2015 Holiday Shopping Directory

The 2015 Local Holiday Shopping Guide has more than 150 Monmouth County-based businesses that have products that are perfect for seasonal gift-giving and making your home or office ready for holiday entertaining.

All of the products and services are part of a larger initiative that culminates with an annual 'Made in Monmouth' Expo in the Spring that showcases many more products exclusively produced in Monmouth County.

'Made in Monmouth' is a free event for both vendors and visitors; its purpose is to encourage people to shop local. This Guide is provided to you and the vendors at no charge. When you visit or communicate with any of the vendors, please let them know that you saw their information and products in this Local Holiday Shopping Guide.

Made in Monmouth is organized by the Grow Monmouth team within the County's Division of Economic Development. Grow Monmouth officials meet regularly with business, civic and government leaders to provide state-of-the-art economic development services. It has become a major public-private project to create and preserve jobs in Monmouth County.

To find out more about Grow Monmouth or Made In Monmouth, contact Economic Development at 732-431-7470.

In the meantime, remember to Shop Local this holiday season!
