As beautiful white holiday lights fill each street I pass, I recall the many bright moments of our 4-H year. There are many shining images that create lasting impressions. 4-H alumni returning to become 4-H club leaders....4-H parents offering to volunteer as a way of “giving back” and saying thanks for the confidence 4-H has instilled in their children...4-H’ers engaged in community service projects which help the needy in Monmouth County find hope....youth finding in 4-H a new place of belonging from which to grow to their potential.... teachers grateful to 4-H for tapping new avenues of expression in their students....4-H’ers achieving new found confidence in public speaking through 4-H public presentations...4-H families choosing to spend their vacation time volunteering at the county fair....social workers acknowledging positive changes in their young clients as a result of 4-H participation...These and so many more bright reflections of 4-H fill memories of 2008.

Thank you to all those who have made 2008 a shining 4-H year. May 2009 be filled with much happiness and contentment. And throughout this new year may you be guided by the knowledge that our youth and the communities are all the better for your role in Monmouth County 4-H. Happy new year!

THUNDERHOOFS

By: Nyna McKittrick, Leader

The Thunderhoofs are off to a good start with our community service projects. We have been getting a great response to Melissa's Treasure Chest Project with many generous donations. Thanks again to everyone who has taken the time to bring in things for the box. Last month someone kindly donated puzzles to the box, and this month we have quite a few stuffed animals.

Erin and Gabrielle put their donations into Melissa's Treasure Chest Box.

Some of the donations for the SPCA Eatontown.

The club donated snack bags to The Center, and we have been collecting items for the SPCA in Eatontown.

At our November meeting we had a guest speaker of Ms. Ellen Williams. Ms. Williams presented a wonderful program that used many of our club's favorite things: hands on art, story telling and presentations. We had a great time learning a new way to offer information through story telling.

The program started with club members deciding on a general theme that they wanted to use. Then they made puppets out of paper bags. Next they created a story using their puppets as the main characters. We had the zoo keeper from Central Park with "George" the monkey in one skit. Another skit featured two cows and a pig that had to learn to get along better with each other. The last skit was about a black stallion and a dog and their adventures. We had time to see two of the plays and an interesting discussion time as we talked about the skits and the lessons learned from them. We decided to continue the program in December at our Party Meeting.

Gabrielle and Erin presenting their play

At our December meeting we will decide on our fair booth theme, and enjoy our 6th year of "Pass the Presents". We will also be having some special snacks like snowman treats and chocolate pretzels, plus some fun games and time to hang out.

We would like to wish everyone a Happy New Year !

CURRY COMBS

By: David Sagui, Leader

The Perfect Day – The Curry Combs held their first Annual Trail Ride and Picnic on Sunday October 26th. On this crisp, bright, colorful autumn morning we gathered at Hanson’s Horse Feather’s Ranch in Freehold. Ten riders saddled up and headed out for a two and half hour trail ride. While the riders enjoyed exploring the fall scenery in Turkey Swamp Park, other members spent the morning doing crafts, playing tag, and grooming and riding the ponies around the ranch as parents watched, chatted and helped to prepare the feast. When our fearless trail blazers returned and cared for their horses, we enjoyed a sumptuous repast and then spent more time with the horses, tooling around the ranch bareback, trading mounts with friends, older members teaching younger ones and everyone (including the dog) having a chance to ride. The fun continued with a scavenger hunt for treats in the woods and dipping apples in gooey caramel. The camp fire did not work out too well (all the wood being wet from the storm the previous evening), but even the horses got in on the fun with a bobbing for apples contest just for them (Apache was the champ!). Of course the day would not have been a success without the contribution of all the parents, but special thanks need to go to Herb Hansen, Bill Teller, Denise Moran and of course Marie Shoemaker for organizing this amazing event. Horses and ponies, friends old and new, chili and corn pudding, wild turkeys and cows all on a gorgeous day, what else could be wanting!

S.W.A.P.

