PROFESSIONAL SERVICES CONTRACT SAMPLE

This Agreement made this {XX} day of {Month, Year}, by and between the Board of Recreation Commissioners, County of Monmouth, State of New Jersey, with offices at 805 Newman Springs Road, Lincroft, New Jersey 07738, hereinafter referred to as the "Board," and

*{VENDOR NAME
STREET
CITY, STATE, ZIP}*

Hereinafter referred to as the "Professional." The parties agree as follows:

1. Project Description: The Professional shall perform services under the terms and conditions of this Agreement as well as the specifications for {Proposal Title, (PS#XX-XX, Opening Date: xx/xx/20XX)}, the Professional's proposal in response to {PS#XX-XX} and the resolution awarding this Agreement, all of which are incorporated herein and made part of this Agreement as if set forth in full. Should there occur a conflict between the description of the scope of work set forth in this Agreement and the specifications, this Agreement shall prevail.
2. Fees: The Board agrees to pay the Professional for the services performed under this Agreement the sum of {\$0,000.00} in such manner as set forth in the proposal received {Insert Proposal Date xx/xx/20xx} and the proposal specifications.
3. Payment to the Professional: Payment shall be made upon performance of the services per the specifications set forth in {PS #xx-xx} to the satisfaction of the Board or the Board's appointed agent and upon submission of completed vouchers in the form supplied by the Board. The Professional shall not incur fees for services in excess of the monies periodically budgeted and authorized by the Board for payment to the Professional.

Should Professional either refuse or neglect to perform the service which Professional is required to perform in accordance with the terms of this Agreement, and if expense is incurred by the Board by reason of Professional's failure to perform, then and in that event, such expense shall be deducted from any payment due to Professional. Exercise of such set-off shall not operate to prevent the Board from pursuing any other remedy to which it may be entitled.

Acceptance of the final payment by the Professional shall be considered a release in full of all claims against the Board arising out of, or by reason of, the work performed, and materials furnished under the Agreement.

4. Additional Payment to the Professional: Any additional payment to the Professional over and above the amount specified in the original contract shall be authorized only upon the approval of the Board prior to the additional services being performed. The Professional must receive a resolution in writing indicating that the Board has authorized the additional services.
5. Contract Amendment Procedures: The Professional hereby recognizes that on all projects involving the County of Monmouth ("County"), strict compliance with New Jersey statutes and the New Jersey Administrative Code concerning contract amendments will be required. The Professional acknowledges that only the Board may authorize an amendment to the work administered by the Professional, whether the amendment is an addition, reduction, or any other change to the specified work. The Professional acknowledges that no consultant ever has the authority to authorize contract amendment work and is responsible to notify all of its employees and subcontractors that strict compliance with this aspect of the law will be required.
6. Termination: The Board may terminate this agreement at any time by written notice to the Professional. The notice may be delivered personally to the Professional or mailed by registered or certified mail, return receipt requested, to the Professional. If this Agreement is terminated by the Board, the Board shall be liable to the Professional for payment of fees as to services rendered by the Professional prior to the termination. Notwithstanding the above, the Professional, where applicable, shall not be relieved of liability to the Board for damages sustained by the Board by virtue of any breach of the Agreement by the Professional, and the Board may withhold any payments to the Professional for the purpose of set off until such time as the exact amount of damages due to the Board from the Professional is determined. Termination shall not operate to affect the validity of the indemnification provisions of this Agreement.

Access to Records: The Professional shall maintain books, records, documents, and other evidence directly pertaining to the performance of services under this Agreement in accordance with accepted professional practice, appropriate accounting procedures and practices, and applicable state and federal law. The Professional shall also maintain the

financial information and data used in the preparation of or in support of any cost submission required with regard to the project.

