Off-Leash Dog Area

This year-round, 4.5 acre pet-friendly feature opened in 2009. It provides a separate area for dogs <35 lbs., concrete patios with sheltered picnic tables, dog waste bags and garbage cans, and portable toilets nearby. There is currently no water source for pets or owners. Off-Leash Dog Area Guidelines are posted onsite and are available on our website.

Disc Golf Course

This 18-hole course opened in 2015. Much like traditional golf, players throw a flying disc from a paver brick “tee” pad toward an elevated metal basket at the end of the fairway. Enjoy this course for free! Bring your own disc. Scorecards are available at the first tee and our website.

Softball Field Rules

Two unlit softball fields are available for rental, official games only (no practices). Call 848-456-4278, ext.1 for reservations. Please visit our website to learn more about Athletic Field Rentals.

Please Note:

Trails may be slippery due to seasonal conditions.
 Pets must be leashed at all times (outside of designated Off-Leash area)