By: Susan McLoughlin, Club Leader

We had our annual Christmas Gingerbread House Making Pizza Party on December 5th. Everyone makes the gingerbread house of their own design using graham crackers, home made cement, and all different types of candies. It is time to think out of the box — all houses go, including those with swimming pools and cabanas. Afterwards, we have a pizza party with a grab bag. This meeting was so much fun.

Hannah designs her house.

Johanna and Ashley work on their houses.

All the girls with their houses. From left to right: Ashley, Amanda, Monica, Sara, Patricia, Hannah, and Johanna.

We have two dates planned for community service in December. We will be helping at Lunch Break again this year, a soup kitchen for the poor and needy that serves wonderful fresh food and not just soup. We will be serving the lunch on December 15th. It is humbling to serve those in need. We will be going back on December 30th early in the morning to help prep the lunch. Our projects in the kitchen have helped prepare us for this work.

FREE SPIRIT GOAT CLUB

By: Carly Eidman

In the last few months the Free Spirit Goat Club has done many fun things. For our November meeting we brought our goats to Turkey Swamp for a goat walk. Everyone thought that it would be more of a goat “drag” but it turned out that the goats had a fabulous time together and walked with ease. They were so excited to get out of their pens and go on an adventure, that they were running and playing with each other. It was so much fun to see our “kids” enjoy their day out.

In the beginning of December, we had a meeting and made goat treats to help us train our goats for the Monmouth County Fair. It was a fun experience because all members, no matter what age, could participate and the goats really enjoyed them. I hope to make them again with the club some time soon! This is a great start and I know we will have an amazing year!

NATURE'S NAVIGATORS

By: John Redding, Reporter

Nature's Navigators at their November meeting experimenting with "Dry Ice & Dawn".

In our November meeting we had some more new members. The meeting was called to order and adjourned as usual. Afterward, the activities were a continuation of science experiments. We all enjoyed the experiments, two (2) of which involved dry ice. Some of our future plans may include birdhouse building and a hike later on in the year.

This December, the meeting activity was making Sputnik Christmas ornaments, along with pinecone ornaments as well. During this month we

have a lot to consider, such as changing the location of the campgrounds for our yearly camping trip in June. (We usually go to the Nomoco Campgrounds at Turkey Swamp Park.) We also need to decide which weekend to go camping; possibly a 3-day weekend, or if we will even camp in June this year. At the meeting a volunteer spoke to us about donating some of our time for a nice cause at the Senior Center.

December meeting of Nature's Navigators making ornaments from natural and recycled items.

Nature's Navigators is proving to be very busy now and in the near future.

14 CARROT RABBIT CLUB

By: Paul Yoncak

Our Thanksgiving project was to collect items for the S.P.C.A. and the Humane Society. Many club members brought items to our November and December meeting and the club voted to give each organization a donation from the club to help them out.

In December we welcomed Randy and Christie Martin as co-leaders to serve with Lorraine Yoncak our present leader. As the club has been growing in membership we look forward to having the help that the Martins can provide in leading our club. Our holiday gift exchange with the Write Family turned out to be much fun and our animals received some nice presents.

We are looking forward to a busy 2009 with the club. Our club level presentations will be given on January 26th so we are working on those now. Several members hope to attend 4-H Winter camp and go to the Somerset County Small Animal Show in February. We are interested in going to see the Harlem Globe Trotters as a club in March at Brookdale. Then we hope to visit a senior residence with our animals also in March.

Our club wishes the other clubs to have a fantastic 4-H year in 2009. Let's all "Make the Best Better!"

CONGRATULATIONS

2008 NATIONAL 4-H CONGRESS Youth Leadership Team

It is my pleasure to announce that Sarah Sakowski, a New Jersey National Congress delegate from Monmouth County has been selected to serve on the 2008 National 4-H Congress Youth Leadership Team. Sarah will be a vital part of what happens behind the scenes as well as on stage during this national event. She will not only have an opportunity to put her previous leadership experiences to use, it will also give her a whole new appreciation for how national 4-H events operate.

HORSE BOWL TEAM

New Jersey Horse Bowl team was fifth place out of 23 teams! Congratulations to Christin Sagui who represented Monmouth County.

