Reasonable Modifications

The Monmouth County Division of Transportation is fully compliant with the Para transit requirements of the ADA. We are committed to making reasonable modifications to policies, practices and procedures to ensure that the Monmouth County Para transit services are accessible to everyone. The Monmouth County Division of Transportation will make a reasonable attempt to provide additional assistance requested by any passengers with disabilities so as long as the request does not present a direct threat of safety to the passenger(s) and/or the county employee and/or the request does not alter the fundamental transportation services provided by the County of Monmouth.

To make a request for a "Reasonable Modification", please contact the Monmouth County Division of Transportation at (732) 431-6480 and speak to our route supervisor for further information.
