The *Friends of the Parks* is proud to be an approved 501(c)(3) non-profit charitable organization that participates in the New Jersey Employees Charitable Campaign (NJECC). This program enables county and state employees to make a contribution to the *Friends of the Parks* through payroll deductions.

The *Friends of the Parks* received \$1,231 in 2019.

# Special Projects Completed

## **Brookdale Farm National Register of Historic Places Application – \$10,000 • Thompson Park, Lincroft**

Historic research for the application for Brookdale Farm to be listed on the National Register of Historic Places was completed and submitted to the National Park Service. Brookdale Farm was the original name for what is now known as Thompson Park, Lincroft. The Thompson family has a rich history of philanthropy here in Monmouth County. Geraldine Thompson was the founder of the Visiting Nurses Association of Central Jersey, encouraged and assisted Monmouth County in opening a TB Clinic in Wall and was a crusader in women's prison reform. Brookdale Farm was the Thompson's summer home and consisted of what is today's Thompson Park and Brookdale Community College. The *Friends of the Parks* were proud to help preserve this historic piece of Monmouth County's rich history. The State of New Jersey has approved the nomination application and final approval for the acceptance is pending from the National Park Service.

## **Commission for Accreditation of Park and Recreation Agencies, CAPRA - \$4,276 • Hospitality**

This peer-led national accreditation review board conducted an on-site evaluation of the Monmouth County Park System in April. The National Recreation and Park Association (NRPA) provides certification through this process as a way of recognizing park and recreation agencies for excellence in operations and service. The *Friends of the Parks* were happy to host a hospitality event and pay for lodging for the accreditation team. In November, the Park System was notified that it was awarded its 5th CAPRA re-accreditation. The Monmouth County Park System was the first county park system in the country to receive this prestigious recognition!

## **Historic Services – \$2,074 • Historic Longstreet Farm, Holmdel**

The *Friends of the Parks* purchased a Fairbanks-Morse engine for the thresher at Historic Longstreet Farm, Holmdel. This period style thresher is used to harvest wheat. The Friends also purchased over 18 yards of fabric, three historic patterns, and a large number of sewing notions (corset supplies, thread, scissors, etc.) to be used for the reproduction of historic clothing; also funded were 19th century replicas of work dresses and hats for staff and docents.

## – Special Donations –

## **Timolat Farm, Huber Woods Park, Middletown - \$157,381.61**

Timolat Farm is located within Huber Woods Park, Middletown. This tranquil property is graced with four tiered ponds, rolling meadows, whispering forests, a farmhouse and a barn. As part of a continuing project, the Friends provided funding for site improvements to the property, farmhouse and barn. Renovations and improvements are scheduled to continue through 2021. The Friends have previously funded invasive species remediation and native plant restoration. This phase of the project will include architectural plans and renovations to the barn and farmhouse. Once complete, these improvements will allow the Park System to host programs, day camps and group activities in this amazing structure. Funding and historic support for this project was provided through generous donations from Florence Timolat Short and Cecile Timolat McCaffery (daughters of the Timolat family).

## **Lions Sensory Den - \$122,000**

The Friends were excited to coordinate with the Colts Neck Lions Club and the Monmouth County Park System to add a sensory play area to Challenger Place, Dorbrook Recreation Area, Colts Neck. This addition features sensory play equipment that is musically themed and designed for visually impaired children. The *Friends of the Parks* were delighted to accept this generous donation from the Colts Neck Lions Club on behalf of the Park System.

# Annual Distributions

## **Camp Scholarships & Programs for Urban Youth – \$13,992**

The *Friends of the Parks* continue to support the Recreation Assistance Program (RAP) by providing 20 scholarships for children from Monmouth County's underserved communities such as Asbury Park, Neptune Township, Neptune City, and Long Branch. These campers are able to participate in week-long summer camps (including door-to-door transportation), summer concerts, boat tours, and farm tours. In addition, the Friends fund a trip to see the Harlem Globetrotters, an afternoon of bowling, holiday parties, and programs at the Park System's Coastal Activity Center in Asbury Park. Proceeds from our Annual RAP Appeal support this effort.