THANK YOU

MUCH THANKS TO 4-H ASSOCIATION OFFICERS FOR OUTSTANDING SERVICE

As the 2008 year comes to an end, we extend our deepest thanks to the Monmouth County 4-H Association's outgoing officers:

Meg Whitehouse	President
Ann Grega and Robin Bloom	Vice Presidents
Stella Almeida	Secretary
Swapan Chattodphay	Treasurer

These individuals have given selflessly of themselves for the betterment of the 4-H program and the youth we serve. They have devoted countless hours to the Monmouth County 4-H program and their service is deeply appreciated.

CHRISTMAS TREES

By: Alex Kubiak, Garden Ambassador

Want to know what to do with a real Christmas tree after Christmas? Well don't throw it away. Here are some things you can do with the tree.

Coasters: You've seen them before—those round, thin slabs of wood some folks have for coasters. They're super easy to make yourself with a hack saw. Just make certain you use a new blade for best results. After you've cut your slabs, sand them a bit and then coat with a thin layer of white glue (this keeps the sap off your glassware and table surfaces).

Fire Starter Bundles: With a pair of old tree/bush pruners, cut one foot lengths from the branches, leaving the needles on them. Tie about 6-8 of the trimmings in a bundle, around the center, with cotton string. Piled in a pretty basket, these useful fire starters look gorgeous!

Make Potpourri: Combine a couple of cups of the needles with whatever you have around the house: small pine cones; old potpourri; dried flower petals; old herbs/spices from the kitchen. Add a teaspoon of your favorite flavoring extract or 15-20 drops of your favorite essential oil(s). If you don't have those but do have some old cologne or perfume sitting around, use that. Mix everything up very well and pour into a pretty bowl or dish.

Critter Sanctuary: If you have the land and don't have outdoor cats, why not take your spent tree to a secluded spot on your property for birds and other small, wild critters? If you've made popcorn and/or cranberry garlands for your tree, you can leave them right on there for an extra-special critter treat!

Outdoor Window Box/Planter Filler: The trimmed branches from your Christmas tree are wonderful for filling outdoor window boxes and planters. Let the size of the containers determine the lengths of the branches. Or spread the branches around tender perennials to protect them from winter.

There are many more things you can do with the Christmas trees besides throwing them out. All you have to do is use a little imagination.

4-H CLUBS UTILIZE FREEHOLD ROTARY FUNDING FOR COMMUNITY SERVICE PROJECTS

As a result of a \$500 Freehold Rotary donation to 4-H, clubs have initiated community service projects with this new funding. Issues of our newsletter will feature these club's activities. In this newsletter issue, the Knitting for the Needy project is highlighted. This project was initiated by the 4-H Health and Service Club at Allied Health and Science High School.

ROTARY CLUB 4-H CITIZENSHIP PROJECT

Name of Project: Knitting for the Needy
4-H Club: 4-H Health and Service Club at Allied Health & Science High School
4-H Club Leader: Joan Lynch
4-H Club President: Tina Chou
Project Completion Date: 12/19/08

Description of Project: To have 4-H students teach knitting skills to other 4-H students to enable them to create scarves and blankets for the needy. Expected delivery date will be 12/19/08 to the Jersey Shore Pediatric Clinic and the A Team (clinic for persons with HIV).

In this struggling economic time 4-H has committed to helping with some of the basic needs of life such as food, and clothing for warmth. The scarves will meet the needs of various size persons and can be used to cover the head and ears as well. Each scarf will be made with compassion and sent with an intention of a wish for good health.

Open to all members of 4-H: Leaders Tina Chou and Alexa Bogstahl.

Testimonials:

Sindhoori Nala: 12th grade- "Learning to knit with the knifty nitters has really helped me. I have made many hats and scarves from it. I really enjoy knitting because it is not only relaxing and therapeutic, but it also makes me feel like I have made a difference in the community when I donate them to charity. I think Allied Health and 4-H is doing a great job teaching students to knit and should continue to emphasize the importance of it."

