*Made in Monmouth
is a program sponsored by the
Monmouth County Board of Chosen
Freeholders*

Holiday Shopping Directory

We hope you find this Made in Monmouth Holiday Shopping Directory a helpful tool for your holiday preparations. You will find information about the 70+ Made in Monmouth vendors who are participating in the Holiday Mini Made in Monmouth. These vendors, your Monmouth County neighbors, make products that are diverse as beautiful paintings, pottery and candles to hot sauce, wine and chocolates. And don't overlook handcrafted jewelry and woodworking! There is something for everyone in this guide, whether you are shopping for a family member, a friend, or for items to make your home festive and beautiful!

Did you know that when you shop local, most of the money you spend stays in your community? In fact, according to Entrepreneur Magazine, nearly twice as much of the money spent stays local when you buy from local vendors and shops. <https://www.entrepreneur.com/article/227551>

This directory includes businesses that have on-line stores and traditional stores. Make sure that you check their website or call for up to date shop hours when planning a visit to a local store. And, when you visit-- in person or online-- and speak with any of the vendors, please let them know that you saw their information and products in the Made in Monmouth Holiday Shopping Directory.

We are working to finalize the date for the 2019 Made in Monmouth at Monmouth University's Ocean First Bank Center. Follow Made in Monmouth on Facebook for up to date information about the program.

Made in Monmouth is a program of the Monmouth County Board of Chosen Freeholders organized by the Division of Economic Development as part of the Grow Monmouth initiative. Any Monmouth County business that makes a consumer product or anyone who is looking for more information about Made in Monmouth or other business building programs available through Grow Monmouth, including Grown in Monmouth, is invited to contact the County's Division of Economic Development at 732-431-7470 or email us at econdev@co.monmouth.nj.us
