

Monmouth County Park System

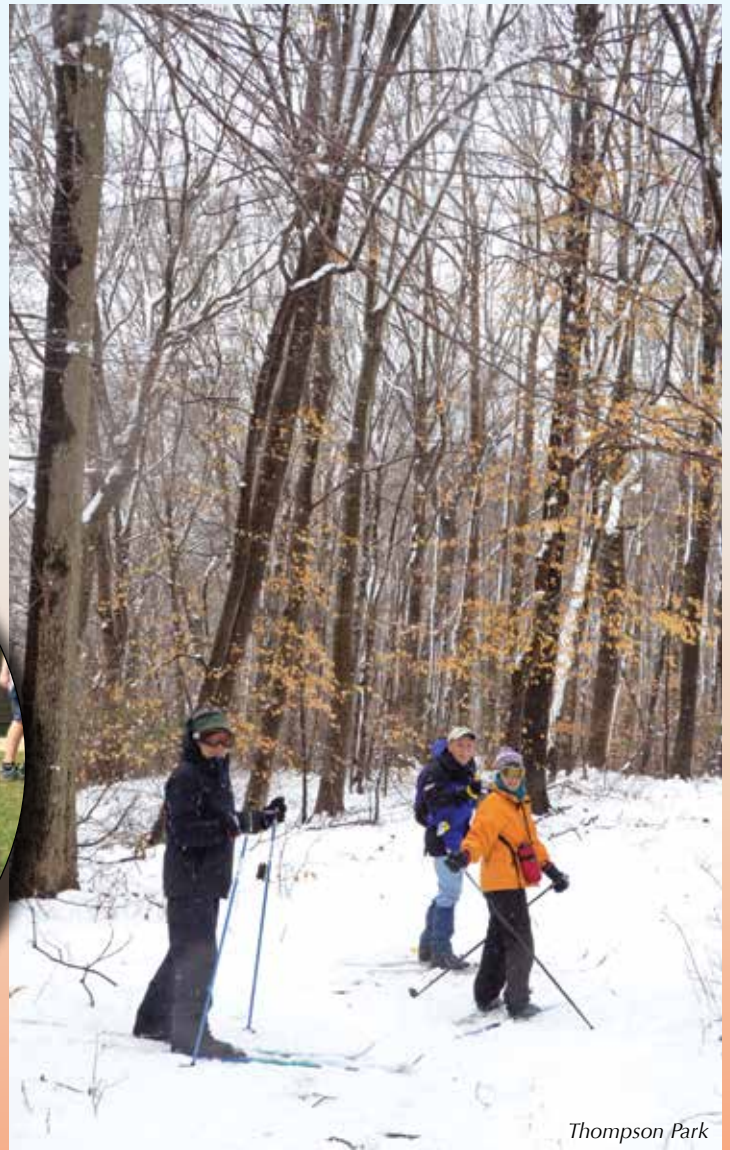

2013 Annual Report

Parks & The Quality Of Life

The beautifully preserved Longstreet Farm is the perfect backdrop for summer camps and old-fashioned games and activities at events held throughout the year.

Thompson Park

Miles of idyllic woodlands and groomed field trails attract winter weather enthusiasts to enjoy the snow.

| Recreation Program Attendance | 106,897 |

How Parks Make Life Better

One of the best compliments the Monmouth County Park System hears from visitors is how “lucky” they feel to live in Monmouth County because of the great parks. Since the mission of the Park System is to improve the quality of the life for residents of Monmouth County by providing exceptional park and recreation facilities and services, we are pleased to learn we are getting the job done. *(Please see the inside back cover for complete Mission Statement.)*

Having quality parks for residents to enjoy is just one benefit of protecting open space. Parks also conserve land and water resources; preserve forests, fields and other important habitats, supporting species that may someday cure disease; and can even buffer the impact of storms. Parks improve local property values and add to the local economy; protect historic landscapes and buildings, and improve the likelihood that people living nearby will be more physically active. Recreation programs, special events and fitness/sports facilities round out the advantages of having a park nearby.

These quality of life benefits help create a sense of well-being for Monmouth County’s residents, which is perhaps why they choose the word “lucky” to describe how they feel about the parks. That’s a very powerful outcome from preserving open space, and a very good indicator as to why parks matter.

This 2013 Annual Report begins with an overview of park statistics followed by a detailed summary of improvements, accomplishments and land acquisitions. The report concludes with a presentation of annual finances.

Park races welcome single entrants as well as teams of family members and friends.

Historic buildings and landscapes help us feel what it was like to live in a quieter time from the past.

