Youth Recreation Assistance Programs

Each year, the *Friends* pay for underserved youth to attend a week-long Monmouth County Park System camp of their choice, including door-to-door transportation. Each day is different and packed with activities at different parks: sports and fitness, boating, hiking, historic site tours, farm tours, and outdoor adventures.

Therapeutic Recreation Program

This program provides social activities in a structured setting for young adults with disabilities. The *Friends* annually fund trips and host a semi-formal dinner dance for participants of the Monmouth County Park System's Therapeutic Recreation Program.

The *Friends of the Monmouth County Park System, Inc.,* is a membership-based 501 (c)(3) charitable organization that provides financial support exclusively for Monmouth County Park System enhancements.
