STARTING PROCEDURES:

13. Except for Bel-Aire Golf Course, a reserved tee time can be obtained by a Resident or Non-Resident Photo I.D. Cardholder by accessing the Tee-Time Reservation Service. Only one

reservation per day is permitted. Golfers must report to the Golf Center at least 30 minutes prior to their reserved tee time to secure their tee time and to avoid a No-Show penalty. The Resident Reservation fee is charged to each golfer holding a Resident Photo I.D. Card when using a reserved tee time (except walk-ons). The Non-Resident Reservation fee shall be charged to each non-resident golfer when using a reserved tee time (except walk-ons). The reservation fee is paid at the time the greens fee is purchased. All tee times at Bel-Aire Golf Course, and the remaining unreserved or walk-on tee times at the other courses, shall be secured on a first-come first-served basis in the following manner:

- A. One individual of a twosome, threesome, or foursome may purchase a greens fee ticket and select one available tee time. The golfer may then leave the golf course.
- B. The other members of the group must arrive at the golf course at least 30 minutes prior to their reserved tee time, register for play and purchase their greens fee tickets in the Golf Center.
- C. The group shall assemble at the starting area 10 minutes prior to their scheduled tee time, and surrender a copy of their greens fee tickets to the starter.
- D. Single golfers are not permitted to select an available tee time on the day of play. Singles purchase a greens fee ticket, and their names are placed on a singles list. Singles remain on stand-by at the course until called and assigned a time. They shall then report to the starter and surrender a copy of their greens fee ticket.

14. Fivesomes are not permitted.

15. All play shall begin from No.1 unless otherwise designated by golf course management.

16. A group finishing No. 9 shall have the right-of-way to No.10. A group shall not hold a starting position on No.10 unless all members of the group are present at the time the tee is clear for play. If for any reason all members are not ready for play, the next group that has completed the 9th shall have the right-of-way. Golf rangers shall have the right to change the starting position on the 10th if it is in the best interest of the players and the golf course.

RENTAL EQUIPMENT:

17. Power carts, handcarts, and golf clubs shall be rented for a maximum of one round. The appropriate forms shall be completed at registration in the Golf Center, and a copy surrendered to the starter. All golf rental equipment shall be returned to the designated area in good condition.

18. If a power cart breaks down or malfunctions, golfers shall immediately notify the Golf Center, and shall be given a replacement cart to finish the round. No refunds shall be given if the golfers do not accept a replacement cart.

19. No more than two people and two bags shall be permitted on a power cart.

20. No handcart shall be towed by a power cart.
21. Only those persons whose names appear on the Power Cart Rental Agreement shall be permitted to operate the power cart. Persons under 18 years of age shall not be permitted to operate power carts.

Carts shall be parked in designated areas at least 30 feet from the edges of tees and greens. Cart paths shall be used where provided, and all notices, signs, ropes, markers, and verbal instructions shall be observed.
23. Anyone who misuses, abuses, and/or damages a golf cart shall have cart use privileges suspended for an indeterminate period of time, and shall be required to pay for damages.
24. Privately owned and operated power carts shall not be permitted, except when the Park System's single-rider golf carts for mobility impaired golfers do not accommodate a disabled golfer.

GOLF COURSE PROCEDURES AND ETIQUETTE:

25. The golf course shall be for the sole purpose of golf, other than special events or programs sponsored or approved by the Park System.
26. All golfers shall be properly attired. Bathing suits, tank tops, and cut-off jeans are not permitted. Only golf shoes fitted with non-metal spikes and rubber-soled Athletic-type shoes are permitted. Shoes and shirts shall be worn at all times.

28. Each player shall be equipped with a golf bag and at least 3 clubs.
29. Practicing is permitted in designated warm-up areas. Charleston Springs, Hominy Hill, and Howell Park Golf Courses operate paid warm-up ranges. All practice areas are used at the golfer's own risk. Balls shall be hit from the designated teeing area and shall not be hit in the direction of other players. All notices, signs, ropes, markers, and verbal instructions shall be observed.
30. Tee shots shall be played between markers. Practice swings shall not be allowed on the tee area. Practice swings shall be taken in the rough area adjacent to the tee.

32. Golfers shall repair their own ball marks on the greens, and replace divots on the fairways and tees. Excessive practice swings or swings that destroy the turf shall not be permitted.
33. Hitting a ball from any green, except with the use of a putter to hole out, shall not be permitted. Balls landing on the green of a hole not being played shall be dropped one club-length from the collar of the green.
34. Bags or other paraphernalia shall not be dropped on greens. Flagsticks shall be handled so as not to damage the green or hole.
35. When temporary tees and greens are set up, they shall be observed at all times.
36. Players are expected to play a round of golf in four and one half hours or less at Charleston Springs, Hominy Hill, Howell Park, and Shark River Golf Courses, and three and one half hour or less at Bel-Aire and Pine Brook Golf Courses. Players who have holed out shall go on to the next tee promptly so as not to delay play. Three minutes shall be the maximum amount of time allowed to look for a lost ball. If a group is delaying play, they shall promptly allow other golfers to play through. If, after proper warning by golf rangers, a group continues to impede the progress of play or misuse the golf course, they may be ordered to leave the golf course shall not be entitled to a refund.
37. Non-players shall not be permitted on the golf course unless they are enrolled in a special event or program sponsored or approved by the Park System.
38. Caddies for hire shall not be permitted unless authorized by the Park System.
39. Sale of equipment, food, or beverages shall not be permitted except as provided or authorized by the Park System.

Failure to abide by the above rules could result in suspension or loss of golf privileges, resident rates, reservation privileges, and/or Resident I.D. Card or Non-Resident Reservation Card.

Employees of the Board of Recreation Commissioners are vested with police authority and empowered to enforce County Park Rules and Regulations. Rules applying to special conditions or situations within an individual County Park or Recreation area may be supplemental to the County Rules and Regulations. The Board of Recreation Commissioners shall have full control over all lands, playgrounds and recreation places acquired or leased under the provisions of Section 40:12-1 to 40:12-9 of this Title and may adopt suitable Rules, Regulations, and By-Laws for the use thereof, and the conduct of all persons while on or using the same, and any person who shall violate any such Rules, Regulations, or By-Laws shall be deemed and adjudged to be a disorderly person.
