We are Accredited!

As camp professionals, we understand that your biggest concern is for the safety of your child. We also know you have goals for your child's development related to the powerful lessons the camp experience provides in community, character-building, skill development, and healthy living. We share those same goals, which is why we have taken the added step of becoming an accredited camp through the American Camp Association (ACA). As the only recognized accrediting body for the camp experience in the United States, the American Camp Association accredits approximately 2,400+ camps nationwide. ACA accredited camps are required to meet specific standards on camp operations, health and safety, staff qualifications and training, and emergency management. ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to ensure that current practices at the camp reflect the most up-to-date, research-based standards in camp operation.

Monmouth County Park System camps recognize that ACA camps set the highest standard in the industry. For us, it is a yearly, independent health and safety audit of our camp operations. For parents, an ACA-accredited camp symbolizes excellence and our accountability and ongoing commitment to the children we serve. ACA Accreditation is a family's best evidence that their camp is committed to the health, safety, and overall well-being of their child.

ARTS & CRAFTS

3-D Drawing*(entering grades 6-8)*

Do you like illusions? Want your drawing to "jump" off the page? This class is for you! Let's practice and experiment with various techniques for creating optical illusions, realistic and technical 3-D drawings by hand. Using shading, color and texture to explore how you can trick the eye. 1-, 2- and 3-point perspective drawing techniques will help you bring depth and space to your 2-dimensional surfaces. Wear sneakers and bring a snack, lunch, and beverage daily. A detailed supply list will be emailed approximately three weeks before camp. Supplies are expected to cost approximately \$30.00.

This intermediate level art camp is a step up from 3D Drawing. It focuses on taking 3D drawings and characters to another level with color. We will be using color in graphic and formal ways to add dimension and texture to your illusions and other realistic drawings. Understanding the color wheel and how to mix your own colors (and not make brown), you will make your own color guide. This guide will be used for exploring how to use color to affect the mood and focus of your work, and how to choose good color combinations. Wear sneakers and bring a snack, lunch, and beverage daily. A detailed supply list will be emailed about three weeks before camp. Supplies are expected to cost approximately \$80.00.

Counselors In Training (C.I.T.) at Fort Monmouth

(ages 13-15)

Learn the basics of camp counseling while having fun. Get a head start on developing important job skills during two active weeks of learning, games, and leadership skills.

For two weeks, C.I.T.s assist counselors with younger children during camp. Camps include only those held at Fort Monmouth Recreation Center, predominantly Summertime Fun at the Fort day camp.

Applicants must complete an interview before being considered for the program.

Program runs Monday-Friday, June 22-September 4.

Cost: \$200.00 per two-week session (9:00 AM-4:00 PM)

Applicants can sign up for their interview at www.MonmouthCountyParks.com starting Friday, March 7.

No registration costs will be charged unless an applicant is chosen for a C.I.T. position. Not all applicants will be chosen for a position. There is no application to fill out before your interview. Interviews available until April 23.

For more information, contact Jim Butler at James.Butler@monmouthcountyparks.com.

Summertime Fun at the Fort

Fort Monmouth Recreation Center, Tinton Falls

The camp kids keep asking to come back to! Caring and dedicated counselors lead children through fun-filled summer days of activity and exploration, with indoor and outdoor activities. Each week, campers will have opportunities to be game players, friends, athletes, artists, and creators. Weekly themes and coordinated activities keep things interesting for returning campers. Of course, we'll also have a daily dip in our swimming pool! Children are grouped by grade and we promote a social, cell-phone-free week of summer fun.

Essential Eligibility Requirements:

Participants must be able to attend to their own hygiene needs independently, including toileting. Participants must be able to stay with their assigned camp grade group during all camp activities.

Camp Alpha at The Fort

Snapology Week of August 3-7**Mechanical Masterminds Engineering***(entering grades 3-5)*

Is your child inquisitive, a problem-solver, a big-thinker, a tinkerer, a puzzler, a LEGO® lover, or a budding engineer? If so, they're the perfect fit for Snapology's Mechanical Masterminds program! This program gives your child the tools they need to understand mechanical movement through the foundations of simple machines, physics, and engineering design. They will see moving parts up-close as they follow instructions to build various machines, then use the models to develop new design ideas, test out physics concepts, and even play games with their partners and fellow campers. Whether they are the creative-constructive type or prefer the inquisitive-deductive way of learning, this camp is sure to spark their interests!