Special Event Attendance

| | |
|--------|---|
| 84,000 | Monmouth County Fair (5 days) |
| 12,303 | Longstreet Farm (Harvest Home Festival and Sheep Shearing) |
| 10,523 | Thompson Park Day |
| 9,500 | Holmdel Park Cross Country Meets (est.) |
| 4,016 | Deep Cut Flower/Plant Shows (Rose Show, Day Lily Day, Bonsai Day, Fall & Spring Plant Swaps) |
| 2,106 | Open Houses (Deep Cut, Sunnyside, Ft. Monmouth, Charleston Springs GC) |
| 1,450 | Earth Day Events Throughout Park System (2 days) |
| 1,422 | Historic Walnford Festivals (Sweet Corn Festival, Bluebell Festival, Walnford Day) |
| 1,211 | Outdoor Adventure Expo |
| 1,059 | Races (Todd Half Marathon, Funtathlon, Manasquan Reservoir 5-Mile, Timberbrook Triathlon, Woods Hollow) |
| 660 | Golf Tournaments |

Personnel

2013 Park Accomplishments

Post-Sandy Repairs

Post-Sandy repairs consumed a great deal of park time and energy in 2013.

*Park Rangers spent many hours removing downed trees and limbs throughout the parks in 2013, especially at heavily wooded sites such as **Turkey Swamp Park**.*

*Volunteer clean-up crews worked hard to clear parkland along the Navesink River at **Hartshorne Woods Park**.*

*Rangers at **Seven Presidents** hauled almost 14,000 tons of sand back to the beaches and seawall, in addition to time spent on building and boardwalk repair.*

*Although building and office damage displaced staff during the first half of the year, they were able to make needed repairs to the docks and pilings in time to reopen the **Monmouth Cove Marina** for the 2013 boating season.*

*When storm surge from Sandy Hook Bay wiped out all the bridges along the **Henry Hudson Trail** from Popamora Point to Atlantic Highlands, staff salvaged the wood to rebuild interim boardwalks.*

Facility Improvements

Newly paved cart paths on the back nine at **Pine Brook Golf Course** are easier to maintain and provide golfers with more convenient access.

Fisherman's Cove Conservation Area is a popular site with dog walkers, paddlers and beach enthusiasts. The site's 80+ year old bulkhead was replaced this year.

Portions of this streambank near the Ramanessin Trail in **Holmdel Park** were restored in 2013 to improve area water quality.

NEW! Fort Monmouth Recreation Center

The Park System completed initial steps to acquire the first county park facility of its kind, a recreation center built from the ground up for its intended use.

Formerly part of the Fort Monmouth Military Base, the Fort Monmouth Recreation Center opened in August.

Visitors to the Fort Monmouth Recreation Center Open House sampled indoor and outdoor activities.

Formerly a farmhouse, the **Sunnyside Activity Center** received much needed renovations to update interior and exterior architectural features.

Renovations to shore up the original stone foundation and restore the exterior were done on the **Holland Activity Center** at Tatum Park, a popular program and rental site.

Battery Lewis After

Battery Lewis Before

Salvaging this stone wall from a demolished mill house, to be used as a kiosk, helps remind visitors of the history of the Claypit Creek Section of **Hartshorne Woods Park**.

Park System carpenters restored this **Longstreet Farm** well house in 2013.

Historic Restorations

Two charming and historic park buildings were restored in 2013. Each dates back to the early 1800s, retains plenty of original features, and is now used for office space and programs.

The exterior face, canopies (shown) and interior walls of Battery Lewis at **Hartshorne Woods Park** were repaired in 2013 to allow for future interpretation of the site's military history.

This beautiful historic view of the ponds in the Timolat Farm section of **Huber Woods Park** (above) was restored with funding through the **Friends of the Parks**.

Monmouth County's cultural and agricultural history is preserved through projects both large and small (left).

2013 Park Accomplishments (cont.)

Customer Service Improvements

The Park System completed its first full year of earlier opening times in 2013. Almost all gated parks now open at 7am instead of 8am for visitor convenience (except the historic sites and Seven Presidents Oceanfront Park, which open later). Shown: Sunrise at **Bayshore Waterfront Park**.

Seven Presidents Oceanfront Park began offering Veteran/Military Discounts in 2013 as well as free summer admission to Tony's Place Playground for families of individuals with disabilities (registration required).

New Exhibits

Local artist Ken Stetz created this colorful mural depicting the wildlife inhabitants of the **Manasquan Reservoir**. Funded by the **Friends of the Parks**, the mural was added to the exhibits at the Environmental Center.

Fresh vegetables were available for sale at the **Monmouth County Fair** this year, thanks to a new agricultural initiative with the Future Farmers of America (FFA).

Also at the Fair for the first time in 2013, two therapy horses from **Sunnyside Recreation Area** and **SPUR** (Special People United to Ride) were on hand with staff to provide information about the therapeutic riding program.

Historic Walford received a wayside exhibit describing the former tenant houses onsite to help interpret its history as a former mill village, funded by the **Friends of the Parks**.

The Park System offered a free, digital release of its 50th Anniversary Book, published in 2010. The book is available at: www.monmouthcountyparks.com, About Us, Park System History Book.

New Activities & Events

Trends in recreation change frequently as people look for new ways to exercise and relax. Here are some popular outdoor trends and new activities from 2013:

Paddling remains one of the most popular outdoor adventures in 2013 with a growing line-up of options such as **Kayaking the Navesink** (shown) from Blackfish Cove, Fireworks Paddle, and Paddle With Your Pooch joining the mix.

