

MONMOUTH COUNTY PARK SYSTEM

RECASSIST FOR GROUPS

2025 ACTIVITY LISTING

MonmouthCountyParks.com

Who We Are

The Monmouth County Park System was established in 1960 when 24 acres of land left over from the construction of the Garden State Parkway were used to create Shark River Park. We have been growing ever since. Today, we manage 43 park areas that include forests, wetland/marine habitats, golf courses, historic sites, recreation areas and conservation sites. One of our long-term goals is to preserve a minimum of 20,000 acres of public open space. Along with securing land for future generations, we also offer more than 5,000 programs, camps, activities and events each year.

What We Do

The Monmouth County Park System is proud to offer many opportunities for school, community, scout and other groups. Our group programming creates opportunities to develop leadership skills, participate in team building, and enhance critical thinking. We strive to assist people of all ages and abilities to develop a deeper appreciation of recreation and the natural world. We invite you to take advantage of the programs listed here to help achieve our common goal of teaching the value of recreation and our natural resources.

For more information, please visit www.MonmouthCountyParks.com and click on Community Recreation under Activities.

Our Mission

To provide all county residents the opportunity to participate in Monmouth County Park System recreation programs and activities.

Philosophy:

The Monmouth County Park System is committed to providing recreation for all Monmouth County citizens, regardless of their financial status. In order to make recreation services available to all county citizens, the Monmouth County Park System initiated RecAssist to meet the recreation needs of county residents who are unable to pay the established program fees.

Goals:

To provide safe, positive leisure experiences that contribute to an individual's overall growth and development and lead to a healthy and enriched life.

To evoke an appreciation of oneself, nature, outdoors and parks.

To learn lifetime skills that contribute to the recreation of an individual's body and mind.

Procedure:

RecAssist provides recreation services in non-curricular activities. It serves Monmouth County citizens of all ages through a contract with a certified non-profit agency or a governmental department that will attest to the economic status of the participants. The published prices of RecAssist activities in this booklet reflect a discount of 15-50% from the prices advertised to the general public. The certified participating agency is responsible for covering the program costs listed in this booklet.

Recreation On The Go

Welcome to RecAssist!

Parks and recreation programs strengthen connections across our communities. To ensure that these important resources are accessible to our residents, regardless of their ability to pay, the Monmouth County Park System implemented RecAssist for Groups. Through this initiative, we offer reduced rate recreational programs to economically disadvantaged county residents, through contracts with certified non-profit programs. This program provides organizations access to a wide variety of group programs that have been discounted up to 50%. Whether you are applying for the first time or are a returning agency that has participated for many years, the Monmouth County Park System looks forward to serving your organization through this innovative program.

How to Apply

1. Complete the RecAssist Agency Information Form. Be sure to list the names of ALL the individuals who will be coordinating programs with the Monmouth County Park System on behalf of your agency. Include their phone numbers (work & cell) and email address.
2. Complete the Program Agreement.
3. Complete the Transportation Assistance Application, if applicable.
4. Complete the Financial Assistance Application, if applicable.
5. Complete the Eligibility Affidavit and have it signed and sealed by a notary public.
6. Make copies for your agency. Mail the originals to:
*Community Recreation Division
Monmouth County Park System
805 Newman Springs Road
Lincroft, New Jersey 07738-1695*
7. By submitting these forms you agree to the \$25.00 registration fee.
8. These forms must be completed and **ON FILE** with the Monmouth County Park System before you call to reserve programs. You will receive confirmation that you are a certified RecAssist agency. We cannot accept faxed copies of these forms.
9. Please note: If you wish to add the names of others who are authorized to reserve programs for your agency after your forms are on file, please contact our office. If an individual's name is omitted, they will not be able to reserve programs. Please make sure your list is complete!
10. Now you are ready to reserve programs!

Reserving Programs

1. Read this book at your leisure. Mark the programs that are of interest to you.
2. Once you have found the program(s) you would like to reserve, email or phone the person directly responsible for scheduling the program. This information is listed with each specific Monmouth County Park System program.
3. Please refer to the Group Activity Reservation Planning Worksheet (Appendix A) and have the following information ready:
 - a. *program name*
 - b. *program location*
 - c. *date and time requested*
 - d. *group size*
 - e. *age of participants*
4. You will receive an email and/or verbal confirmation of the requested program at this time.
5. Then you will receive an emailed program receipt and confirmation from our Reservations Department.
6. If you reserve a program at Historic Longstreet Farm, you will receive an invoice that must be paid in advance of your program date. If this is not done, your farm program may be cancelled.
7. For all other programs, your invoice will be mailed for payment after your program has taken place.
8. If you have any questions or concerns about reserving programs, please call 732-834-9606, ext. 4#.

Summer Transportation Assistance

During the months of June, July and August, the Monmouth County Park System, with the assistance of the Friends of the Parks, is able to provide *limited* school bus transportation to programs booked at Monmouth County Park System locations. Summer Transportation Assistance is reserved for agencies that would not otherwise be able to take advantage of RecAssist.