## **Employee Education & Training – \$3,874**

Continuing education is an important component to keeping an organization vital. Monmouth County Park System employees were able to attend national training seminars and in-house training conferences for continuing education thanks to *Friends of the Parks* funding.

## **Volunteer Events, Trail Tools, National Trails Day Luncheon, and Holiday Cards – \$2,238**

The *Friends of the Parks* are proud to show our appreciation for the volunteers of the Monmouth County Park System. We sponsor the National Trails Day Luncheon on the first Saturday in June, provide dessert at the Annual Volunteer Recognition Luncheon in March, and pay for Thanksgiving cards and postage. In addition, the *Friends of the Parks* were proud to purchase new tools for the volunteer trails team. These dedicated volunteers maintain over 125 miles of Monmouth County Park System trails.

## **Semi-Formal and a Day with John Marshall for Individuals with Disabilities – \$696**

Each year the *Friends of the Parks* sponsor the Therapeutic Recreation Semi-Formal at Tatum Park, Middletown. This support includes: refreshments, entertainment and gift bags for all attendees. In addition, the Friends provided funding for a visit from CBS's own weather expert, John Marshall. Participants learned the ins-and-outs of weather reporting and got to report the weather in front of a green screen – just like the pros.

# 2019 Fundraising Events & Membership

## **Membership - \$32,788**

Through your generous support, we are able to fulfill the many worthwhile requests for special projects and annual distributions from the Monmouth County Park System.

## **Annual Meeting - \$1,500**

Food Circus Super Markets Inc, Complete Security Systems, and Two River Community Bank sponsored a buffet breakfast for the *Friends of the Parks* members who attended the 2019 Annual Membership Meeting, held at Hominy Hill Golf Course Clubhouse, Colts Neck. The morning consisted of a brief business meeting and Park System presentations. Monmouth County Park System's Deputy Director Andrew Spears discussed the upcoming addition to the playground at Dorbrook Recreation Area. Challenger Place is a universally equipped play area that allows children of all abilities to play side by side. Thanks to the generosity of the Colts Neck Lions Club there will be a new section known as "The Lions Den". This will consist of equipment specifically designed for sight impaired children. Park System Naturalist Jason Goldman illustrated the beauty and diversity of our underappreciated pollinators - moths.

On September 19, we celebrated Nature on the Move with a wine tasting to celebrate the Monmouth County Park System. Guests were treated to a sampling of deluxe wines, craft beer and locally distilled spirits in the beautifully remodeled Holland Activity Center at Tatum Park. The Friends honored the Colts Neck Lions Club for their contribution to the Lions Sensory Den addition to Challenger Place in Dorbrook Recreation Area. Entertainment was provided by the Count Basie Center for the Arts Jazz Quartet.

## **Annual Golf Outing - \$20,135**

The *Friends of the Parks* Annual Golf Outing was held at Charleston Springs Golf Course, Millstone. The outing began with a continental breakfast, followed by 18 holes of golf and included a putting contest, games of skill, luncheon, prizes and gift auction. Thank you to our sponsors and golfers!

## **Monmouth County Fair 50/50 Raffles - \$18,821**

The 2019 Monmouth County Fair was five days and nights packed with fun and excitement. Three lucky winners shared the Super 50/50 drawing of \$4,551.50.

First prize winner was Diane Smocovich, second prize went to Ellen Conroy and third prize to Bianca Castronova. Fourteen lucky people shared \$14,269.50 in nightly drawings.

