

MONMOUTH COUNTY PARK SYSTEM CREATIVE ARTS CENTER CAMPS THOMPSON PARK, LINCROFT & OTHER PARK SYSTEM LOCATIONS

Welcome to the Creative Arts Center for activities and fun! Each day we will explore the world of art, enjoy various crafts and learn about different art forms. Here are a few things to know to help you enjoy your camp.

1. Please wear sneakers to camp. Do not wear flip-flops, crocs, sandals or any open-toed shoes. Without proper footwear, you will not be able to participate in most activities.
2. Please dress for the weather - class is held indoors (although we do go outside for lunch if the weather permits) Please wear sunscreen and a hat to protect you from the sun.
3. Please bring a face mask/face covering which must be worn when arriving/departing from camp, in common areas in buildings, and when social distancing cannot be maintained.
4. Please bring a smock or an old shirt to cover your clothes during painting projects.
5. Please provide a snack and drink for half day camps. If attending a full day provide lunch, snack and an additional beverage.

Parents please note,

Camps will begin and end promptly at the stated times. Each day you must walk your child into the building and sign them in and out of camp. If an adult other than yourself will be picking up your child, please be sure to list them on the Participant Information Sheet. Please be sure to have your ID available you may be required to provide it to staff.

Before and after care may be available for some camps. Please contact the person below for additional information.

If you have any questions, please contact Barbara Zarella at (732) 842-4000 ext 4253 or bzarella@monmouthcountyparks.com.
