The Monmouth County Fire Academy will be offering

"Orienting Leadership: Retooling the Front Seat Rider's Brain"

Tuesday, December 9, 2025, from 1800-2200

Course Code is 20271000

Battalion Chief Danny Arroyo, NJ NFFF Advocate, will teach the class

NFFF Orienting training is a National Fallen Firefighters Foundation (NFFF) program designed to train fire officers by "retooling the front seat rider's brain to take intentional action to resolve crises". The goal is to help leaders focus on safety by providing practical, specific information on leadership, accountability, culture, and knowledge to prevent line-of-duty deaths and injuries. This is part of a larger NFFF initiative that provides various training opportunities for fire service personnel.
