Exploring Parks Together

Time spent with family is time well spent.

For over 60 years the Monmouth County Park System has worked hard to offer beautiful places and spaces for citizens to enjoy. Park offer places to spend time together, space to recreate and destress, and the opportunity to easily create memories that last a lifetime, all things we need with the pandemic looming around us.

Whether you don't get to your Monmouth County parks often, or you're a frequent visitor, here are some ideas to get you out of the house together and enjoying the beautiful parks around us.

Go on a scavenger hunt. On the next page is a scavenger hunt for your family to explore the parks and work together. Check off your finds during your visit and submit your form for a chance to win a prize.

Games. Remember the games from your childhood? You don't need cards or balls or trinkets. Get a group together and play "Red Rover", "Red Light/Green Light" or "Hide & Seek".

Play in the sand. The Park System's waterfront locations are open year-round, so grab the sand toys and build a sandcastle or sculpture. It doesn't need to be summer to enjoy the shore.

Pack a picnic. Whether you use a picnic blanket or one of our picnic tables, the parks are a great place to enjoy lunch, dinner or a tasty snack. Check out our Pinterest page for ideas on healthy foods to pack for your picnic.

Sleep under the stars. Spring is upon us and that means the campgrounds at **Turkey Swamp Park**, Freehold, will be opening soon. From April 1-November 15 you can reserve a campsite to detach from the electronics and become more at one with nature.

Cloud shapes. When is the last time you laid on the grass or on a blanket and stared up at the sky? Using your imagination to discern the shapes in the clouds is fun at any age.

Watch for wildlife. Our parks offer habitats for many creatures, and it's exciting to see what you may spot while on a walk. With a bit of patience, you never know the beautiful creatures you'll see on your visit. Make a game of it and start writing down what you spot each visit until you reach 20 (or 30, or 40, or even 50!).

Fishing. Grab your poles and head to one of the Park System's lakes. Freshwater fishing is both relaxing and a great way to bond with your children. Just remember to obtain your Freshwater Fishing License for anglers 16 and over. And if it becomes your newest hobby you may want to consider entering one of our Freshwater Fishing Derbies, visit our website for details at www.MonmouthCountyParks.com.

No matter what family-fun activity you choose or what park site becomes your favorite, make it a point to spend more time together. We look forward to seeing you!

Head to the parks with your children this spring and summer and seek out the objects listed below. Find and check off 15 items on the list and fill out the form at the bottom and mail it to the following address by August 1, 2021:

Bricks 4 Kidz® Camp

(entering grades 1-4)

Each day at Bricks 4 Kidz® S.T.E.M summer camp, children learn, build and play exploring the principals of science, technology, engineering and mathematics. Our hands-on building program encourages collaboration and teamwork and also supports individual creativity. LEGO® technic motorized components offer young kids the next level of building they are looking for. Each child will take home crafts and a custom mini-figure on Friday. Campers use individual Bricks 4 Kidz® sanitized materials. Instructors and all camp supplies are provided by Bricks 4 Kidz®. Camp is held indoors.

Amusement Park Fun

During each session campers will build a different motorized amusement park ride. They learn that gears of different sizes operate at different speeds and that friction and non-friction influence movement. Counselors review the build of the day and how it operates to encourage understanding of early engineering. Basic brick demonstrations show how LEGO® master builders create stunning and sturdy creations. Campers learn stacked, overlap and stagger to build a ticket booth, entrance, retail store, snack bar and water park. Carnival-themed games add to the fun.

Odyssey Adventures Bike Requirements

For all camps involving biking, campers must have a properly fitted bicycle helmet that complies with U.S. CPSC Safety Standards for Bicycle Helmets for persons five and older. The CPSC label is located inside the helmet. Campers will not be permitted to wear helmets without this label.

- Campers must bring a properly fitted bicycle in good working condition that they are comfortable with and in control of when riding.
- Campers entering grades K-1, Odyssey Explorers, training wheels are acceptable.
- Campers entering grades 2-3, two-wheel bicycles are highly recommended.
- If your child is still on training wheels and you need assistance to get them onto two wheels before the start of camp, register them for *Bicycle Basics: Throw Away Those Training Wheels* or *"I Can Ride My Bike All By Myself!"*. These can be found in the spring and summer volumes of our Parks & Programs Guides.
- Campers entering 4th grade & up, we highly recommended, if not require (see specifics for each Odyssey), bicycles with gears. Bicycles have multiple gears so it's easier to go up hills and so you can go faster on level ground, thus allowing your child to keep up with the group.

