Law and order comes to Fort Monmouth. Crime solving meets summer camp as we investigate the crime scene looking for clues in between games and a daily swim session. After we decipher our Fort Monmouth Escape Room, campers will be split into groups to create their own room to challenge their counselors and other campers. Junior sleuths will develop their deduction, puzzle solving, and debate skills as we move from investigation to our own mock trial.

Summertime Fun at the Fort

Fort Monmouth Recreation Center, Tinton Falls

The camp kids keep asking to come back to! Caring and dedicated counselors lead children through fun-filled summer days of activity and exploration, with indoor and outdoor activities. Over each week campers will have the chance to be part games/sports players, part artists, part creators, and part swimmers. Weekly themes and coordinated activities keep things interesting for returning campers. Of course, we'll also have a daily dip in our swimming pool! Children are grouped by grade and we promote a social, cellphone-free week of summer fun.

Please Note: Participants must be able to attend to their own hygiene needs independently, including toileting, and able to stay with their assigned camp grade group during all camp activities.

ODYSSEY ADVENTURES BIKE REQUIREMENTS

For all camps involving biking, campers must have a properly fitted bicycle helmet that complies with U.S. CPSC Safety Standards for Bicycle Helmets for persons age five and older. The CPSC label is located inside the helmet. Campers will not be permitted to wear helmets without this label.

Campers must bring a properly fitted bicycle in good working condition that they are comfortable with and in control of when riding.

Campers entering grades K-1: Training wheels are acceptable.

Campers entering grades 2-3: Two-wheel bicycles are highly recommended. If your child is still on training wheels and you need assistance to get them onto two wheels before the start of camp, register them for *Bicycle Basics: Throw Away Those Training Wheels* or *"I Can Ride My Bike All By Myself!"* which can be found in the spring and summer volumes of our Parks & Program Guide.

Campers entering grades 4 & up: Two-wheel bicycles with shifting gears are required. Single gear bicycles and electric bikes will not be permitted. Bicycles have multiple gears so that it's easier to go up hills, and so you can go faster on level ground, thus allowing your child to keep up with the group.

If you have any questions or concerns, please contact Douglas Kalucki at 732-842-4000 ext. 4236.

Special People United to Ride (SPUR) is a non-profit organization of local citizens established in 1981. Members assist the Park System in serving individuals with physical and mental disabilities

through horseback riding lessons. Students work to improve self-esteem, social skills, balance, muscle tone, and posture as well as to process sensory messages.

A dedicated group of individuals works together to staff the Equestrian Center year round. Instructors are certified by the PATH International, the governing body of therapeutic horseback riding. In addition to the staff, over 100 volunteers help with programs every year. Caring, dedicated individuals are needed to work as volunteers. Minimum age to volunteer is 14.

For more information about SPUR, please call 732-224-1367, email spur@monmouthcountyparks.com, or visit www.spuronline.org.

Formed in 1991, the *Friends of the Parks* is a non-profit charitable organization comprised of area citizens and businesses committed to the support of the Monmouth County Park System. In this day and age, when recreation funding must be stretched to meet the needs of a burgeoning population, membership dues, donations, and proceeds from special fundraisers furnish the financial assistance necessary to achieve a number of worthwhile goals.

Throughout beautiful Monmouth County, the Park System manages more than 30 parks, golf courses, recreation areas, historic sites, and stream valleys for your recreation and enjoyment. The *Friends* realize how important it is to protect and preserve the more than 15,000 acres of county parks and open space maintained by the Park System.

In events during the year, *Friends* meet and work with Park System staff and are able to share their views about the ways county

parks can be improved and new programs developed. The *Friends* can provide a new outlet for your creativity. Do you have special talents? Do you enjoy giving talks about your travels or areas of interest? With the contacts you make at the Friends of the Parks, you can find ways to share your interests with others. You can help the *Friends* support programs for the disadvantaged and encourage development of innovative activities.

Friends members receive publications such as the Park System Parks & Programs Guide and Green Heritage and enjoy borrowing privileges at the Deep Cut Gardens Horticultural Library. Members also receive discounts on many Friends events.

Join a circle of friends who share your interest in making Monmouth County a better place to live through the preservation of open space and the enhancement of county park facilities. Become a Friend of the Parks today. For an application form, call the Friends office at 732-975-9735 or download one at www.friendsofmonmouthcountyparks.com.

Monmouth Conservation Foundation (MCF) is the only county land trust dedicated to saving open space, creating parks, preserving farmland, protecting wildlife, and safeguarding waterways exclusively in Monmouth.

Since its founding in 1977, MCF has worked closely and collaboratively with the Monmouth County Park System and other municipalities to acquire and expand park lands and natural areas for the benefit public recreation and water quality.

As more farmland and open space are developed into residential communities or commercial properties, the unique character of our community may become compromised, and water quality and natural habitats will become threatened.

In response, MCF works with willing landowners to determine preservation options that best meet their needs and that of the community. Many options are available to both private landowners and municipalities in rural, suburban and urban areas to assist them in meeting their park, open space, farmland, and green space goals.

At the heart of MCF's mission is connecting people with nature, in the lands preserved and parks created, by offering programs and events. Kids for Conservation, Project Pollinator and other programs offer opportunities to families to be part of our work. We continually seek volunteers to assist us with our program offerings.

Donation and event proceeds are dedicated to the preservation of additional lands, and education and advocacy efforts to protect the environment. MCF is an integral nonprofit member of the NJ Keep It Green Campaign which insures plentiful state funding to continue land preservation and stewardship.

To learn more about our work and volunteer opportunities, please visit our website at www.monmouthconservation.org. MCF can also be reached by calling 732-671-7000 or emailing info@monmouthconservation.org.

It is understood and agreed that park visitors and participants in Monmouth County Park System program, activities and events may have their names and pictures used, without fee, in broadcast, telecast, and print media accounts for promotional and publicity purposes. We invite you to reach out to us for modifications to make your experience most enjoyable.

Americans with Disabilities Act

The County of Monmouth does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. Kevin Dunn, Monmouth County Park System, 805 Newman Springs Road, Lincroft, NJ, telephone 732-842-4000, ext. 4219, has been designated by the Board of Recreation Commissioners to be the Park System's Compliance Officer, to coordinate compliance with the nondiscrimination requirements contained in Section 35.107 of the Department of Justice Regulations. Information concerning the provisions of the Americans with Disabilities Act, and the rights provided thereunder, are available from the above named coordinator. If you require any modifications because of a disability, please indicate at time of registration.

Service Animals

Service animals are defined as a dog that has been trained to perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability. "Comfort," "therapy," or "emotional support" animals do not meet the definition of a service animal. Monmouth County does not require service animals to be certified, licensed, or registered as a service animal. Nor are they required to wear service animal vests or patches. Service animals are allowed in all areas of a facility where the public is allowed except where the dog's presence would create a legitimate safety risk or would fundamentally alter the nature of the services being provided. The County requires that service animals be under the control of the handler at all times and be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents them from using these devices.