Can you survive Snapology's S.T.E.M. Survivor? This camp will put each campers' design, building, and critical thinking skills to the test as they work on STEM/STEAM projects together! Campers will be given daily challenges that they must design a functional solution to by the end of the day by thinking like engineers, building like architects, being resourceful like scientists, and working together with new friends. They will be tested by building a working pinball machine, constructing the fastest racecar, designing a chain reaction model, planning a solution for a natural disaster, etc. Campers will earn points through working together on creativity and teamwork. The goal of this camp is to encourage each other to carefully work through the engineering design process to see if they can design with a purpose. ODYSSEY ADVENTURES BIKE REQUIREMENTS

For all camps involving biking, campers must have a properly fitted bicycle helmet that complies with U.S. CPSC Safety Standards for Bicycle Helmets for persons five and older. The CPSC label is located inside the helmet. Campers will not be permitted to wear helmets without this label. Campers must bring a properly fitted bicycle in good working condition that they are comfortable with and in control of when riding. Electric and pedal assisted bikes will not be permitted.

Campers entering grades K-1: Training wheels are acceptable.

Campers entering grades 2-5: Two-wheel bicycles are required.

Campers entering grades 6 & up: Two-wheel bicycles with shifting gears are required. Bicycles have multiple gears so that it's easier to go up hills and to go faster on level ground, thus allowing your child to keep up with the group.

If you have any questions or concerns, please contact Douglas Kalucki at 732-842-4000, ext. 4236.

Delaware River Odyssey

(entering grades 9-12, age 17 and under)

Our most popular adventure kicks off with canoeing on Thompson Park's Marlu Lake, followed by swimming at Big Brook Park's pool. Step back in time for America's birthday as we discover our country's roots. We'll start our week at Thompson Park with biking and archery before heading over to Big Brook to take a dip in the pool. Then we will ride our bikes along the towpath of the mighty Delaware River, which General George Washington and the Continental Army famously crossed in 1776. Afterwards, we'll head north and hike the same area as American Patriots at Fort Montgomery, a 14-acre fortification where a fierce battle for control of the Hudson River occurred. We'll wrap up our week by following the revolutionary path all the way to the Sandy Hook Lighthouse, a pivotal landmark constructed in 1764, where the British fortified and stationed Loyalist troops. Let's ride our bikes and see the NY harbor as our American Patriots did and fought so hard to defend.

Surf's Up Camp with Lucky Dog Surf School

(entering grades 3-8)

We're excited to partner with Lucky Dog Surf School to offer top-notch professional instruction for this year's Surf's Up Camps. Participants will learn key surfing skills, including board anatomy, wave selection, paddling, popping up, reading tides, proper stance, and surf etiquette, all with the Park System's focus on safety and fun. Lucky Dog provides CPR- and First Aid-certified instructors at a 4:1 ratio, and all surf equipment is included. If conditions are unsafe or the water is not surfable, camp plans may be adjusted, or camp may be cancelled for the day. Camp will be cancelled due to inclement weather because of the camp's outdoor location. We can't wait to see you in the water!

Daily Schedule:

- *On-land (15-30 minutes): Board basics, pop-up and paddle technique, and water/board safety.*
- *In-water: Guided paddle-outs, assisted wave-catching, positioning in the lineup, popping up, and continued safety instruction.*

Essential Eligibility Requirements:

- *Participants must pass a swim test, which will be conducted at the Dorbrook Recreation Area T-Pool. You will be notified of the test date and time before camp begins.*

Special People United to Ride (SPUR) is a non-profit organization of local citizens established in 1981. Members assist the Park System in serving individuals with physical and mental disabilities through horseback riding lessons. Students work to

improve self-esteem, social skills, balance, muscle tone, and posture as well as to process sensory messages.

A dedicated group of individuals works together to staff the Equestrian Center year round. Instructors are certified by the PATH International, the governing body of therapeutic horseback riding. In addition to the staff, over 100 volunteers help with programs every year. Caring, dedicated individuals are needed to work as volunteers. Minimum age to volunteer is 14.

For more information about SPUR, please call 732-224-1367, email spur@monmouthcountyparks.com, or visit www.spuronline.org.

Formed in 1991, the *Friends of the Parks* is a non-profit charitable organization comprised of area citizens and businesses committed to the support of the Monmouth County Park System. In this day and age, when recreation funding must be stretched to meet the needs of a burgeoning population, membership dues, donations, and proceeds from special fundraisers furnish the financial assistance necessary to achieve a number of worthwhile goals.

