Welcome to Holmdel Park

Holmdel Park is one of Monmouth County’s most popular sites with facilities for year-round recreation. Acquired by the Park System in 1962, Holmdel Park expanded to 565 acres in 2001 with the addition of the 227-acre Ramanessin Section made possible with funding from the County Open Space Trust Fund, Holmdel Township and the NJ Infrastructure Trust.

Group Picnic Shelters

Holmdel Park has two large group picnic shelters with grills (up to 125 people), available by reservation for a fee.

Pond View Shelter Building

Take shade from the summer sun, or warm up by the fire during winter. There are vending machines and picnic table seating. The shelter building is available for rental, evenings only 4/15-11/15, up to 50 people.

Visit www.monmouthcountyparks.com to view these rental sites and check prices. For reservations, please call 732-842-4000, ext. 1.

Tennis

Four tennis courts at the Hilltop Area are available on a first come, first served basis.

Winter Activities

Skate on the pond, sled on the hill or cross-country ski through snow-covered fields. But first, please call 732-842-4000 to check weather conditions.

Protect Your Parks

The Park System preserves and manages natural and cultural resources on more than 16,000 acres of land in Monmouth County. Protecting water quality, eliminating invasive plant species, and promoting healthy wildlife habitats are just a few objectives. Please help protect the park by leaving flowers, plants, animals, and other features as you found them; adhering to posted park rules; using designated containers for trash, recyclables and pet waste; and keeping your pets on a leash. Alcoholic beverages are not permitted.

An overabundance of white-tailed deer in and around this park is threatening the health of native plant and animal species. Portions of the Ramanessin Section may be open for deer hunting during all or some of the State-regulated hunting season. All hunting areas are clearly posted. Call 732-842-4000, ext. 4237 or visit www.monmouthcountyparks.com for more information.

Park Hours

Holmdel Park is open every day of the year from 7 a.m. to dusk, free of charge. Uniformed Park Rangers are available to assist you.

Information About Lyme Disease

To avoid contact with the deer tick that may carry Lyme Disease, stay away from tall grass and shrubby areas, wear light-colored clothes, tuck long pants into socks, and check yourself for ticks during and after each visit to the park.
