MONMOUTH COUNTY PARK SYSTEM HOSTS OPEN HOUSE AT THE CLAYTON PARK ACTIVITY CENTER

UPPER FREEHOLD— The Monmouth County Park System is rolling out the welcome mat at the newly acquired Clayton Park Activity Center during an Open House on Wednesday, August 10 from 7-9 p.m. Located at 202 Davis Station Road, (Imlaystown) Upper Freehold, the Activity Center was acquired by the Park System in late 2015 and will be used to host a variety of recreation programs. During the Open House, visitors can tour the facility, meet Park System staff, and learn about upcoming offerings. Visitors can also enjoy a “grab and go” ceramics activity, watercolor painting and drawing demonstrations, and a nature-related activity. Refreshments will be served.

Originally constructed as a school and once used as offices by the Drug Abuse Resistance Education New Jersey, the Activity Center is the newest addition to Clayton Park. Tucked in the western part of the county, the 443-acre park is known for its hiking and bicycling opportunities. With the addition of the Activity Center, the Park System plans to expand the park's recreational offerings. Upcoming programs include ***Introduction to Watercolor Painting, Rocket Kids, and Preserving Summer's Bounty***. Pick up a copy of the Park System's fall issue of its ***Program Directory*** for a full listing.