The Board or any other concerned County, State or Federal entity, or their duly authorized representatives, shall have access to the Professional's books, records, documents, and other evidence of services performed, for the purpose of inspection, audit and copying. The Professional will provide adequate facilities for such access. Audits conducted pursuant to this provision shall be in accordance with generally accepted auditing standards and established procedures and guidelines of the reviewing or auditing agencies. The Professional agrees to the disclosure of all information and reports resulting from access to records pursuant to this section to any governmental agency. In any case where the audit concerns the Professional, the auditing agency will afford the Professional an opportunity for an audit exit conference and an opportunity to comment on the pertinent portion of the draft audit report. The final audit report, if any, will include any written comments of the Professional.

The Professional shall maintain all documentation related to products, transactions, or services under this Agreement for a period of five (5) years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request as per *N.J.A.C 17:44-2.2*. In addition, records related to any dispute, appeal, litigation, claim settlement, or audit exception shall be maintained for three (3) years after the date of resolution of same.

Plans and/or Specifications: All plans and/or specifications prepared by the Professional become the property of the Monmouth County Park System.

9. No Discrimination: The Professional agrees to comply with the Anti-Discrimination in Employment requirements of N.J.S.A. 10:2-1, set forth in Exhibit A attached hereto. The Professional also agrees to comply with the Equal Employment Opportunity requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 et seq., set forth in Exhibit B attached hereto. The Professional also agrees to comply with the Americans with Disabilities Act requirements of 42 U.S.C. § 12101 et seq., set forth in Exhibit C attached hereto. The Professional shall not discriminate nor permit discrimination by any of its officers, employees, agents, representatives, or subcontractors against any person because of age, race, color, religion, national origin, sex, creed, religion, ancestry, marital status, affectional or sexual orientation, familial status, disability, nationality, gender identity or, with respect to otherwise qualified individuals, disability. The Professional will take all actions reasonably necessary to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their age, race, color, religion, national origin, sex, creed, religion, ancestry, marital status, affectional or sexual orientation, familial status, disability, nationality, gender identity or, with respect to otherwise qualified individuals, disability. Such action shall include, without limitation, recruitment, and recruitment advertising; layoff or termination; upgrading, demotion, transfer, rates of pay or other form of compensation; and selection for training, including apprenticeship. The Professional shall impose these non-discrimination provisions by contract on all subcontractors hired to perform work related to this Agreement and shall take all reasonable actions necessary to enforce such provisions. The Professional will post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
10. Covenant Against Contingent Fees: The Professional warrants that no person or company, other than a bona fide employee of the Professional, has been employed or retained to solicit or secure this Agreement in return for a commission, percentage, brokerage, or contingent fee. If the Professional breaches this provision, the Board has the right, in its discretion, (a) to annul this Agreement without further liability to the Professional or (b) to reduce the amount payable to the Professional under the Agreement by an amount equal to the commission, percentage, brokerage or contingent fee. If the latter option is chosen by the Board, the Professional will refund any overpayment, that is, if the revised remaining balance due under the Agreement is insufficient to offset the reduction.
11. Multi-Year Contracts. If the contract period extends beyond the Board's current budget year, the Agreement shall be subject to the availability and appropriation annually of sufficient funds in any subsequent year(s).
12. Insurance: For the duration of this Agreement, the Professional will procure and maintain insurance, at the Professional's expense, provided by insurance companies authorized to do business in the State of New Jersey, covering all services performed under this Agreement by the Professional or the Professional's subcontractors, as follows:
 - (a) Workers Compensation Insurance: The Professional shall maintain Workers' Compensation Insurance in accordance with the Laws of the State of New Jersey.
 - (b) Public Liability and Property Damages Insurance: The Professional shall maintain Public Liability and Property Damage Insurance, in an amount of not less than \$1,000,000.00 combined single limit, covering the Professional and the Professional's subcontractors. The policy shall insure against claims for bodily injury, including accidental death, as well as claims for property damage which may arise from the services rendered under this

Agreement, whether performed directly by the Professional or by the Professional's subcontractor or by anyone directly or indirectly employed by either.

