3. **Parks Report**

Tom Fobes, Superintendent of County Parks/Park Operations, updated the Board with regard to park operations during March – April, as follows:

Trout Season:

Mr. Fobes reported that Trout season opened on Saturday, April 8, 2017. Parks and Greenways offering trout fishing opportunities include the Manasquan River Greenway, Shark River Park, Holmdel Park and Metedeconk River Greenway. Recent heavy rains and cool temperatures likely kept fisherman away this past weekend however warmer temperatures are expected this week with little rain which will provide good fishing opportunities.

Deer Management Program:

Mr. Fobes reported that preliminary results have been compiled for the 2016 -2017 Deer Management program. The program was a success this season as hunters participating in the program harvesting a total of 539 deer. It is expected that this number may rise slightly as hunters continue to submit harvest numbers. Contributing factors to a successful Deer Management program and season depend heavily on the weather, number of hunters participating and hunt - relating to the rut. New for the 2016-2017 Deer Management Program included two – tree stand, carry in – carry out areas (Hominy Hill Golf Course and Wickatunk Recreation Area) as well as the addition of a late season Category 1 Area (Dorbrook Recreation Area). All three areas had varying levels of success.

Henry Hudson Trail:

Mr. Fobes reported that a Bayside Drive, Atlantic Highlands residence, adjacent to the Henry Hudson Trail, experienced a land slide or movement to a gabion basket wall, impacting the Trail. The wall, originally placed in the late 1990s, began to slide, mostly likely due to heavy rains over the past few weeks. At least one of the gabion baskets (estimated 12' x 3') came to rest on Monmouth County Park System property. The area in question is located approximately 650 yards west of Popamora Point parking lot. A second slide was also observed approximately 75 yards from the first noted slide. At this time, the second slide does not impact Park System property.

Chairman Rummel recognized Ms. Sharon Smith Real, of Ocean Township, who noted that she was a student and required to attend a meeting of the public body.
