Dear Friends:

On behalf of the Board of Directors of the *Friends of the Monmouth County Park System*, I am excited to share with you our Annual Report for 2015.

Last year, we began Phase II of the Battery Lewis restoration project. Located in Hartshorne Woods Park, this World War II Battery was crucial to the coastal defense of New York Harbor. Phase I included research and exhibit design as well as application fees for the National Register of Historic Places. We are proud that Battery Lewis was accepted and excited to have been part this project! Phase II is underway with completion of exhibit design and procurement of artifacts for the Battery Lewis exhibit. In the following pages, you will read about many exciting projects in our parks that we were proud to be a part of.

This year we were extremely proud to provide funding for additional activities and programs for the Urban Recreation Division through our Recreation Assistance Program (RAP) and for the Therapeutic Recreation Division.

I invite you to join me in celebrating all of the *Friends'* 2015 accomplishments highlighted in this report. We are proud of our role and ability to provide vital support to the Monmouth County Park System, and we sincerely thank our members and supporters for their continued generosity. We can all use a little help from our *Friends*.

Thank you,

Christopher T. Brett  
President

## PARTNERSHIPS

### Public Employees Support the Friends of the Parks through MCPECC & NJSECC

The *Friends of the Parks* are proud to be an approved 501(c)(3) non-profit charitable organization that participates in the New Jersey State Employees Charitable Campaign (NJSECC) and the Monmouth County Public Employees Charitable Campaign (MCPECC). These two programs enable county and state employees to make a contribution to the *Friends of the Parks* through payroll deductions.

The *Friends of the Parks* received \$1,835 in 2015 from employees who participated in each of these programs.

### Matching Gifts

Employee matching gift programs are a great way for donors to increase their donations made to the *Friends of the Parks*. In 2015, we received \$442 in matching gifts from corporations whose employees generously donated to the *Friends of the Parks*. Thank you to the Merck Foundation, McGraw-Hill Companies, and the Prudential Foundation Matching Gifts for generously donating on behalf of Christopher Brett, Anne Marie Mantz, Erin McNamara, and Carl Neff.

## Interpretive Exhibit Design for Battery Lewis – \$25,000

Funding for research and artifact purchases for Battery Lewis interpretive exhibits in Hartshorne Woods Park, Highlands. Battery Lewis was part of North Atlantic Coastal Defense to defend New York Harbor from German invasion during WWII. The *Friends of the Parks* have hired a professional exhibit designer to develop interpretive displays.

## Historic Services Keynote Speaker – \$600

The Monmouth County Park System was honored to be the host for the 2015 Mid-Atlantic Conference for the Association for Living History, Farm and Agricultural Museums. Dr. Richard Veit, Professor of Anthropology and Chair of the History Department at Monmouth University, was the keynote speaker. Dr. Veit presented on the rich history of Monmouth County from pre-historic times to modern day events.

## Wolf Hill Disc Golf Course Open House – \$149

Disc Golf is the hottest rage in tournament team sports. Disc Golf is based on the game of golf, substituting Frisbees and chain baskets. Like traditional golf, courses have obstacles and the lowest score determines the winner. The *Friends of the Parks* purchased the course equipment in 2014 and were honored to be part of ribbon-cutting ceremony for the course. The *Friends of the Parks* provided promotional discs so everyone present could join in on the fun! Wolf Hill Recreation Area is located in Oceanport.

## 2015 ANNUAL DISTRIBUTIONS

## Camp Scholarships & Programs for Urban Youth – \$16,313

The *Friends of the Parks* continue to support the Recreation Assistance Program (RAP) by providing 20 scholarships for children from Monmouth County's underserved communities such as Asbury Park, Neptune Township, Neptune City, and Long Branch. These campers are able to participate in week-long summer camps (including door-to-door transportation), summer concerts, boat tours, farm tours, a trip to see the Harlem Globetrotters, holiday parties, and programs at the Park System's Coastal Activity Center in Asbury Park. Proceeds from our Annual RAP Appeal support this effort.

### Employee Education & Training – \$7,560

Continuing education is an important component to keeping an organization vital. Monmouth County Park System employees were able to attend national training seminars and in-house training seminars for continuing education thanks to *Friends of the Parks* funding.

### Volunteer Events, Trail Tools, National Trails Day Luncheon, and Holiday Cards – \$2,207

The *Friends of the Parks* are proud to show our appreciation for the volunteers of the Monmouth County Park System. We sponsor the National Trails Day Luncheon on the first Saturday in June, provide dessert at the Annual Volunteer Recognition Luncheon in March, and pay for Thanksgiving cards and postage. In addition, the *Friends of the Parks* were proud to purchase new tools for the volunteer trail team. These dedicated volunteers maintain over 125 miles of Monmouth County Park System trails.

### Holiday Trip, Semi-Formal, and Day at the Beach for Individuals with Disabilities – \$2,398

Each year the *Friends of the Parks* sponsor the Therapeutic Recreation Semi-Formal at Tatum Park, Middletown. The group also attended a beach outing and Disney on Ice – Let's Celebrate. The *Friends of the Parks* paid for admission, refreshments and transportation for participants and chaperons.