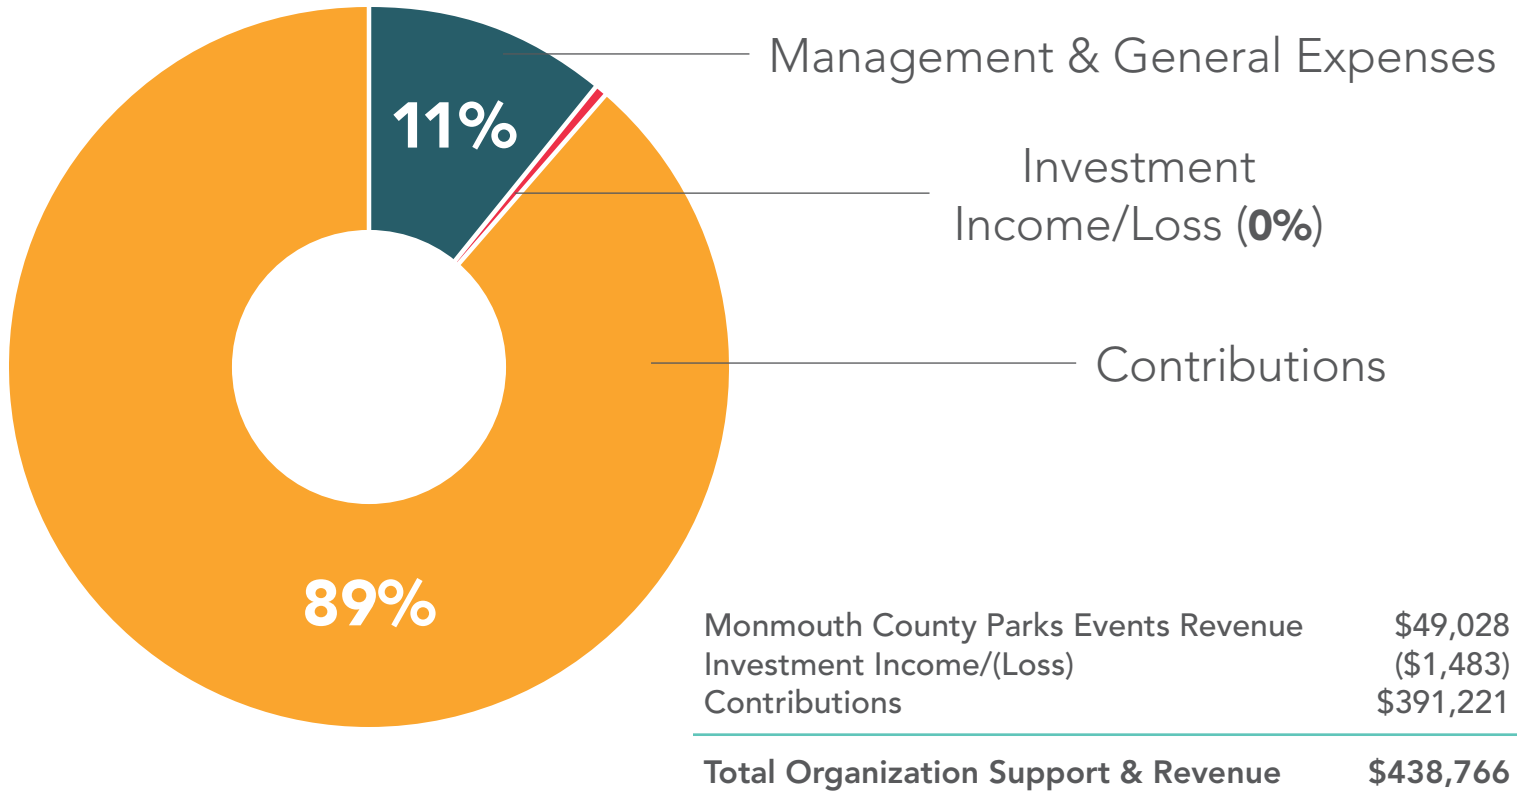

## **Strut Your Mutt - \$5,700**

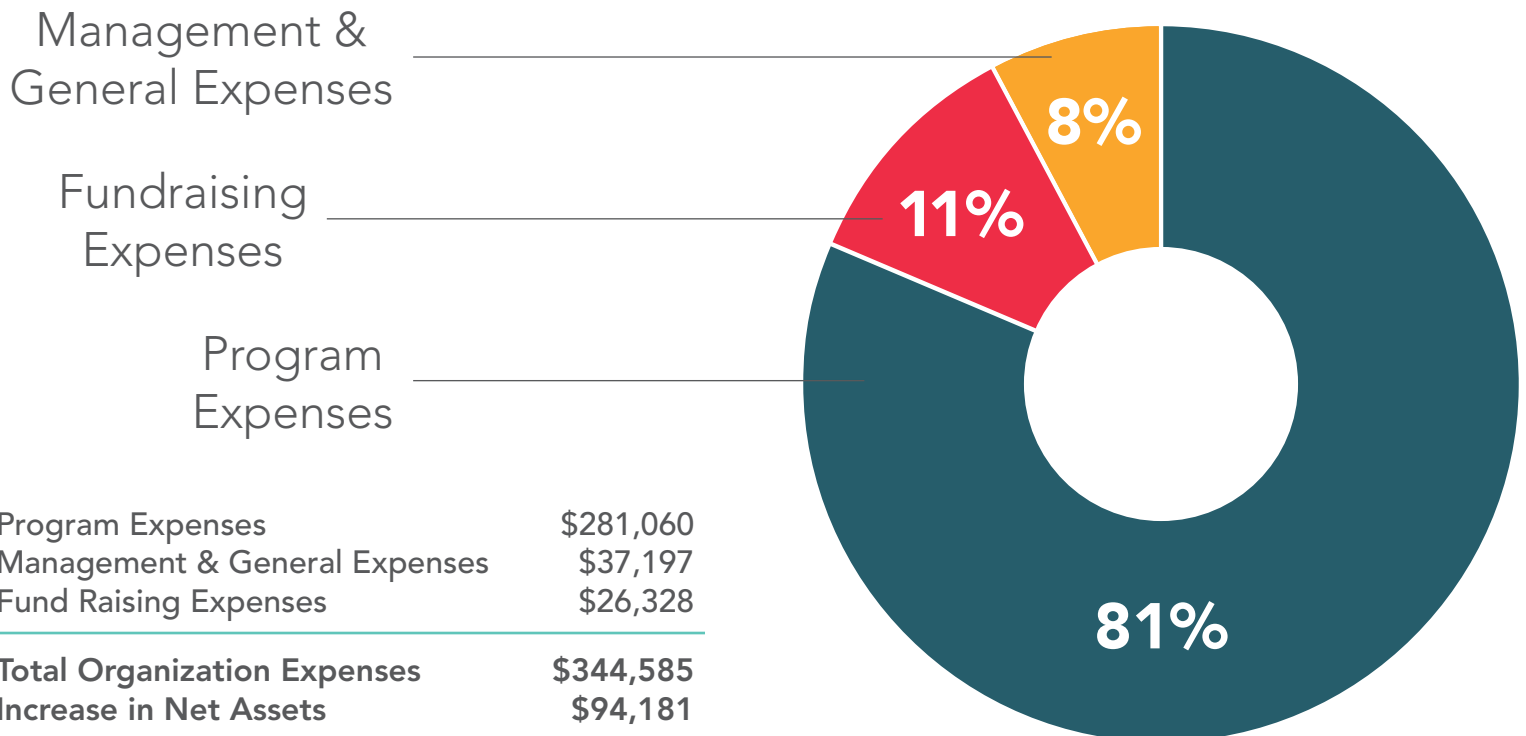

Rain could not keep enthusiastic crowds away who came out for our annual Strut Your Mutt Halloween Parade and Doggie Costume Contest at Thompson Park Day. Spectators cheered for their favorite costume-clad canines and their damp human companions. Unfortunately, due to the weather, the second parade was cancelled. Trophies were awarded for most original, funniest, scariest, prettiest and best canine/human combo. The contest was sponsored by Garden State Veterinary Specialists, Tinton Falls. The audience was also treated to a demonstration and meet-and-greet with the Monmouth County Sheriff's Office K-9 Unit.
