NARRATIVE AND INFORMATION SECTION**

2025 AUTHORITY BUDGET MESSAGE & ANALYSIS

Monmouth County Improvement Authority

FISCAL YEAR: August 01, 2024 to July 31, 2025

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2025 proposed Annual Budget and make comparison to the Fiscal Year 2024 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

The MCIA budget for FY25 reflects an increase in total appropriations of \$4,250 or approximately 3.5%.

Effective with FY 2024 and continuing for FY 2025, the Authority has no employees.

Instead, the Authority reimburses the County an estimated \$50,000 for Administrative and Financial support services.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

The MCIA is a conduit financing entity and therefore does not have a Capital Program. The state of the local/regional economy will not affect the budget.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

It is expected that revenues will be sufficient to meet budgeted expenses; however, in the unlikely event actual revenues are insufficient to meet expenses, unrestricted net position will be utilized to balance the budget.

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

The MCIA and the County have operated under a Shared Service Agreement since 2009 for accounting and record keeping services. Additionally, since there is no longer an administrative employee of the Authority, the County will provide administrative support services as well as accounting services.

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

N/A

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report. How would these deficits be funded?

6. Attach a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) **if it has been changed since the prior year budget submission** and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in rate structure, **if applicable**. (If no changes to fees or rates, indicate answer as "**Rates Are Staying The Same**").

The MCIA charges a one-time upfront financing fee as the Local Finance Board recommended, at a rate of 0.125% of bonds issued. There will be no change to the rate structure for FY2025.
