2015 HIGHLIGHTS: A YEAR FOR THE SEASONS

Since weather governs so much of what we do, we watch it closely and 2015 was a memorable year for both temperature and precipitation. A booming winter with plenty of snow was followed by a slow thaw to spring (with some damage to the golf greens). But a busy summer and outstanding fall more than made up for the late start.

One of our most important annual measurements of success—attendance—was up 11% in 2015 (p. 6), revenue increased by 7% (p. 11), and 382 new acres of parkland were preserved (p. 7). Also, the Park System opened five new or improved recreation facilities, and offered one new winter golf tournament and three new, large-scale special events (pp. 3-4).

We invite you to review all the Park System accomplishments, land acquisitions and attendance statistics, as well as the financial report for 2015 on the following pages. Then, come out and visit one or all of the county parks in person. They are yours to discover throughout the seasons, open every day of the year.

WINTER & SPRING

The year began with two, brand new cold-weather special events. Temperatures for Thompson Park's first WinterFest were truly 'arctic,' yet thousands attended this inaugural celebration. Conditions for Shark River's first Polar Golf Tournament were milder, but still presented novel challenges. The generous snowstorms that followed solidified the popularity of **cross-country ski** and **snowshoe rentals**, and the ongoing cold ensured many good days for ice fishing and **skating**, and sledding.

SLEDDING	# DAYS	# PARTICIPANTS
Holmdel Park	27	9,710
Wolf Hill	23	800
ICE SKATING		
Holmdel Park	20	660
Turkey Swamp	24	959
Shark River	23	397
Seven Presidents	19	3
ICE FISHING		
Turkey Swamp	24	26
Thompson Park	16	11

WinterFest

Polar Bear Golf Tournament

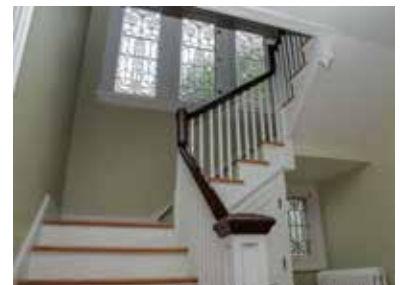

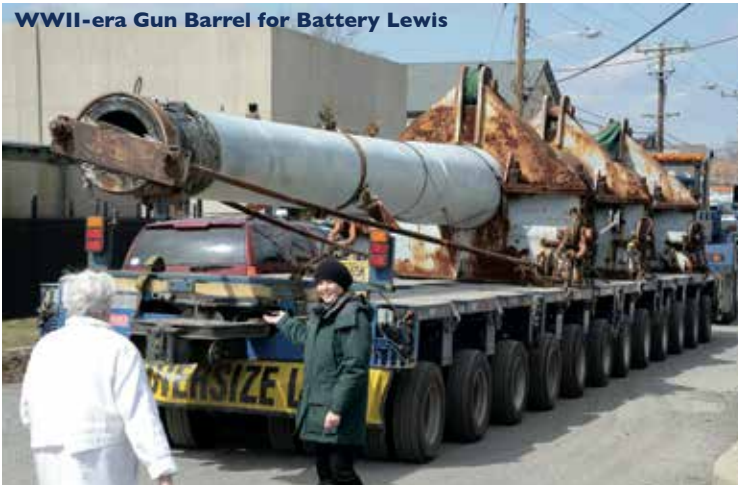

Creative Arts & Music Festival

While the cold lingered and spring got off to a slow start, the Park System celebrated two historic site improvements and hosted another new event. A 120-ton, WWII-era gun barrel from the Battleship New Jersey was transported from Virginia to Battery Lewis at Hartshorne Woods Park, to become part of the newly-established Navesink Military Reservation. Renovations were completed on the elegant **Holland Activity Center** in Tatum Park and this historic farmhouse re-opened for programs and rentals. Thompson Park hosted its first, two-day Creative Arts & Music Festival to celebrate local artisans.

WWII-era Gun Barrel for Battery Lewis

SUMMER & FALL

Wind & Sea Festival

The beaches were busy, park attendance was up across the county, and good weather helped our newest waterfront adventures gain traction: the Ultimate Frisbee Tournament at Seven Presidents Oceanfront Park, Tidal Tuesdays at Fisherman's Cove Conservation Area and the launch of the Wind & Sea Festival at Bayshore Waterfront Park were all a success. We welcomed completion of the extended 495 ft. **fishing pier at Bayshore Waterfront Park**, a **new boat launch and fishing facility at Swimming River Park** (formerly Chris' Marina), a new Disc Golf Course at Wolf Hill Recreation Area, and our **second FootGolf Course at Pine Brook** (18 holes).

