## EXHIBIT A

### MONMOUTH COUNTY COMMODITY RESALE SYSTEM

#### Commodities available:

- Gasoline
- Diesel fuel
- Snow removal chemicals
- Public works materials and supplies, including road and roadway construction materials
- Such other materials as may be approved by the Director of the Division of Local Government Services

#### Pricing:

It is the intent that the County will recoup its actual costs, but no profit. Therefore, the cost of the commodities shall be the actual cost paid by the County for the commodities plus a modest administrative fee, as quoted by the County.

#### Procedure:

If the Local Government Entity is interested in purchasing a commodity through the County's Commodity Resale System, the Local Government Entity will submit a completed Request Form to the County. If the County is able to honor the request, the County will approve the request and issue a price quotation. The Local Government Entity will then decide, at its option, whether or not to complete the requested purchase, at the price(s) quoted by the County.
