NOTE: Each person boating on the reservoir must wear a US Coast Guard approved, type I, II, III, or IV hybrid personal flotation device.

Children under 14 must be accompanied by an adult. NJ State boating laws and Park System rules and regulations are posted.

Trails

When using the trails please plan your route, take a trail map with you and wear appropriate safety gear. Stay on marked trails and avoid entering unmarked wetland areas—they are designated wildlife habitats. Most trails in the Monmouth County Park System are open to walkers, runners, hikers, bicyclists and equestrians. Please obey the rules of protocol for yielding right of way.

Trail Key

- 🌿 **Cove Trail:** This 1.1 mile (1.8 km) scenic nature trail explores the lakeshore around the Environmental Center. Pedestrians only.
- **Perimeter Trail:** This scenic, 5.1-mile (8.3 km), multi-use trail loops all the way around the reservoir. It has a fairly even, well-maintained natural surface but has been designated as a MODERATE trail due to its length. Mileposts are marked on the map.

Trail Standards

- **Easy:** short, well-maintained trails intended for casual walking
- **Moderate:** longer trails with some grades/obstructions; intended for hikers, equestrians and all-terrain bicyclists; may also be suitable for some walkers and runners
- ◆ **Challenging:** long, more primitive trails with steep grades/obstructions; intended for highly experienced hikers, equestrians and all-terrain bicyclists
- 🌿 **Nature:** walking trail for viewing plants, wildlife and environmental features

NOTE: It takes approximately 20 minutes to walk 1 mile (1.6 km) at a brisk pace.