Emily De Marco: 11th grade- "Knitting is a great way to connect with people. Friends can socialize while working on knitting projects and the people who receive our work really appreciate the effort of handmade donations."

Alexa Bogstahl: 12th grade- "Knitting for others is a simple task that can greatly impact the recipient of the gift as the creator. I enjoy knitting scarves for people who truly need them. It makes me feel as if I am making a difference and really helping someone out."

ASBURY PARK HIGH SCHOOL STUDENTS PARTICIPATE IN 4-H HEALTHY LIFESTYLES PROGRAM FOR NEW JERSEY PEDIATRIC COUNCIL ON RESEARCH AND EDUCATION

On November 6th and November 19th, the SPOT Express, a group of Asbury park High School Students, performed songs and dramatizations for the New Jersey Pediatric Council on Research and Education (NJPCORE) vaccination awareness conferences in Burlington and Somerset counties. The audience consisted of over 600 physicians and nurses in New Jersey. The presentation promoted understanding of how teens perceive the medical information they receive and encouraged medical staff to develop new ways of communicating with youth. The SPOT Express developed out of a 4-H Creative Writing program conducted at the SPOT, Asbury Park High School's School Based Youth Services Program. Ellen Williams, 4-H Agent conducts the 4-H creative writing program and directed the performance.

GREAT BACKYARD BIRD COUNT 2009 NEEDS YOU!

Bird and nature fans throughout North America are invited to join tens of thousands of everyday bird watchers for the 12th Annual Great Backyard Bird Count (GBBC), February 13-16, 2009.

A joint project of the Cornell Lab of Ornithology and the National Audubon Society, this free event is an opportunity for families, students, and people of all ages to discover the wonders of nature in backyards, schoolyards, and local parks, and, at the same time, make an important contribution to conservation. Participants count birds and report their sightings online at www.birdcount.org.

Anyone can take part, from novice bird watchers to experts, by counting birds for as little as 15 minutes (or as long as they wish) on one or more days of the event and reporting their sightings online at www.birdcount.org. Participants can also explore what birds others are finding in their backyards-whether in their own neighborhood or thousands of miles away. Additional online resources include tips to help identify birds, a photo gallery, and special materials for educators.

The data these “citizens scientists” collect helps researchers understand bird population trends, information that is critical for effective conservation. Their efforts enable everyone to see what would otherwise be impossible: a comprehensive picture of where birds are in late winter and how their numbers and distribution compare with previous years. In 2008, participants submitted more than 85,000 checklists.

Want to get out of the house? Join Monmouth County Audubon Society as we participate in this great event at the Manasquan Reservoir Environmental Center in Howell. We will be there all four days counting the birds, and our totals will be recorded on a “tote board” by the observation window. If you get tired of counting at home, feel free to join us for an hour, or an afternoon.

“The GBBC has become a vital link in the arsenal of continent-wide bird-monitoring projects,” said Cornell Lab of Ornithology director, John Fitzpatrick. “With more than a decade of data now in hand, the GBBC has documented the fine-grained details of late-winter bird distributions better than any project in history, including some truly striking changes just over the past decade.”

Each year, in addition to entering their tallies, participants submit thousands of digital images for the GBBC photo contest. Many are featured in the popular online gallery. Participants in the 2009 count are also invited to upload their bird videos to YouTube; some will also be featured on the GBBC web site. Visit www.birdcount.org to learn more.

The Great Backyard Bird Count is made possible, in part, by support from Wild Birds Unlimited.

****Paws 4 A Cause Service Project****

~Please help the Texas flood victims~

Although there is nothing currently in the media, the devastation left behind by hurricane Ike will be felt for many years to come. The people who once had lives, homes and family in the flooded areas are now living in tents, trailers, etc with nothing left.