Throughout beautiful Monmouth County, the Park System manages more than 30 parks, golf courses, recreation areas, historic sites, and stream valleys for your recreation and enjoyment. The *Friends* realize how important it is to protect and preserve the more than 15,000 acres of county parks and open space maintained by the Park System.

In events during the year, *Friends* meet and work with Park System staff and are able to share their views about the ways county

parks can be improved and new programs developed. The *Friends* can provide a new outlet for your creativity. Do you have special talents? Do you enjoy giving talks about your travels or areas of interest? With the contacts you make at the Friends of the Parks, you can find ways to share your interests with others. You can help the *Friends* support programs for the disadvantaged and encourage development of innovative activities.

Friends members receive publications such as the Park System Parks & Programs Guide and Green Heritage and enjoy borrowing privileges at the Deep Cut Gardens Horticultural Library. Members also receive discounts on many Friends events.

Join a circle of friends who share your interest in making Monmouth County a better place to live through the preservation of open space and the enhancement of county park facilities. Become a Friend of the Parks today. For an application form, call the Friends office at 732-975-9735 or download one at www.friendsofmonmouthcountyparks.com.

Monmouth Conservation Foundation (MCF) is Monmouth County's only land trust, dedicated to preserving natural habitats, farmland, and open spaces which make our region so special. Founded in 1977 as an independent nonprofit to work hand in hand with the county to preserve land, we are proud to have helped to permanently protect more than 9,500 acres, including more than 4,500 acres or 1/4 of Monmouth County parklands.

What We Do

MCF works tirelessly to create parks, save open space, preserve farmland, teach environmental sustainability, safeguard waterways, and protect wildlife. We partner with federal, state, county, and municipal partners to acquire and preserve open space and farmland and conserve natural habitats throughout Monmouth County in support of outdoor recreation, agriculture, clean water, and wildlife for long-term sustainability.

Why It Matters

As development pressures increase and the impacts of climate change intensify, our water quality, real estate, natural habitats, and the very appeal of Monmouth County are at risk. Our efforts help to ensure that our green spaces and resulting quality of life are preserved for future generations. We also educate students and families about

environmental sustainability and conservation through STEM/STEAM-based engaging programs and community events.

As the new owners of the 90-acre Scudder Preserve in Middletown, we will have our first-ever home base and be the hub for Monmouth County's conservation and sustainability initiatives with access for all residents.

Our Commitment

Since 2014, MCF has been accredited by the Land Trust Accreditation Commission, demonstrating our commitment to meeting the highest national standards for excellence and conservation permanence. We are one of only 471 accredited land trusts out of 1,100 nationwide.

Tee up with us! Private club conditions at public course prices make Monmouth County's 8 golf courses one of the best values around.