Visitors can now enjoy a wide variety of activities—from birthday parties to nature programs—next to **campfires on the beach** at Seven Presidents and Bayshore Waterfront Park.

Accolades & Affiliations

Deep Cut Gardens joined the Garden State Garden Consortium (GSGC; www.gardenstategardens.org), an organization dedicated to promoting NJ's public gardens.

A panel of experts at *NJ Monthly Magazine* voted **Hominy Hill, Howell Park** and **Charleston Springs Golf Course** (shown) among NJ's top 40 golf courses.

2013 Park Attendance

Total Park Visits In 2013* 6,105,983

2013 Land Acquisitions

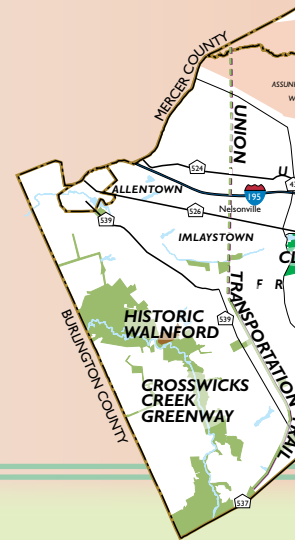

The Monmouth County Park System acquired 226 acres of land and easements in 2013. One of the largest was the 53 acre Sacco Trust Property in Upper Freehold.

This parcel of open space protects former farmland from development near **Crosswicks Creek Greenway** and like many acquisitions, was made possible with assistance from the **Monmouth Conservation Foundation**.

| Park | New Acres |
|-------------------------------|------------|
| Turkey Swamp Park | 14 |
| Henry Hudson Trail | 0.2 |
| Manasquan River Greenway | 35 |
| Crosswicks Creek Greenway | 65 |
| Perrineville Lake Park | 37 |
| Metedeconk River Greenway | 53 |
| Swimming River Greenway | 2 |
| Land Purchased in 2013 | 206 |
| Easements Purchased in 2013 | 20 |
| TOTAL | 226 |

In total, the Park System now owns/manages almost 16,000 acres of open space at 42 park sites throughout Monmouth County. Another 2,724 acres of land are protected by easement (NOT shown on map).

Parks

| Parks | Acres |
|--------------------------|-------|
| Bayshore Waterfront Park | 228 |
| Big Brook Park | 415 |
| Clayton Park | 438 |
| Hartshorne Woods Park | 794 |
| Holmdel Park | 565 |
| Huber Woods Park | 376 |

TOTAL ACRES OWNED AND/OR MANAGED BY THE PARK SYSTEM 15,940*

EASEMENTS 2,724[†]

TOTAL ACRES 18,664

**This number includes 1,052 acres at the Manasquan Reservoir owned by the NJ Water Supply Authority and leased to the Park System for perpetual use, 83 acres of the HHT owned by the county and leased to the Park System, and 6 acres at Fort Monmouth leased to the Park System from the US Army through the Fort Monmouth Economic Revitalization Authority (FMERA).*

[†]This number includes 103 acres of the HHT under 20 year lease from NJ Transit as an easement, and 63 acres of the UTT under permanent easement from JCP&L as a right of way.

2013 Park Partners

In 2013, 1,222 volunteers contributed 25,392 hours of service to the Park System. In addition to working on projects that keep the park trails, gardens and landscapes beautiful, they helped staff many of our special events and activities. The Grand Opening of the Fort Monmouth Recreation Center, open houses at Sunnyside Equestrian Center and other sites, and all the classic park events were made possible with the assistance of our volunteers. info@monmouthcountyparks.com

FRIENDS of the Monmouth County Park System, Inc.

This non-profit, established in 1991 and now with more than 350 members, provides fundraising for park enhancements and special programs. Highlights for 2013 include the application for Battery Lewis in Hartshorne Woods Park to become part of the National Register, exhibit upgrades at Historic Walnford and the Manasquan Reservoir, and activities for volunteers, urban youth and young adults with disabilities.

www.friendsofmonmouthcountyparks.com

MCF MONMOUTH CONSERVATION FOUNDATION

The Monmouth Conservation Foundation (MCF) was founded in 1977 as a private, non-profit organization dedicated to preserving land and protecting the spectacular natural resources of Monmouth County. Since its inception, MCF has helped to preserve over 6,500 acres of open space and stream corridors, wetlands, woodlands and prime agricultural areas. MCF also advocates strongly for a permanent and stable source of funding for open space, farmland and historic preservation in New Jersey. www.monmouthconservation.org

The MCF helps protect horse and other farmland as permanent open space.

SPUR

Special People United to Ride (SPUR) is a non-profit charitable organization that funds a therapeutic horseback riding program for adults and children with neurological impairment, cerebral palsy, MS and other special needs at Sunnyside Equestrian Center. In addition to building a beautiful facility, in 2013 SPUR helped pay for staff training and 86 student scholarships. www.spuronline.org

SPUR Staff accept a donation from Musicians on a Mission for their Scholarship Fund.