 **We can make a difference!** 

Hygiene kits desperately needed to distribute to displaced people currently living in shelters in Texas. Included in the hygiene kits are:

- 1-Hand towel (approx. 16" x 28"; no fingertip or bath towels)
- 1-Washcloth
- 1-Wide Tooth comb
- 1-Nail Clipper (no metal files or emery boards)
- 1-Bar of soap (bath size in original wrapper)
- 1-Toothbrush (in original package)
- 6-Bandaids

Your club is welcome to join the Paws 4 A Cause Club in either donating preassembled Hygiene Kits or donating items needed to prepare the kits.

**Please contact Donna Peles, Assistant Leader
with questions, comments or ideas!**

**S.E.T Your Mind to 4-H
South Jersey Teen Conference
March 13, 14 and 15, 2009
Quality Inn/Grand Versailles in Maple Shade**

Open to 8th to 13th graders

South Jersey Teens will look to the future, exploring Science, Engineering and Technology. Friday night meet the candidates for South Jersey Representative and get acquainted with the other teens. Saturday you'll participate in workshops, a grand luncheon, then off to an indoor water park for the rest of the afternoon. Saturday evening is sure to be a treat. Sunday morning we'll enjoy a memorable breakfast along with special guests that will inspire us. Sadly the conference will end by 11 am and everyone will be off to reflect and share new ideas with other members back in your county.

**Don't be left out, plan to attend.
So mark your calendar and look for the registration
information in January.**

SKILL-A-THON

Multi-Project ADVENTURE

Where: Hunterdon County Extension Office Bldg 1

When: Sunday February 15, 2009

Snowdate – February 22, 2009

Time: 2:00 to 5:00 p.m.

Cost: It's FREE!

So what is a Skill-a-thon Multi Project Adventure? At the event there will be a large room filled with activity stations. Each station will test your knowledge on topic related to a 4-H project. So you may have chance to identify various breeds of sheep. At another station you may have to identify the tools in a sewing box. The stations will represent a wide range of 4-H projects. There will be something to pique everyone's interest and knowledge. You can even bring your own station to challenge the group. More details about that will come out soon.

At the end of the day, you will have met 4-H members from across New Jersey and learned a lot more about what 4-H has to offer.

ALUMNI NEWS

By: Lorraine Yoncak

The Monmouth County 4-H Alumni had a wonderful covered dish dinner on the evening of December 6th. We honored Meg Whitehouse as our Alumni of the Year for 2009. Meg, as a youth, was a 4-H'er here in Monmouth County with the Jumping Brook Riders. She has been a leader of many clubs including the Thunderhoofs and now the Animal Science Club. She has served for several years as the President of the Monmouth County Leaders Association and is an advisor for both the horse clubs and small animal committees on the county and state levels. Meg shows all the qualities of an exemplary volunteer and 4-H alumni.

The Louise & Alex Basista scholarship was granted to Leigh Whitehouse, Meg's daughter. Leigh is attending the Rutgers School of Engineering with a major in Civil and Environmental Engineering. She had been in 4-H for thirteen years and continues to help out with the program while at school.

Sarah Sakowski, a 4-H member of one of Meg's clubs, was granted the Francis Arbaczwski Memorial Scholarship. Sarah is attending Brookdale Community College and has been a 4-H member for thirteen years. She has been volunteering in the 4-H office for the past two summers helping to "Make the Best Better."

We elected new officers for 2009 and are happy to present our slate. Past President—Marilyn Kothe; President—Debbie McCandless; Vice Presidents—Courtney Augustin and Chuck Wojtaszek; Secretary—Jillian Augustin; and Treasurer—Lorraine Yoncak.

Our next meeting will be on Tuesday February 24th at 7:00 PM at the 4-H office. Please join us to share in planning a year of events for all past 4-H members, leaders and volunteers.

Lorraine Yoncak presenting Leigh Whitehouse with the Louise & Alex Basista scholarship and presenting Meg Whitehouse with the Alumni of the Year award for 2009. Congratulations to both of you.

Lorraine granting the Arbaczwski scholarship to Sarah Sakowski. Congratulations Sarah!

The Monmouth County Alumni wish you and yours the Very Happiest of Holiday Seasons and Best Wishes for the 2009 4-H Year.
