He also noted that the golf staff is looking at conducting one more tournament this winter as a 2-man scramble in February. Mr. Schaefer reported that approximately 600 rounds were played so far this month.

Commissioner Harmon noted that he felt there should be more 9-hole rates with earlier starting times than 2 PM and that possibly other golfers may play 9-hole rounds as a result of not having the time to play 18-holes.

Commissioner Peters inquired if a survey has been done of the golfers.

Andrew Spears, Assistant Director, noted that the Park System has the ability to do a survey.

Jeremy Schaefer noted that the golf courses are still using the old USe Direct for tee time reservations and that they are waiting on County Information Technology to install the necessary firewalls.

10. The **PARKS REPORT** was presented to the Board by Tom Fobes, Superintendent of County Parks/Park Operations.

Tom Fobes updated the Board with regard to the Deer Management Program and noted that the 2014-2015 permit cost remained the same at \$20.00. Mr. Fobes noted that, to date, 860 permits were sold as compared to 814 in 2013-2014. Mr. Fobes noted that permits are on sale throughout January and February through the conclusion of the season.

Mr. Fobes reiterated the difference between Category 1 and Category 2 designed hunting areas. Category 1 is archery only, as dictated by NJ Fish and Wildlife; parks remain open to the public while hunting takes place. Category 2 is archery, shotgun and muzzleloader as dictated by NJ Fish and Wildlife season and zone. Parks remain closed up until 12 Noon while hunting takes place, then reopens. Mr. Fobes noted that there is one exception, Holmdel Park North is a Category 2 area, however, archery is the only permitted type of hunting.

Tom Fobes noted that Category 2 hunting is down to one day remaining in Huber Woods East, then all Category 2 hunting will be complete for the 2014-2015 season. Mr. Fobes reviewed with the Board the Category 2 harvest numbers to date, and noted that the harvest numbers so far represent approximately 50% less deer harvested from this time in 2013-2014.

Mr. Fobes noted that the temperatures ranged from the upper teens to the low twenties, with a light covering of snow two days prior to the event, and approximately 1,750 people in attendance. Tom Fobes noted that Park Rangers constructed a 20' x 40' ice-skating rink for the event and that approximately forty (40) children used the rink throughout the event. Mr. Fobes noted that due to New Jersey's fluctuating temperatures, the event was a challenge, but indoor and outdoor activities were planned so as to provide visitors a quality experience regardless of the weather.

Mr. Fobes reviewed with the Board Park System protocol for monitoring ice thickness as it relates to temperature, in order to determine safe locations on the ice for visitors so that they can enjoy ice related recreation on designated lakes and ponds throughout the Park System. Mr. Fobes indicated that over 325 skaters have visited our parks and used our facilities the past two weekends. Mr. Fobes noted that when necessary, Park Rangers clear snow from the ice, provide picnic tables near the ice, build a fire in a portable fire ring, and provide hockey goals for visitors.
