

Need to see a Doctor now? Get Connected with Virtual Care 24/7

When you need to see a doctor or nurse – anytime day or night – simply sign in to HorizonBlue.com or the **Horizon Blue app**¹. Get 24/7 access to U.S. board-certified doctors and registered nurses via video, phone or chat from the comfort of your home.

Convenient virtual care options:

See a doctor: Visit with a U.S. board-certified, licensed doctor without an appointment on a computer or mobile device through our telemedicine service, Horizon CareOnlineSM². This option is useful for treating common health problems like fever, colds and flu, sinusitis, skin irritations and rashes, abdominal pain, and more.

See a behavioral health specialist: You can also schedule an appointment with licensed psychiatrists, psychologists and social workers, from 7 a.m. to 11 p.m., for conditions such as anxiety, attention deficit/hyperactivity disorder (ADHD), bipolar disorder, and depression.

Talk to a nurse: Get advice and answers to health questions at no cost, 24/7, from a registered nurse through our Nurse Chat feature.

Who are the health care professionals?

Urgent medical care services for Horizon CareOnline are provided by U.S. board-certified, licensed doctors who average 15 years of experience in primary/urgent care.

Nurse Chat is staffed by registered nurses who have an average of 15 years of clinical experience and provide physician-approved information to guide health care decisions.

Horizon CareOnline is only available to members with the OMNIA health plan.