- (c) The County of Monmouth, Monmouth County Board of Recreation Commissioners, and their respective officers, servants and agents must be named as additional insured on all policies except the Worker's Compensation policy.
- (d) Business/Personal Automobile Coverage: The Professional shall maintain Comprehensive Automobile Liability Insurance, in an amount of not less than \$1,000,000.00 combined single limit, covering all vehicles used by the Professional in furtherance of this contract prior to commencement of work under this Agreement.
- (e) Professional Liability (Errors & Omissions Insurance): The Professional shall maintain Professional Liability Insurance in an amount of not less than \$1,000,000.00 combined single limit covering the Professional and the Professional's sub-contractor. Prior to commencing work the Professional will provide the Board with Certificates of Insurance in a form satisfactory to the Board of Recreation Commissioners as to each of the above coverages. The certificate for Public Liability/Property Damage and Business/Personal Automobile coverage shall name the County of Monmouth as additional insured. The County of Monmouth shall not be named as additional insured on the certificates covering Workers' Compensation Insurance and Professional Liability Insurance. The certificates will provide that the policies will not be changed or cancelled without at least 15 days written notice to the Board. If any coverage expires, is cancelled or is replaced during the period of which proof of insurance is required under this Agreement, a renewal or replacement certificate will be provided to the Board prior to the expiration, cancellation or replacement of coverage. If any coverage expires, is cancelled or is replaced before proof of renewal or replacement coverage is provided to the Board, the Professional will immediately cease work under this contract until a proper certificate of insurance is furnished to the Board.

13. Indemnification: The Professional agrees that it will protect, indemnify and hold harmless the County of Monmouth, its Board of Recreation Commissioners, the Monmouth County Board of County Commissioners, Monmouth County Constitutional Officers (Sheriff, County Clerk, Prosecutor and Surrogate), and their respective employees, volunteers, and agents (together, the "County Indemnified Parties"), from and against (and pay the full amount of) all liabilities, obligations, delays, penalties, charges, taxes, fees and costs, deposits, actions, damages, claims, demands, judgments, losses, attorneys' fees, expenses, and suits, and will defend the County Indemnified Parties in any suit, including appeals, for personal injury to, or death of, any person, or loss or damage to property, arising out of (1) actual or alleged negligence, intentional, or wrongful conduct of the Professional or any of its officers, members, employees, agents, representatives, or subcontractors in connection with its obligations or rights under this Agreement, (2) actual or alleged Professional breach, (3) actual or alleged performance or non-performance of the Professional's obligations under this Agreement, or (4) the Professional's actual or alleged failure to pay its workers, suppliers, or subcontractors for labor or materials provided to the Board. The Professional's indemnity obligations hereunder shall not be limited by any coverage exclusions or other provisions in any insurance policy maintained by the Professional which is intended to respond to such events. The Professional's indemnification obligation shall not include claims that are finally determined to result from the sole negligence or willful misconduct of the Board.

A County Indemnified Party shall promptly notify the Professional of the assertion of any claim against it for which it is entitled to be indemnified hereunder, shall give the Professional the opportunity to defend such claim, and shall not settle the claim without the approval of the Professional. The Professional agrees that the County reserves its right to monitor and actively participate in the defense of any and all claims against the County, at its own expense, if, in its sole discretion, the County chooses to do so. These indemnification provisions are for the protection of the County Indemnified Parties only and shall not establish, of themselves, any liability to third parties. The provisions of this Indemnification shall survive termination of this Agreement.

14. Successors and Assigns: This Agreement shall be binding upon the Board and its successors and upon the Professional and the Professional's successors. This Agreement may not be assigned by the Professional without the prior written consent of the Board, which may be withheld in the Board's sole discretion for any reason, or for no reason at all. Any such approval given in one instance shall not relieve the assigning party of its obligation to obtain the prior written approval of the other party to any further assignment. The approval of any assignment shall not operate to release either party from any of its obligations under this Agreement unless the written approval specifically provides otherwise. Any assignment of this Agreement shall require the assignee to assume the performance of and observe all obligations, representations, and warranties of the assigning party under this Agreement.

