Held at the Henry Hudson Activity Center, 945 Route 36, Leonardo

According to [consumer.ftc.gov](http://consumer.ftc.gov), identity theft occurs when someone steals your personal information and uses it without your permission. It's a serious crime that can wreak havoc with your finances, credit history and reputation—it can take time, money and patience to correct. Join us to learn how to prevent identity theft and what to do should you become a victim.
