4. **SUBSTITUTIONS:** Bids shall not be based on the use of any substitutions for the materials, products and equipment described in the Bidding Documents, unless the use of substitutions have been authorized by the Park System. Any Bidder may propose substitutions to the Park System. Proposed substitutions must be in writing and be delivered to the Park System at least ten days before the bid receipt date. The Park System will issue to all Bidders an addendum for any approved substitution.

6. **SALES AND EXCISE TAXES:** Bids must fully account for all costs imposed by applicable New Jersey Sales Tax and Federal Excise Tax laws. The County/Park System is exempted from paying New Jersey Sales Taxes on equipment and materials which are incorporated in the work, and on supplies and services that are used exclusively to alter, construct, improve or repair County-owned property. The County's sales tax exemption does not extend to the purchase, lease or rental of equipment used to prosecute the work.
7. **BID GUARANTEE:** Checks posted as the Bid Guarantee shall be payable to "Monmouth County Board of Recreation Commissioners," payable in U.S. Dollars, and be drawn on a bank which is authorized to conduct business in the United States. Bid bonds offered as the Bid Guarantee shall be by a surety which is licensed to conduct business and authorized to post such bonds in the State of New Jersey.
8. **RETURN OF BID GUARANTEES:** Bid Guarantees will be returned to the Bidders in accordance with the provisions of the New Jersey Local Public Contracts Law.
9. **DELIVERY OF BID:** Bids may be delivered by the Bidder in person, or by mail or commercial delivery service, to the Monmouth County Park System's Purchasing Agent (see Notice To Bidders for address). The Park System assumes no responsibility for bids which are received later than the time established by the Notice To Bidders for the receipt of bids. Late bids will be returned unopened to the Bidders.
10. **RELEASE OF BID:** Within a reasonable time after the opening of bids, a Bidder may request release of its Bid only if there is an excusable material error in the Bid price(s). Such requests must be in writing. The Park System shall have the sole right to determine if a Bidder will be released from its bid.
11. **MODIFICATION OF BID:** A bid may not be canceled, modified, or withdrawn during the 60 calendar day period after the bids are opened.
12. **AWARD OF CONTRACT:** Unless otherwise stated, the Monmouth County Board of Recreation Commissioners intends to award a single overall contract for the work to the lowest responsible Bidder, or to reject all bids, within 60 calendar days after the receipt of bids, unless the period for award is extended by mutual agreement of the parties.

17. **INSURANCE COVERAGE:** (see General Conditions of the Contract for Construction)

18. **ALLOWANCES:** The Bid Form will indicate if Allowances are to be included in the Total Base Bid. Allowance amounts which are pre-printed on the Bid Form do not include the Bidder's mark-ups; they must be factored into the lump sum bid item(s).

19. **UNIT PRICE BIDS:** When unit price bids are required, the unit prices entered on the Bid Form shall reflect the actual cost to be charged to the Park System for each item, including the Bidder's anticipated direct and other costs, overhead and profit directly related to each bid item. When the Bidder intends to bid zero for a unit price bid item, a "0" shall be entered for the unit price and the extended price.

20. **CORRECTION OF FAULTY ARITHMETIC:** The Park System shall have the right to check and correct the addition of all prices entered on any Bid Form, and will unilaterally substitute correct totals wherever a Bidder's entries are not correct. In the case of unit price bids, the Bidder's unit price shall prevail if the extended price entered on the Bid Form does not equal the Bidder's unit price multiplied by the quantity printed on the Bid Form. In any such instance the Bidder will be informed of the Park System's corrections.

MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE

N.J.S.A. 10:5-31, et seq. (P.L. 1975, C. 127)

N.J.A.C. 17:27

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up-grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to **N.J.S.A. 10:5-31 et seq.**, as amended and supplemented from time to time and the Americans with Disabilities Act.

INSTRUCTIONS TO BIDDERS—Continued

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by **N.J.A.C. 17:27-7.2**; provided, however, that the Division may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Division is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Division, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with **N.J.A.C. 17:27-7.2**.

The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A.) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to **N.J.S.A. 10:5-31 et. seq.**, as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

- (B.) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1.) To notify the public agency compliance officer, the Division, and minority and women referral organizations listed by the Division pursuant to **N.J.A.C. 17:27-5.3**, of its workforce needs, and request referral of minority and women workers;
 - (2.) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

INSTRUCTIONS TO BIDDERS—Continued

- (3.) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4.) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5.) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6.) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i.) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii.) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Division. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (iii.) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Division, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
 - (iv.) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Division.
 - (7.) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.
-

INSTRUCTIONS TO BIDDERS—Continued

- (C.) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Division an initial project workforce report (Form AA 201) electronically provided to the public agency by the Division, through its website, for distribution to and completion by the contractor, in accordance with **N.J.A.C. 17:27-7**. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

- (D.) The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code (NJAC 17:27)**.

If the Park System elects to accept an extended warranty agreement it will enter into and pay for

the extended agreement directly with the manufacturer.

C.
