May 15, 2013**

Robert Trent Jones designed this championship par 72 course. It has often been rated one of the Top 25 Public Golf Courses by Golf Digest magazine. This course has hosted two USGA championship events: the 1983 Amateur Public Links and the 1995 Women's Amateur Public Links. Course amenities include a golf center with snack bar, driving range, practice putting green, and locker rooms with showers.

The *Friends of the Parks* is a non-profit 501 (c)(3), charitable organization that supports many important initiatives and projects that enhance the Monmouth County Park System's facilities and programs. We support the Recreation Assistance Program by providing access to recreation for urban youth. We assist the Therapeutic Recreation Division with adaptive equipment purchases and special trip fees. We provide exhibits and furnishings at our environmental centers and historic sites that enrich visitor experiences. Funds raised from this annual golf outing will benefit these ongoing projects.
