## Made in Monmouth Vendor Directory

Take a moment and look through this directory to see some of the tremendous variety, quality, and originality of our Monmouth County makers.

'Made in Monmouth' is a free event for both vendors and visitors; its purpose is to encourage people to shop local. This guide, as well as all Made in Monmouth programs, is provided to you and the vendors at no charge. When you visit or communicate with any of the vendors, please let them know that you saw their information and products in this Vendor Directory. Many of our Made in Monmouth vendors have store front locations and they are indicated in the directory with an address. Make sure you check their websites for days and hours of operation.

Made in Monmouth is sponsored by the Monmouth County Board of Chosen Freeholders and organized by the County's Division of Economic Development. The County has several initiatives designed to help retain and grow Monmouth County's vibrant economic base.

If you are interested in finding out more about the programs that Monmouth County has to offer, please contact the County Division of Economic Development at 732-431-7470, or via email at [econdev@co.monmouth.nj.us](mailto:econdev@co.monmouth.nj.us).
