Message from our President, Joseph Azzolina, Jr.:

Thankfulness...

The Friends of the Parks are thankful to all those who support us!

We are thankful to Dan Seitz and Doris Scheuing for leaving the legacy that became Historic Portland Place in Locust.

We are thankful for the beauty and serenity of Timolat Farm in Huber Woods and are looking forward to hosting Friends events in the newly renovated barn in the upcoming year.

We are thankful to everyone who chose to honor their loved one's memory by dedicating a bench in one of our beautiful parks.

We are thankful that your support allows us to support the Urban Recreation and Community Recreation Divisions with camp scholarships and afterschool programs.

We are thankful to the volunteers who give their precious time and energy to help maintain our parks and run programs and events.

Most of all, the Board of the Friends of the Parks are thankful to YOU, our members and supporters, who make all these things and so many more possible!

Thank you!

Joseph Azzolina, Jr., President

Partnerships

The Friends of the Parks is proud to be an approved 501(c)(3) non-profit charitable organization that participates in the New Jersey Employees Charitable Campaign (NJECC). This program enables county and state employees to contribute to the Friends of the Parks through payroll deductions.

Our organization also receives support from the Amazon Smile Foundation, Benevity Community Impact Fund and many other smaller establishments and individuals.

In 2022, the Friends of the Parks received \$10,813 in unrestricted contributions.

Grants

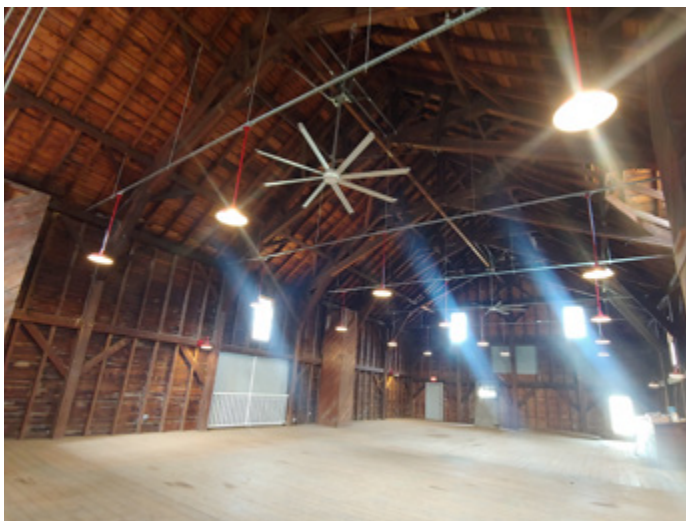

The Friends of the Parks received an \$800 grant from the Hardy Plant Society Mid-Atlantic Group for Monmouth County Park System naturalists to create a native species garden.

Special Projects and Distributions

Historic Portland Place – \$94,126

Thanks to a donation from a bequest, the Friends were able to provide funding for the design, fabrication and installation of exhibits in the Portland Place Orientation Exhibit. These show the rich history of the Hartshorne family and Hartshorne Woods Park. Additional funding was also provided for the manicured gardens, patio furniture and teak benches which allow visitors to absorb the beauty and tranquility of the garden, lawn and river.

Timolat Farm Barn Renovation – \$74,032

Renovations to the Timolat barn located on the Timolat Farm in Huber Woods Park, Middletown Township, were completed through Friends' funding provided by a private donor.

Memorial Donations – \$41,260

The Friends of the Parks are honored to assist families in honoring a loved one's memory through a donation of a bench or tree. These donations enhance the beauty of the parks in a way that was special to the deceased while providing joy and comfort to the family. This is a lovely way to honor a memory.

Camp Scholarships & Programs for Urban Youth - \$14,511

The Friends of the Parks provide the Recreation Assistance Program (RecAssist) much needed support for the Urban Recreation Division and Community Recreation Division for Monmouth County's underserved communities such as Asbury Park, Neptune Township, Neptune City, and Long Branch. Annual funding is furnished for summer camp scholarships, door-to-door transportation, and park excursions. In addition, the Friends of the Parks fund after school excursions, organized group events, holiday parties and programs. Proceeds from our Annual Recreation Assistance Appeal help support this effort.

Monmouth County Park System Naturalists - \$4,330

The Friends sponsored a team of naturalists to participate in the World Series of Birding held during spring migration. Funds raised from this event plus additional Friends' funding were used to replace the aging Purple Martin houses in Thompson Park and Dorbrook Recreation Area. Other funding was provided to create a native hardy shade pollinator garden in Huber Woods.

Environmental Centers - \$2,885

The Friends of the Parks provided funds to upgrade the "Nature on the Move" mobile nature center van's switch box power inlet and the purchase of an auxiliary battery.

Historic Services - \$561

The Friends of the Parks provided funding to Historic Longstreet Farm for period costumes, notions and fabric for clothing and draperies, lanterns and heirloom trees and vegetables.