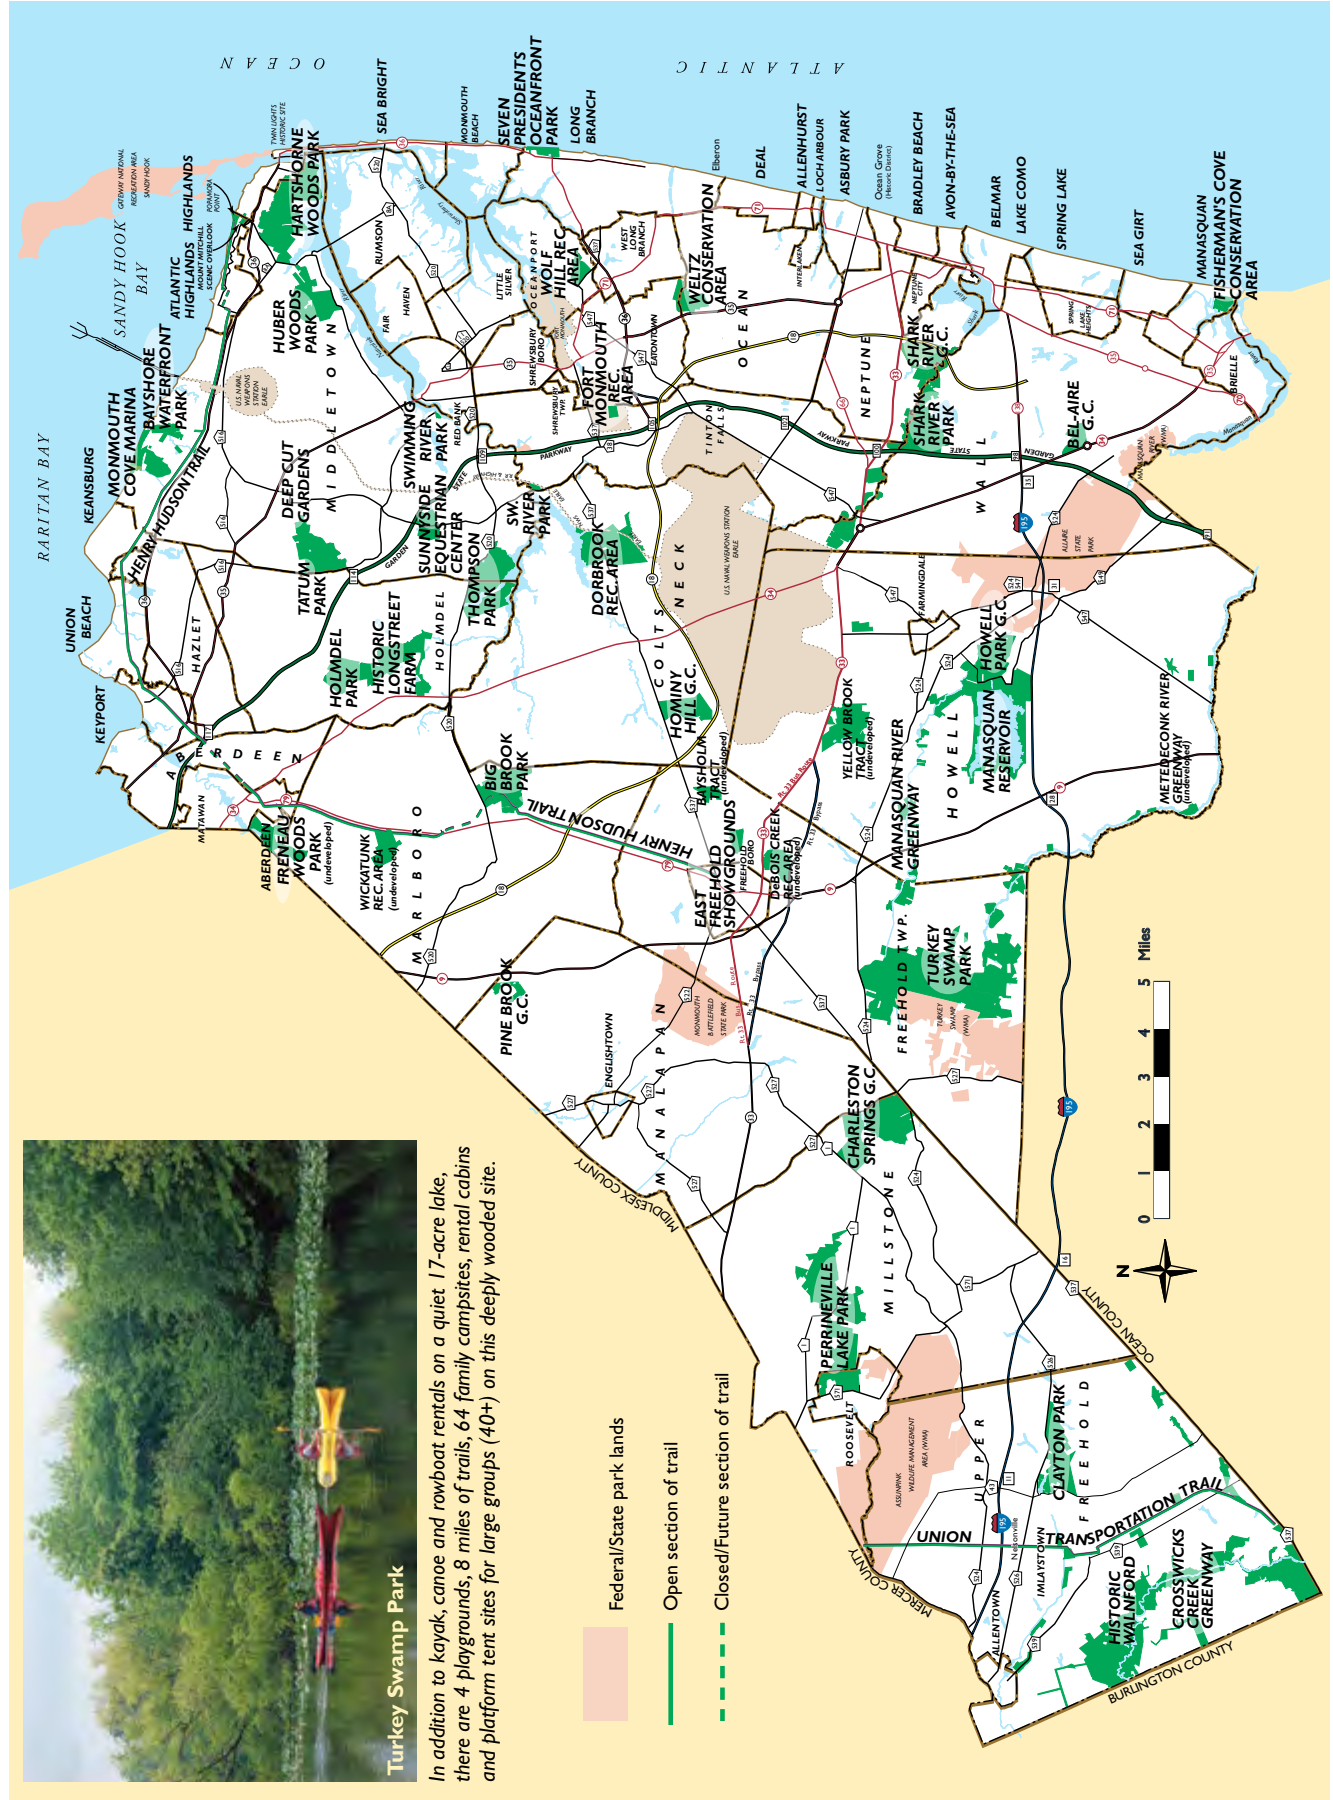

Protecting the Jersey Shore's rapidly diminishing open spaces and their natural resources is a priority for this waterfront site where shorebirds nest, anglers fish, and area residents love to bring their dogs.

* Monmouth County Park System sites that are partially developed for use and offer limited facilities (parking lot, trails, portable toilets, etc.) at this time.
 † Monmouth County Park System sites that are undeveloped for use and offer no facilities (parking lot, trails, restrooms, etc.) at this time.

Turkey Swamp Park

In addition to kayak, canoe and rowboat rentals on a quiet 17-acre lake, there are 4 playgrounds, 8 miles of trails, 64 family campsites, rental cabins and platform tent sites for large groups (40+) on this deeply wooded site.

Americans with Disabilities Act

The County of Monmouth does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. Kevin Dunn, Monmouth County Park System, 805 Newman Springs Road, Lincroft, NJ, telephone 732-842-4000, ext. 4219, has been designated by the Board of Recreation Commissioners to be the Park System's Compliance Officer, to coordinate compliance with the nondiscrimination requirements contained in Section 35.107 of the Department of Justice Regulations. Information concerning the provisions of the Americans with Disabilities Act, and the rights provided thereunder, are available from the above named coordinator. If you require any modifications because of a disability, please indicate at time of registration.

Service Animals

Service animals are defined as a dog that has been trained to perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability. "Comfort," "therapy," or "emotional support" animals do not meet the definition of a service animal. Monmouth County does not require service animals to be certified, licensed, or registered as a service animal. Nor are they required to wear