**MONMOUTH COUNTY PARK SYSTEM PLANS  
*ONE WORLD OBSERVATORY BUS TRIP***

LINCROFT — On Wednesday, March 13, the Monmouth County Park System is hosting a ***One World Observatory*** bus trip. Travel to the heart of Tribeca in downtown Manhattan and see New York City from 102 stories high! The Observatory also offers interactive exhibits on the history of the area, a chance to see the bedrock below on which the tower is built, and a thrilling ride in the "SkyPod". Afterwards, enjoy time for lunch and to explore other points of interest in Lower Manhattan such as St. Paul's Chapel, Federal Hall or the 9-11 Memorial and Museum. (Please note that reservations are suggested in advance for the 9-11 Memorial and Museum.) The bus leaves at 8 a.m. from Thompson Park, 805 Newman Springs Road, Lincroft, and will return at approximately 6 p.m. The cost of the trip is \$75 per person and includes group reservations to One World Observatory, "SkyPod" elevators, Park System volunteer leader and round-trip motor coach transportation. Pre-registration is required.
