. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by the Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section 812. Adoption of Authentication. In case any of the Bonds contemplated to be issued under the Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the

predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in the Resolution provided that the certificate of the Trustee shall have.

Section 813. Resignation or Removal of Paying Agent or Bond Registrar and Appointment of Successor. 1. Any Paying Agent or Bond Registrar may at any time resign and be discharged of the duties and obligations created by the Resolution by giving at least sixty (60) days written notice to the Authority, the Trustee and the Paying Agent or Bond Registrar. Any Paying Agent or Bond Registrar may be removed by the Authority at any time by an instrument filed with such Paying Agent or Bond Registrar and the Trustee and signed by an Authorized Authority Representative. Any successor Paying Agent or Bond Registrar shall be appointed by the Authority with the approval of the Trustee and shall be a commercial bank or trust company organized under the laws of any state of the United States or a national banking association, having capital stock, surplus and undivided earnings aggregating at least \$50,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

2. In the event of the resignation or removal of any Paying Agent or Bond Registrar such Paying Agent or Bond Registrar shall pay over, assign and deliver any moneys held by it as Paying Agent or Bond Registrar to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent or Bond Registrar, the Trustee shall act as such Paying Agent or Bond Registrar.

- (1) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or
- (2) To insert such provisions clarifying matters or questions arising under the Resolution as are necessary or desirable and are not contrary to or inconsistent with the Resolution as theretofore in effect.

Section 903. Supplemental Resolutions Effective With Consent of Bondholders. Section 904. General Provisions. 1. If the Bonds are rated by Moody's Investors Service, Inc. and/or by Standard & Poor's Ratings Services, then the Authority shall give notice to the rating agency or agencies that rated the Bonds of any material amendments to the Resolution.

2. Any provision in this Article for publication of a notice or other matter shall require the publication thereof only in an Authorized Newspaper.

Section 1002. Powers of Amendment. Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent, given as provided in Section 1003, of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. Section 1003. Consent of Bondholders. The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 1002 to take effect when and as provided in this Section 1003. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Authority to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section 1003 provided). Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in Section 1002 and (b) an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution,

and is valid and binding upon the Authority and enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency or other laws affecting creditors' rights generally, and (ii) a notice shall have been given as hereinafter in this Section 1003 provided. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1103. A certificate or certificates executed by the Trustee and filed with the Authority stating that it has examined such proof and that such proof is sufficient in accordance with Section 1103 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 1103 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 1003 provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 1103 hereof. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Authority to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 1003, may be given to Bondholders by the Authority by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 1003 provided). The Authority shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 1003 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the Authority during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 1004. Modifications by Unanimous Consent. The terms and provisions of the Resolution and the rights and obligations of the Authority and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Authority of a Supplemental Resolution and the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 1003 except that no notice to Bondholders shall be

required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary and of the Bondholders.

Section 1005. Exclusion of Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article X, and the Authority shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Authority shall furnish the Trustee a certificate of an Authorized Authority Representative, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 1006. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article IX or this Article X provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal corporate trust office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the Authority or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Authority to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XI

MISCELLANEOUS

Section 1101. Defeasance. 1. If, subject to the provisions set forth in the next succeeding sentence, the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in the Resolution, then the pledge of the Pledged Property, any Revenues, and other moneys and securities pledged under the Resolution and all covenants, agreements and other obligations of the Authority to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Authority to be prepared and filed with the Authority and, upon the request of the Authority, shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Authority the Pledged Property, including all moneys or securities held by them pursuant to the Resolution which are not required for the payment of principal and interest on Bonds not theretofore surrendered for such payment. If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Outstanding Bonds of a particular maturity or particular Bonds within a maturity, the principal and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under the Resolution, and all covenants, agreements and obligations of the Authority to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

2. Bonds or interest installments for the payment of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Authority of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection 1 of this Section. Subject to the provisions of subsection 3 through subsection 5 of this Section, any Outstanding Bonds shall prior to the maturity date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection 1 of this Section if (a) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on said Bonds on or prior to the maturity date thereof, and (b) in the event said Bonds shall not by their terms mature within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it instructions to mail a notice to the Holders of such Bonds that the deposit required by (a) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 1101 and stating such maturity date; upon which moneys are expected, subject to the provisions of subsection 5 of this Section 1101, to be available for the payment of the principal on said Bonds. For purposes of this Section 1101 only, the term Investment Securities shall mean only those Investment Securities described in clause (a) of the definition of Investment Securities contained in Section 101 hereof unless the Authority shall have received written confirmation from Moody's Investors Service, Inc., if the Bonds are then rated

by Moody's Investors Service, Inc., and Standard & Poor's Ratings Services, if the Bonds are then rated by Standard & Poor's Ratings Services, that defeasance with Investment Securities other than those described in clause (a) of the definition in Section 101 hereof will result in the Bonds being rated in the highest investment grade or category of each such rating agency. The Trustee shall, if so directed by the Authority prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1101, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient (as verified by an independent certified public accountant) to pay when due the Principal Installment and interest due or to become due on all Bonds, in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the maturity date thereof. If, at any time prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1101, the Authority shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Authority to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 1101. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 1101 the total amount of moneys and Investment Securities remaining on deposit with the Trustee under this Section 1101 is in excess (as verified by an independent certified public accountant) of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy subclause (b) of this subsection 2 of Section 1101, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Resolution. Except as otherwise provided in this subsection 2 of Section 1101 and in subsections 3 and 4 of this Section 1101, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required (as verified by an independent certified public accountant) at any time for such purpose, shall be paid over to the Authority as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under the Resolution, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient (as verified by an independent certified public accountant) to pay when due the principal and interest to become due on said Bonds on or prior to such maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Authority, as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under the Resolution. For the purposes of this Section, Investment Securities shall mean and include only (x) such securities as are described in this subsection 1101(2) which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof, (y) such securities as are described in this

