

Made in Monmouth

Made in Monmouth is a program designed to promote businesses that make a consumer product in Monmouth County while providing assistance to help these businesses grow.

Since 2012, the Division of Economic Development has held an annual spring Made in Monmouth Expo at Monmouth University to showcase products produced in Monmouth County. The event is free for shoppers and vendors.

Find more information at www.madeinmonmouth.com or find us on Facebook & Instagram.

Business Advocacy

The Division of Economic Development offers business advocacy services to assist companies as they interact with various levels of government on issues that impact their businesses. If you need help navigating red tape, give us a call, 732-431-7470. We can help with:

- Federal, state and local issues
- Regulatory compliance issues
- Assistance navigating government programs

Monmouth County Division of Economic Development

A program of the Monmouth County
Board of County Commissioners

Grow Your Business in Monmouth County

Grow Monmouth is an initiative by the Monmouth County Board of County Commissioners to ensure the economic health of Monmouth County through the development of partnerships with the business community, municipal, state and federal governments, academia, and community organizations.

Monmouth County is the Place You Want To Be!

- Well-educated workforce
- 53 miles of coastline
- High ranking public high schools
- 8 "Blue Ribbon" schools
- Nationally ranked public golf courses
- Nationally recognized and accredited Park System

BUSINESS SOLUTIONS

Business Building Toolkit

The Monmouth County Division of Economic Development has developed a Business Building Toolkit consisting of free tools to help you grow your business:

- Economic Opportunity Mapping - detailed demographic and competitive information by area or drive time
- Marketing Lists - business to business or business to consumer
- Research Tools

Business Financing & Incentive Programs

We work closely with federal, state and local business resource partners to identify business needs, including financing and business incentive programs:

- NJ EDA Business Assistance Programs
- SBA Loans and Assistance
- Small Business Development Center Resources
- Assistance with regulatory and project coordination
- Employee training programs

Grow in Monmouth

The Grown in Monmouth initiative is designed to help retain and grow our county's agriculture industry. Grown in Monmouth identifies new markets, connect growers with consumers and develops a preference for Monmouth County grown products while providing business skills assistance to our agricultural community.

Grown in Monmouth connects growers and consumers through the Grown in Monmouth website, www.growninmonmouth.com and on Facebook & Instagram.

Facade Improvement Program

Businesses in HUD eligible areas can apply for a grant of up to \$1,850 for a facade upgrade such as a new awning, paint, door or sign. To learn if your business is in an eligible area, please call our office at 732-431-7470. There are no matching funds required, and the total project cost cannot exceed \$1,850.