If you have any questions or concerns, please contact Beverly Miller at 732-842-4000, ext. 4296.

Tee up with us! Private club conditions at public course prices make Monmouth County's 8 golf courses one of the best values around.

Protecting the Jersey Shore's rapidly diminishing open spaces and their natural resources is a priority for this waterfront site where shorebirds nest, anglers fish, and area residents love to bring their dogs.

^{*} Monmouth County Park System sites that are partially developed for use and offer limited facilities (parking lot, trails, portable toilets, etc.) at this time.
[†] Monmouth County Park System sites that are undeveloped for use and offer no facilities (parking lot, trails, restrooms, etc.) at this time.

Turkey Swamp Park

In addition to kayak, canoe and rowboat rentals on a quiet 17-acre lake, there are 4 playgrounds, 8 miles of trails, 64 family campsites, rental cabins and platform tent sites for large groups (40+) on this deeply wooded site.

- Federal/State park lands
- Open section of trail
- Closed/Future section of trail

SPUR

Special People United to Ride (SPUR) is a non-profit organization of local citizens established in 1981. Members assist the Park System in serving individuals with physical and mental disabilities through horseback riding lessons. Students work to improve self-esteem, social skills, balance, muscle tone, and posture as well as to process sensory messages.

A dedicated group of individuals works together to staff the Equestrian Center year round. Instructors are certified by the PATH International, the governing body of therapeutic horseback riding. In addition to the staff, over 100 volunteers help with programs every year. Caring, dedicated individuals are needed to work as volunteers. Minimum age to volunteer is 14.

For more information about SPUR, please call 732-224-1367, email spur@monmouthcountyparks.com, or visit www.spuronline.org.

FRIENDS of the Monmouth County Park System, Inc.

Formed in 1991, the *Friends of the Parks* is a non-profit charitable organization comprised of area citizens and businesses committed to the support of the Monmouth County Park System. In this day and age, when recreation funding must be stretched to meet the needs of a burgeoning population, membership dues, donations, and proceeds from special fundraisers furnish the financial assistance necessary to achieve a number of worthwhile goals.

Throughout beautiful Monmouth County, the Park System manages more than 30 parks, golf courses, recreation areas, historic sites, and stream valleys for your recreation and enjoyment. The *Friends* realize how important it is to protect and preserve the more than 15,000 acres of county parks and open space maintained by the Park System.

In events during the year, *Friends* meet and work with Park System staff and are able to share their views about the ways county parks can be improved and new programs developed.

The *Friends* can provide a new outlet for your creativity. Do you have special talents? Do you enjoy giving talks about your travels or areas of interest? With the contacts you make at the Friends of the Parks, you can find ways to share your interests with others. You can help the *Friends* support programs for the disadvantaged and encourage development of innovative activities.

Friends members receive publications such as the Park System Parks & Programs Guide and Green Heritage and enjoy borrowing privileges at the Deep Cut Gardens Horticultural Library. Members also receive discounts on many Friends events.

Join a circle of friends who share your interest in making Monmouth County a better place to live through the preservation of open space and the enhancement of county park facilities. Become a Friend of the Parks today. For an application form, call the Friends office at 732-975-9735 or download one at www.friendsofmonmouthcountyparks.com.

Monmouth Conservation Foundation (MCF) is the only county land trust dedicated to saving open space, creating parks, preserving farmland, protecting wildlife, and safeguarding waterways exclusively

in Monmouth. Since its founding in 1977, MCF has worked closely and collaboratively with the Monmouth County Park System and other municipalities to acquire and expand park lands and natural areas for the benefit public recreation and water quality.

As more farmland and open space are developed into residential communities or commercial properties, the unique character of our community may become compromised, and water quality and natural habitats will become threatened.

In response, MCF works with willing landowners to determine preservation options that best meet their needs and that of the community. Many options are available to both private landowners and municipalities in rural, suburban and urban areas to assist them in meeting their park, open space, farmland, and green space goals.

At the heart of MCF's mission is connecting people with nature, in the lands preserved and parks created, by offering programs and events. Kids for Conservation, Project Pollinator and other programs offer opportunities to families to be part of our work. We continually seek volunteers to assist us with our program offerings.

Donation and event proceeds are dedicated to the preservation of additional lands, and education and advocacy efforts to protect the environment. MCF is an integral nonprofit member of the NJ Keep It Green Campaign which insures plentiful state funding to continue land preservation and stewardship.

To learn more about our work and volunteer opportunities, please visit our website at www.monmouthconservation.org. MCF can also be reached by calling 732-671-7000 or emailing info@monmouthconservation.org.