In order to partake in the Summer Transportation Assistance, please make sure to fill out the Summer Transportation Assistance Application.

Minimum of 15 passengers/Maximum of up to 54 passengers.

We will try to honor as many requests as possible.

Early requests are advised. If you have any questions, please call 732-834-9606, ext. 1#.

GENERAL GUIDELINES

Reservations are made on a first call, first served basis.

Timeline for booking:

3-6 weeks  Ideal
1-2 weeks  Standard
4 days notice  Based on Availability

We cannot accommodate a bus request made less than 72 hours prior to your program.

CANCELLATION POLICY/PENALTY

If you need to cancel a bus, please call the transportation coordinator a minimum of 24 hours prior to your scheduled program.

A penalty fee of \$300.00 will be billed to your agency if less than 24 hours notice is given or if the bus is canceled on site.

TRANSPORTATION INFORMATION

Once reserved, it is your responsibility to review the weekly bus schedule and contact the transportation coordinator with any information that needs to be corrected. If you encounter any issues with a scheduled pick up, please call 732-834-9606 immediately and we will do our best to assist you and get your group to the scheduled program.

The bus company will not make any adjustments on the day of the program.

Financial Assistance

With the assistance of Friends of the Parks, the Monmouth County Park System is able to offer financial assistance for Park System programs on a limited basis. Financial assistance is reserved for agencies that would not otherwise be able to participate in programs.

GREAT ADDITION
FOR BLACK
HISTORY MONTH
AND JUNETEENTH
PROGRAMMING OR
EVENTS!

African Caribbean Dance

A very popular and exciting workshop with live drumming. Participants will learn traditional dance movements, songs and rhythms based on African and Caribbean folklore and music; the class will conclude with a jam session. Movements and rhythms are drawn from countries such as Senegal, Nigeria, Cuba, Puerto Rico, Brazil and more!

Yoga for Kids (and all ages)

Yoga for Kids involves all of the basic postures, stretching and toning used in regular yoga, but also includes yoga games and imagery especially for children, with an emphasis on having fun. Working out, relaxing, chanting, learning animal shapes, breathing and visualizing are all components for a kid's yoga experience.

Dramatic Expression

Explore the world of drama through techniques of improvisation, creative movement, dialogue and other dramatic exercises and games. Children have fun learning to feel comfortable expressing themselves through dialogue, movement and creative role playing.

Story Telling

An interactive workshop with stories drawn from around the world, with an emphasis on Africa and the Caribbean. The program will encourage audience participation through song, words and movement. Many of the stories have universal morals that may be discussed as part of the presentation.

ZUMBATOMIC - (Zumba for Kids)

Zumbatomic is fun and engaging for all kids. It draws on many sources of music including the latest in hip-hop and Latin beat. Steps are broken down slowly for the children to be able to follow. No experience is necessary. Children will dance and exercise at the same time, while having fun and being exposed to a wide variety of dance forms.

Multi Sensory Alternative Yoga

It involves invoking all the senses during your Yoga practice. Sight, sounds, smell play alongside your yoga. The sight part we use colored light to fill the room using different colors to evoke a mood and feelings through the practice. This all ties in with the music and the practice throughout the class to capture all senses, hence the name Multi-Sensory Yoga.

Alternative Yoga meaning gentle yoga with the support of a chair.

This practice works well for all ages.

Guided Affective Imagery Meditation

Guided imagery is increasingly recognized as a powerful therapeutic intervention with a robust evidence base in contemporary neuroscience.

Given that we now understand how imagined experience carves out neural pathways in the brain in the same way as real experience, this means positive imagery and multi-sensory visualization can be used to carve out new neural pathways that can help clients overcome debilitating conditions such as trauma, phobias, anxiety, and depression to help them heal and achieve their goals.

Chair Yoga

Incorporating a chair into your practice gives you choices about how to enter a pose and how to make it accessible for you. It offers the opportunity to explore a pose more deeply and find different dimensions of it. A chair can help maximize stability. With this kind of support, you may try a version of a pose you had previously ruled out.

Using a chair allows you the luxury of settling into a pose and enjoying the depth of the stretch while also maintaining safe alignment. From a chair, you can explore and unfold the possibilities many poses invite.

Yoga Nidra

Yoga Nidra, also known as yogic sleep. The unique meditation process is profoundly healing for the body, mind, and soul.

Yoga Nidra guides practitioners into a state of relaxation between the alpha and theta state. This allows us to lie in deep relaxation between waking and sleeping.

Through calming the nervous system, guided meditation deeply benefits the brain and body.

Yoga Nidra offers extensive benefits, yet it is one of the easiest yoga practices. All you have to do is put on your most comfortable clothes, find a quiet space, lie down in corpse pose and listen to the guided meditation.