Ultimate Frisbee Tournament

Autumn was unseasonably warm with mild weather that lasted through the holidays. Runners, anglers, golfers and other outdoor enthusiasts enjoyed an **extended season for activity and exercise**. As the year drew to a close, the completely redesigned SkatePlex opened at Seven Presidents Oceanfront Park in Long Branch to much fan-fare.

Skateplex Renovation

Disc Golf Course

2015 FACILITY IMPROVEMENTS

Howell Park Golf Course—New Bridges

Last winter, a team of bridge specialists removed six original bridges dating back to the 1970s and constructed new ones. The bridges cross tributaries of the Timber Swamp Brook, which also provides irrigation for the course.

Dorbrook Recreation Area—Tennis Court/Rink Resurfacing

This park celebrated its 30th anniversary this year, so it's not surprising the heavily used tennis courts and hockey rink needed a touch-up.

Thompson Park—Pond Dredging

Two man-made ponds that had filled in over time along Route 520 and the Maintenance Rd. were dredged to restore water quality and establish a healthy wildlife habitat.

Holmdel Park—Forest Edge Parking Area Renovations

Attendance at this busy park is well over one million visits per year; so the roads, parking lots and sidewalks that help people get in and around are more important than ever.

Deep Cut Gardens—Maintenance Barn

A larger, more accessible storage space was installed to help staff keep the manicured fields and gardens of this park looking beautiful.

