

## Medicare Part D Creditable Coverage Notice

The prescription drug coverage you have under County of Monmouth Health Benefit Plan is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2025. (This is known as “Creditable Coverage.”) **If you and/or your dependents have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please see the Creditable Coverage Notice sent from Insurance Administrator of America, Inc. for more details.**

## USERRA Notice

The Uniformed Services Employment and Reemployment Rights Act (USERRA) was enacted to ensure that members of the uniformed services are entitled to return to their civilian employment upon completion of their service. The following notice is designed to provide you with more information on your entitled rights and benefits under USERRA.

## Reconstructive Surgery Following a Mastectomy

If a participant or beneficiary receiving benefits under a medical program in connection with a mastectomy elects breast reconstruction, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- Reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas

Benefit coverage may be subject to any deductibles, copays and coinsurance limitations applicable to your medical program coverage.

Under federal legislation, group health care plans may not deny participants' eligibility (or continued eligibility) to enroll in or renew coverage under the plan solely to avoid this mandated coverage. Further, plans are also prohibited from providing financial incentives or disincentives to medical providers in order to avoid the mandate.

## Maternity and Newborn Infant Coverage

Coverage under the company's medical programs provides that maternity or newborn child coverage may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, health care plans and insurance issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Privacy Policy Reminder

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) require the County of Monmouth Health Benefit Plan to periodically send a reminder to participants about the availability of the plan's Privacy Notice and how to obtain that notice. The Privacy Notice explains participants' rights and the plan's legal duties with respect to protected health information (PHI) and how the plan may use and disclose PHI. To obtain a copy of the Privacy Notice or more information on the plan's privacy policies or rights under HIPAA, please contact:

## Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes in a standard format important information regarding covered benefits such as exclusions, cost-sharing, and continuation of coverage so you may compare across options. You may view your SBC(s) on [www.iaatpa.com](http://www.iaatpa.com).

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from County of Monmouth, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, please see the attached notice.

## Organ and Tissue Donation

Under the Health Care Quality Act, your plan must provide written materials about organ and tissue donation and inform members on how to make an anatomical gift. Donate Life New Jersey is the partnership between the Gift of Life Donor Program (Southern New Jersey) and NJ Sharing Network (Northern and Central New Jersey). If you wish to register to become an organ donor go to <https://registerme.org/>. To learn more about the Gift of Life Donor Program go to <http://www.donors1.org/>. # YOUR RIGHTS UNDER USERRA

## THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

### REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ☆ you ensure that your employer receives advance written or verbal notice of your service;
- ☆ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ☆ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ☆ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

### RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ☆ are a past or present member of the uniformed service;
- ☆ have applied for membership in the uniformed service; or
- ☆ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ☆ initial employment;
- ☆ reemployment;
- ☆ retention in employment;
- ☆ promotion; or
- ☆ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

### HEALTH INSURANCE PROTECTION

- ☆ If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- ☆ Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

### ENFORCEMENT

- ☆ The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- ☆ For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its **website at <http://www.dol.gov/vets>**. An interactive online USERRA Advisor can be viewed at **<http://www.dol.gov/elaws/userra.htm>**.
- ☆ If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- ☆ You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –**