15. Alternate Dispute Resolution (Non-Binding Mediation): If a dispute between the County and the Professional arises during the course of the contract, the parties will participate, in good faith, in non-binding mediation.

Either party may demand such mediation by written notice of the other party. The written notice shall contain at least (a) a

brief statement of the nature of the dispute, and (b) the name, address, and phone number of that party's designated representative for the purposes of mediation. The other party shall designate its representative for mediation in writing no later than five business days after receipt of the demand for mediation. The respective designees shall thereupon, and promptly, with due regard for the need for timely action, choose a mediator. If the parties cannot agree on a mediator, or if they prefer, they shall choose a reputable mediation firm. Any mediation firm so chosen shall present a list of at least five proposed mediators to the parties and shall provide the parties with a summary of each person's qualifications to serve as the mediator. Each party shall rank the proposed mediators in order of preference.

The fifth person on each list will be excluded from further consideration. The chosen mediator shall be the person who is the combined highest-ranking mediator on both preference lists excluding the fifth person on each list. In the event of a tie, the mediator shall be chosen by lot.

The parties will not be bound by the Rules of Evidence in presenting the positions before the mediator.

The mediation shall be conducted in such reasonable and efficient manner as may be agreed between the parties and the mediator if possible, or as may be determined by the mediator.

Each party will bear its own costs of participation in mediation, and they will divide the costs of the mediations equally.

If, after a good faith effort to resolve the dispute through mediation, the dispute is not resolved, either party may terminate the mediation by written notice to the mediator and to the other party, whereupon either party may submit the dispute to the courts.

16. Forum for Litigation. It is the express intention of the parties that all legal actions and proceedings related to this Agreement or to any rights or any relationship between the parties arising therefrom shall be commenced before the Superior Court of New Jersey, venued in Monmouth County; provided, however, that when circumstances allow for federal jurisdiction (based on diversity of citizenship or otherwise), such legal actions and proceedings may be maintained in federal court having jurisdiction over the Board. The Professional irrevocably consents to the jurisdiction of such courts in any such actions or proceedings, and the Professional waives any objection it may have to the laying of the jurisdiction of any such action or proceeding.
17. Notices. Any notices that are provided pursuant to this Agreement shall be in writing (including facsimile and electronic transmissions) and mailed or transmitted or delivered as follows:

