Each party will bear its own costs of participation in mediation and they will divide the costs of the mediations equally.

If, after a good faith effort to resolve the dispute through mediation, the dispute is not resolved, either party may terminate the mediation by written notice to the mediator and to the other part, whereupon either party may submit the dispute to the Superior Court of New Jersey, Monmouth County, for adjudication, which Court shall have exclusive original jurisdiction over the dispute.

Safety Concerns

Before taking samples, all technicians must have received proper training in handling hazardous chemicals, and proper safety precautions as required by O.S.H.A. regulations.

Sampling Location

Select a location according to the water sampling plan for public water systems (locations provided to successful bidder). For non-public systems, avoid sampling from locations that increase the likelihood of a false positive. Some examples of unsuitable sites are:

- Well-water samples from outside water spigots.
- Swivel-type faucets
- Faucets with a single valve for hot and cold water.
- Faucets that have leaky packing material around the stem.
- Faucets close to or below ground level.
- Faucets that have threads on the inside of their spouts.
- Faucets that have aerators that cannot be removed.
- Unsanitary conditions near water connection.
- Water connection with unsteady water flow.

Sample Collection Procedure

1. Do not contaminate the sterile sample bottle or cap with fingers.
2. Samplers shall not wear bug repellents or sunscreen.
3. Remove aerator, screen and all attachments from the faucet. Water taps used for sampling are to be free of aerators, hose attachments, mixing type faucets and purification devices.
4. Wipe the faucet rim or tap with an alcohol swab or lint free cloth dampened with bleach and water.
5. Turn on cold water tap and run for four minutes *and* until water temperature has stabilized. Reduce flow so a stream of water is no greater than 1/8 inch in diameter. Do not change water flow once you have started sampling.
6. Wash hands thoroughly with a hand sanitizer or other sanitizing method. Be careful not to touch your face, ground, or anything but the bottles.
7. Remove container cap. Hold the bottle in one hand and cap with other. Do not put cap face down or in pocket. Do not allow inside of cap, inside of container or bottle threads to be touched by any object or fingers. Do not breathe toward cap or bottle.
8. Do not rinse the bottle or remove any preservative liquid or tablets in the bottom of the container.
9. Fill the container.
10. Carefully replace cap on container and tighten securely.

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. EXHIBIT C

AMERICANS WITH DISABILITIES ACT OF 1990 Equal Opportunity for Individuals with Disability

The contractor and the County of Monmouth, (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