2015 COUNTY PARK VISITATION

Holmdel Park	1,249,263
Manasquan Reservoir	1,104,840

LAND ACQUISITION

NEW PARK ACRES

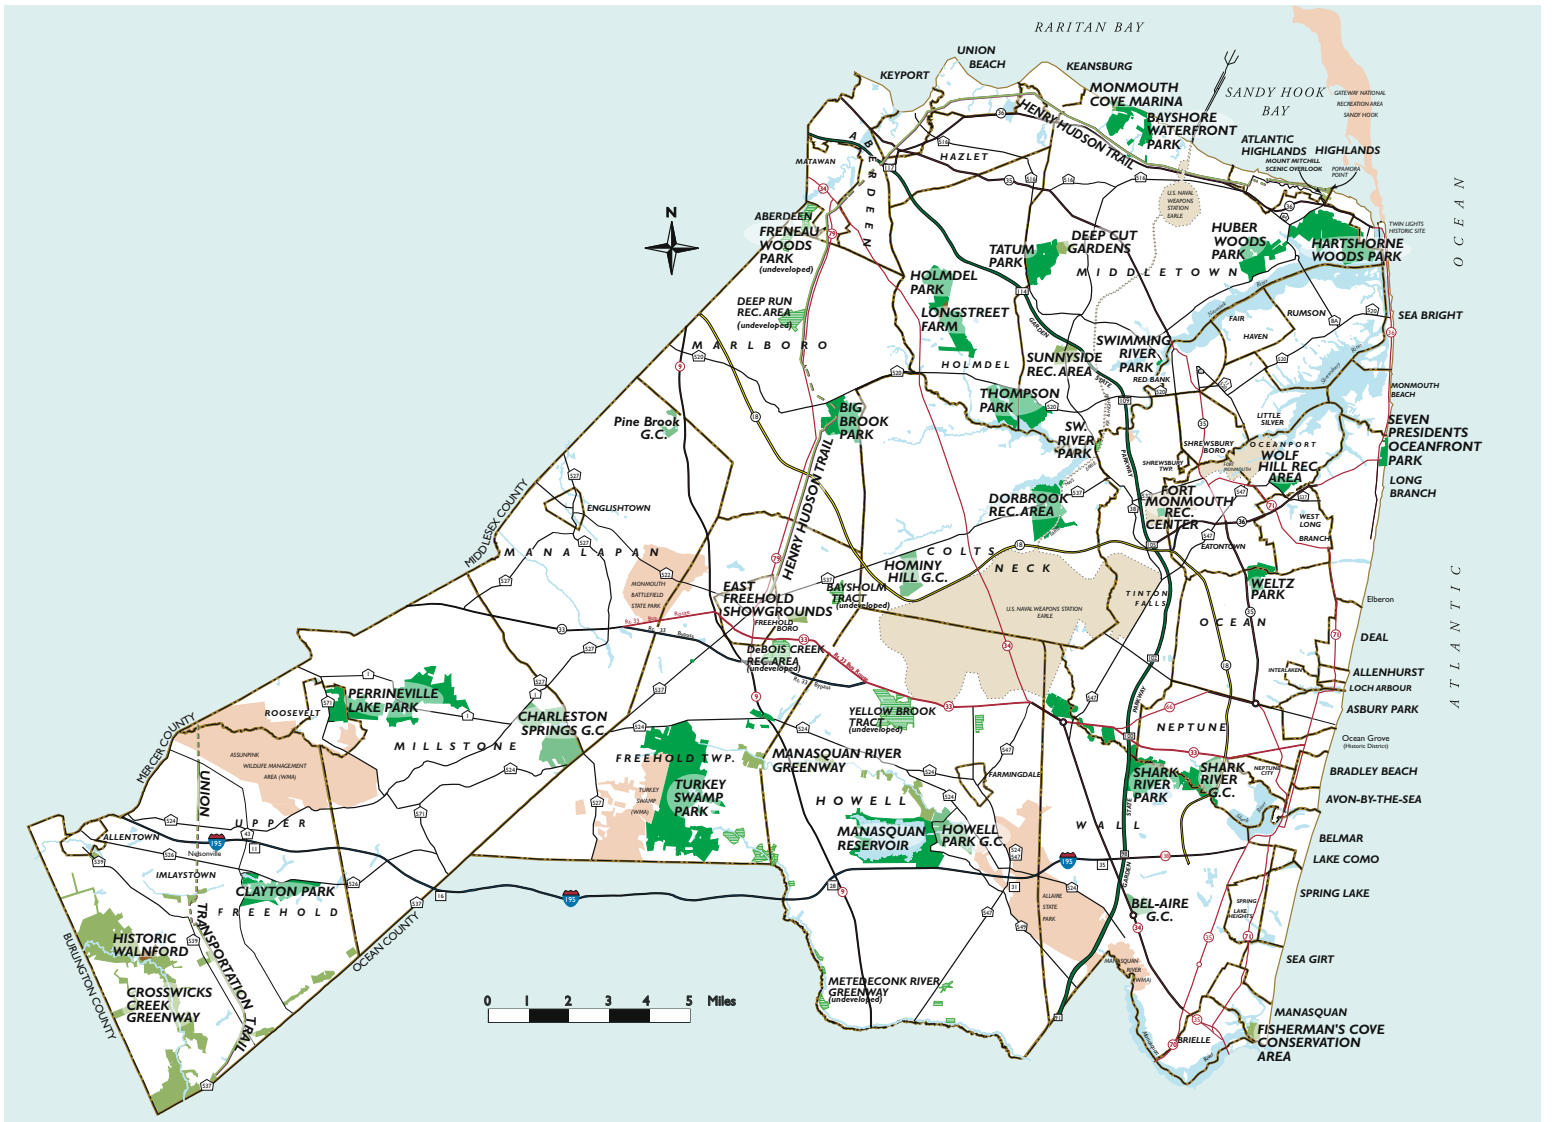

Bayshore Waterfront Park	0.1	Manasquan River Greenway	9
Big Brook Park	17	Metedeconk River Greenway	37
Clayton Park	3	Perrineville Lake Park	9
Crosswicks Creek Park	165	Shark River Park	2
Freneau Woods Park	122	Swimming River Park	11
Holmdel Park	1	Turkey Swamp Park	2
Manasquan Reservoir	4	TOTAL	382

The Park System acquired 11 acres of prime waterfront property in Middletown with the purchase of Chris' Landing Marina, now part of Swimming River Park. Another 122 acres for the newly established Freneau Woods in Aberdeen/Marlboro helped it grow that park substantially, while 165 acres at Crosswicks Creek and 17 acres at Big Brook filled missing parcels within existing parks. In total, 382 acres of land were added to 13 park properties in 2015.

The Park System now owns/manages 16,557 acres of open space at 43 sites in Monmouth County. Another 2,792 acres are protected by easement (NOT shown on map). The county's total open space inventory is now 19,349 acres.