The Professional has previously provided the Board with a copy of the Professional's New Jersey Business Registration Certificate and that of any named subcontractor, verifying that the Professional and subcontractors are properly registered with the New Jersey Department of the Treasury. The Professional acknowledges that:
- (i) N.J.S.A. 52:32-44 imposes the following requirements on contractors and all subcontractors that knowingly provide goods or perform services for a contractor fulfilling this contract: 1) a subcontractor named in a bid or other proposal made by a contractor to a contracting agency shall provide a copy of its business registration to the contractor who shall provide it to the contracting agency; 2) the contractor shall maintain and submit to the contracting agency a list of subcontractors and their addresses that may be updated from time to time during the course of the contract performance; 3) prior to receipt of final payment from a contracting agency, the contractor must submit to the contracting agency a complete and accurate list of all subcontractors or attest that none was used; 4) during the term of this contract, the contractor and its affiliates shall collect and remit, and shall notify all subcontractors and their affiliates that they must collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all taxable sales of tangible personal property delivered into this State.
 - (ii) A contractor or subcontractor who fails to provide proof of business registration or provides false business registration information shall be liable to a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration not properly provided or maintained under a contract with a contracting agency. Information on the law and its requirements is available by calling (609) 292-9292.
19. Counterparts. This Agreement may be fully executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one agreement binding upon all parties, notwithstanding that all parties have not signed the same counterpart. Such executions may be transmitted to the parties electronically or by facsimile, and such electronic or facsimile execution shall have the same force and effect as an original signature.
20. Annual Campaign Contribution Disclosure Requirements. Pursuant to N.J.S.A. 19:44A-20.27, Any business entity making a contribution of money or any other thing of value, including an in-kind contribution, or pledge to make a contribution of any kind to a candidate for or the holder of any public office having ultimate responsibility for the awarding of public contracts, or to a political party committee, legislative leadership committee, political committee or continuing political committee, which has received in any calendar year \$50,000 or more in the aggregate through agreements or contracts with a public entity, shall file an annual disclosure statement with the New Jersey Election Law Enforcement Commission, established pursuant to section 5 of P.L.1973, c.83 (C.19:44A-5), setting forth all such contributions made by the business entity during the 12 months prior to the reporting deadline.
21. Governing Law. This Agreement shall be governed by and construed in accordance with laws of the State of New Jersey.
22. Severability. In the event that a court of competent jurisdiction finds any term or clause in this Agreement to be invalid, unenforceable, or illegal, the same will not have an impact on other terms or clauses in the Agreement or the entire Agreement. Rather, such term or clause shall be regarded as stricken while the remainder of this Agreement shall continue to be in full effect. Such invalid, unenforceable, or illegal term or clause may be revised to the extent required to render the Agreement enforceable or valid, and the rights and responsibilities of the parties shall be interpreted and enforced accordingly, so as to preserve their agreement and intent to the fullest possible extent.
23. Drafting Responsibility. Neither party shall be held to a higher standard than the other party in the interpretation or enforcement of this Agreement as a whole or any portion hereof as a result of having assumed primary drafting responsibility of this Agreement.
24. Compliance with Applicable Law. The Professional shall, and shall cause all subcontractors to, perform in accordance with Applicable Law. The Professional shall provide all notices, reports, and submissions required by Applicable Law. In the event that revisions in laws, rules, regulations, or other Applicable Law require changes to the Professional's performance under the Agreement, the Professional shall comport with these updated requirements of Applicable Law.

"Applicable Law" means any law, rule, regulation, requirement, guideline, action, determination or order of, or legal entitlement issued or deemed to be issued by, any federal, state or local agency, court or other governmental body having jurisdiction, applicable from time to time regarding any transaction or matter contemplated by this Agreement.

25. No Third-Party Beneficiaries. Nothing in this Agreement is intended to confer on any person other than the parties hereto

and their respective permitted successors and assigns hereunder any rights or remedies under or by reason of this Agreement.

- 26. No Waivers. No action of the Board or Professional pursuant to this Agreement (including, but not limited to, any inspection, investigation, or payment), and no failure to act, shall constitute a waiver by either party of the other party's obligation to comply with any term or provision of this Agreement. No course of dealing or delay by the Board or Professional in exercising any right, power or remedy under this Agreement shall operate as a waiver thereof or otherwise prejudice such party's rights, powers, and remedies.
- 27. No Consequential or Punitive Damages. In no event shall either party hereto be liable to the other or obligated in any manner to pay to the other any special, incidental, consequential, punitive or similar damages (but not actual or direct damages) based upon claims arising out of or in connection with the performance or non-performance of its obligations or otherwise under this Agreement, whether such claims are based upon contract, tort, negligence, warranty or other legal theory. The waiver of the foregoing damages applies only to disputes and claims as between the Board and the Professional. Nothing in this paragraph shall limit the obligation of the Professional to indemnify, defend and hold harmless the County Indemnified Parties for any special, incidental, consequential, punitive, or similar damages payable to third parties resulting from any act or circumstance for which the Professional is obligated to indemnify the County Indemnified Parties in accordance with and to the extent provided hereunder.

IN WITNESS WHEREOF, the Board and the Professional have executed this Agreement on the dates indicated below.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and

EXHIBIT C

AMERICANS WITH DISABILITIES ACT OF 1990 Equal Opportunity for Individuals with Disability

The contractor and the County of Monmouth, (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (*42 U.S.C. §12101 et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees, and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
