PARK SYSTEM HOSTS NATIVE PLANT WORKSHOP & EXCHANGE ON MAY 18

MIDDLETOWN — The Monmouth County Park System will host a ***Native Plant Workshop & Exchange*** on Saturday, May 18 at Deep Cut Gardens, 152 Red Hill Road, Middletown. Gardeners are invited to attend a free ***Using Native Plants in Your Landscape*** lecture from 9:15-10:15 a.m. To register for the lecture, please call 732-671-6050.

The plant exchange begins with drop-off from 8-10 a.m. Bring established plants in four-inch, one-quart, or 1 to 2-gallon containers and take home the same size and number of plants. Please label all plants. Only plants native to the Mid-Atlantic region of the United States will be accepted. House plants may also be exchanged (these do not need to be native). Visit the Deep Cut Gardens page on the Park System's website at www.MonmouthCountyParks.com for a list of acceptable plants. Plant selection begins at the conclusion of the lecture. Registration is not required for this free plant exchange.

For more information on the ***Native Plant Workshop & Exchange***, please call 732-671-6050. For more information on the Monmouth County Park System, please visit www.MonmouthCountyParks.com or call 732-842-4000. For persons with hearing impairment, the TTY/TDD number is 711. The Monmouth County Park System, created in 1960 by the Monmouth County Board of County Commissioners, is Monmouth County's Open Space, Parks and Recreation agency.