subsection 1101(2) which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or as to which an irrevocable notice of redemption of such securities on a specified redemption date has been given and such securities are not otherwise subject to redemption prior to such specified date other than at the option of the holder thereof, or (z) upon compliance with the provisions of subsection 3 of this Section 1101, such securities as are described in this subsection 1101(2) which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection 2 of this Section 1101 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of this Section 1101 only if the determination as to whether the moneys and Investment Securities to be deposited with the Trustee in order to satisfy the requirements of such clause (b) would be sufficient to pay when due either on the maturity date thereof, the principal and interest on the Bonds which will be deemed to have been paid as provided in subsection 2 of this Section 1101 is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof and (ii) on the assumptions that such Investment Securities would be redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such redemption would not be reinvested by the Trustee.

4. In the event that after compliance with the provisions of subsection 3 of this Section 1101 the Investment Securities described in clause (z) of subsection 2 of this Section 1101 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of this Section 1101 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the direction of the Authority, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee shall at all times be sufficient (as verified by an independent certified public accountant) to satisfy the requirements of clause (b) of subsection 2 of this Section 1101, shall reinvest the proceeds of such redemption in Investment Securities. The Trustee shall mail notice of the substitution of Investment Securities to the Holders of the Bonds.

5. If the Bonds are rated by Moody's Investors Service, Inc. and/or by Standard & Poor's Ratings Services, then the Authority shall give notice to the rating agency or agencies that rated the Bonds of any defeasance of all or any of the Bonds.

Section 1102. Unclaimed Funds. Anything in the Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for two years after the date when such Bonds have become due and payable, at their stated maturity dates, if such moneys were held by the Fiduciary at such date, or for two years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Fiduciary to the Authority, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds; provided, however, that before being required to make any such payment to the Authority the Fiduciary shall, at the

expense of the Authority, cause to be published at least twice, at an interval of not less than seven days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Authority.

Section 1103. Evidence of Signatures of Bondholders and Ownership of Bonds. 1.

Any request, consent, revocation of consent or other instrument which the Resolution may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any person of the Bonds shall be sufficient for any purpose of the Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Bondholder or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature, guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

(2) The amount of Bonds transferable by delivery held by any person executing any instrument as a Bondholder, the date of his holding such Bonds, and the numbers and other identification thereof, may be proved by a certificate, which need not be acknowledged or verified, in form satisfactory to the Trustee, executed by the Trustee or by a member of a financial firm or by an officer of a bank, trust company, insurance company, or financial corporation or other depository wherever situated, showing at the date therein mentioned that such person exhibited to such member or officer or had on deposit with such depository the Bonds described in such certificate. Such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or depository with respect to Bonds owned by it, if acceptable to the Trustee. In addition to the foregoing provisions, the Trustee may from time to time make such reasonable regulations as it may deem advisable permitting other proof of holding of Bonds transferable by delivery.

2. The ownership of Bonds registered otherwise than to bearer and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

3. Any request or consent by the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Authority or any Fiduciary in accordance therewith.

Section 1104. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest or principal due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

Section 1105. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of the Resolution shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Authority, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

Section 1106. Parties Interested Herein. Nothing in the Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the Authority, the Fiduciaries and the Holders of the Bonds, any right, remedy or claim under or by reason of the Resolution or any covenant, condition or stipulation thereof; and all the covenants, stipulations, promises and agreements in the Resolution contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the Fiduciaries and the Holders of the Bonds.

Section 1107. No Recourse on the Bonds. No recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on the Resolution against any member or officer of the Authority or any person executing the Bonds.

Section 1108. Publication of Notice; Suspension of Publication. 1. Any publication to be made under the provisions of the Resolution in successive weeks or on successive dates may be made in each instance upon any business day of the week and need not be made in the same Authorized Newspaper for any or all of the successive publications but may be made in a different Authorized Newspaper.

2. If, because of the temporary or permanent suspension of the publication or general circulation of any Authorized Newspaper or for any other reason, it is impossible or impractical to publish any notice pursuant to the Resolution in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Trustee shall constitute a sufficient publication of such notice.

Section 1109. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in the Resolution on the part of the Authority or any Fiduciary to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of the Resolution.

Section 1110. Holidays. Except with respect to the computation of a Record Date, if the date for making any payment or the last date for performance of any act or the exercising of any

right, as provided in the Resolution, shall be a legal holiday or a day on which banking institutions in the municipality in which is located the principal office of the Trustee or the operational office of the Authority are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in the Resolution, and no interest shall accrue for the period after such nominal date.

Section 1111. Notices and Demands. All notices, demands or other communications provided for in this Resolution shall be in writing and shall be delivered personally, or sent by certified or registered mail, to (i) the Municipality at the notice address set forth in Section 9.7 of the Lease, (ii) the Authority at the Hall of Records, 1 East Main Street, Freehold, New Jersey 07728, Attn: Chairman, (iii) the County at the Hall of Records, 1 East Main Street, Freehold, New Jersey 07728, Attn: Director of Finance, and (iv) the Trustee at 333 Thornall Street, 4th Floor, Edison, New Jersey 08837, Attn: Corporate Trust Department, or to such other representatives or addresses as the Authority, the Municipality, the County or the Trustee may from time to time designate by written notice to the parties hereto or beneficiaries hereof.
