Complete requirements #1-#5 with Historic Longstreet Farm's staff and old-fashioned hand tools – then we will provide materials and guidance to get you started on your project for the final requirement.

The merit badge states you must complete the project on your own; but if you need some extra advice, or the use of a particular tool, you may drop in during a subsequent class at no additional charge.

Badges to be awarded by your troop, return your blue card to your Scoutmaster after the class, and show him your project when completed.

Bring with you: Bag lunch and water bottle
Work gloves
Blue card signed by your Scoutmaster