service animal vests or patches. Service animals are allowed in all areas of a facility where the public is allowed except where the dog's presence would create a legitimate safety risk or would fundamentally alter the nature of the services being provided. The County requires that service animals be under the control of the handler at all times and be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents them from using these devices.

Program Refunds/Fees

In planning trips and programs, the Monmouth County Park System incurs many non-recoverable expenses on behalf of the participant.

Refund Policy

1. A full refund will be given when a program or trip is cancelled by the Monmouth County Park System.
2. No refunds or credits will be given for any sessions missed by the participant.
3. If adequate advance notice is provided, we will refund the full amount of the program less a processing fee and non-recoverable expenses, as listed below. If we are able to replace you on a program within the time limit listed below, you will receive a full refund less a processing fee.
 - **General program or one-day trip:** full refund with at least 10 days advance notice, less \$5.00 processing fee and any non-recoverable expenses (pre-paid meals, lodging, tickets, etc.)
 - **Multi-day bus/van trip or ticketed day trip:** full refund with at least 45 days advance notice, less a \$25.00 processing fee and any non-recoverable expenses (pre-paid meals, lodging, tickets, etc.)
 - **Camps:** full refund with at least 30 calendar days advance notice, less a \$25.00 processing fee and any non-recoverable expenses (pre-paid meals, lodging, tickets, etc.); 50% refund with 14 to 29 calendar days notice, less a \$25.00 processing fee and any non-recoverable expenses; no refund within 13 calendar days of the start of camp.
4. For refund requests, please call 732-842-4000, ext. 1, Monday-Friday between 8:00 AM-4:30 PM.