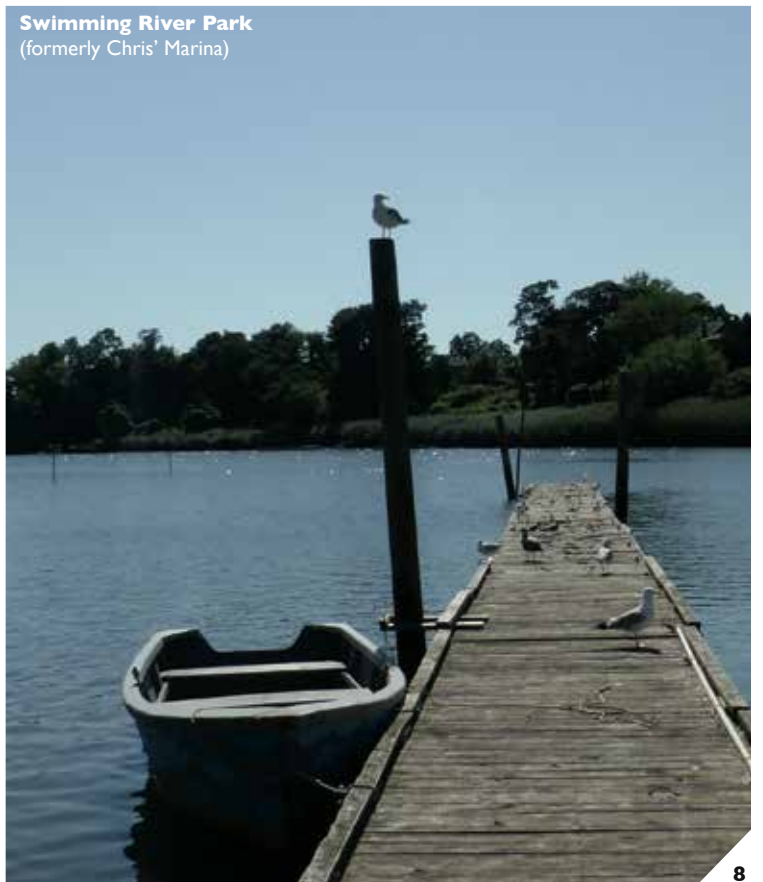

PARK PROPERTIES & ACREAGE IN 2015

Bayshore Waterfront Park	228	Mount Mitchell Scenic Overlook	12
Bel-Aire Golf Course	114	Perrineville Lake Park	1,168
Big Brook Park	432	Pine Brook Golf Course	61
Charleston Springs Golf Course	781	Seven Presidents Oceanfront Park	38
Clayton Park	443	Shark River Golf Course	176
Crosswicks Creek Park	2,158	Shark River Park	988

Historic Walnford	36	Deep Run Recreation Area	71
Holmdel Park	566	DeBois Creek Recreation Area	165
Hominy Hill Golf Course	262	Metedeconk River Greenway	423
Howell Park Golf Course	311	Yellow Brook Tract	369
Huber Woods Park	375		
Manasquan Reservoir	1,208	Total Acres Owned and/or Managed By The Park System	16,557 ^(a)
Manasquan River Greenway	443	Easements	2,792 ^(b)
Monmouth Cove Marina	11	TOTAL ACRES	19,349

(a) This number includes 1,052 acres at the Manasquan Reservoir owned by the NJ Water Supply Authority and leased to the Park System for perpetual use, 83 acres of the HHT owned by the county and leased to the Park System; and 6 acres at Fort Monmouth leased to the Park System from the US Army through the Fort Monmouth Economical Revitalization Authority (FMERA).

(b) This number includes 103 acres of HHT under 20 year lease from NJ Transit as an easement, 64 acres of UTT under permanent easement from JCP&L as a right of way, and 36 acres of Big Brook Park which remain under easement after also being transferred into permanently owned parkland.

2015 PARK PARTNERS

In 2015, 1,175 volunteers spent 26,535 hours working in the parks. Sunnyside Equestrian Center remains the largest dedicated volunteer area, but volunteers also logged significant hours as front desk staff (docents) and helping out at special events, programs and camps. In addition to all their regular clean-up and maintenance duties, Garden/Pruning Team volunteers are also now trained to help manage the growing number of invasive species. Here are the dedicated groups and individuals (>40 hours) who gave their time in 2015.

FRIENDS of the Monmouth County Park System, Inc.

This non-profit, founded in 1991, provides fundraising for park enhancements, special projects and programs. Highlights for 2015 include research for a new exhibit to interpret the military history of Battery Lewis in Hartshorne Woods Park (now listed on the National Register of Historic Places); course equipment for a new Disc Golf Course at Wolf Hill; special activities and outings for volunteers, urban youth and young adults with disabilities; and funding for historic attire and artifacts at Historic Walnford and Longstreet Farm.

www.friendsofmonmouthcountyparks.com

MCF MONMOUTH CONSERVATION FOUNDATION

Monmouth Conservation Foundation, founded in 1977 by Michael Huber and Judith Stanley-Coleman as an accredited land trust, has directly preserved more than 6,500 acres of open space and farmland in Monmouth County. MCF also plays a crucial role in acquiring new parkland, assisting with 140 new acres in Middletown, Aberdeen, Upper Freehold, and Asbury Park in 2015. As a partner in the NJ Keep It Green campaign, MCF advocated for a permanent and stable source of funding for open space. Voters approved the measure in November 2014, and work continued through 2015 to ensure the voters' wishes are carried out.

www.monmouthconservation.org

SPUR

Special People United to Ride (SPUR) is a non-profit organization that supports therapeutic horseback riding and equestrian programs at Sunnyside Equestrian Center in Lincroft. In 2015, the number of riders and participants increased by more than 40% due to very successful community outreach efforts with school groups, veteran's groups, disability advocates and positive media coverage. *Stable Beginnings* and other equestrian learning programs tailored to school-age children also flourished.
