The Monmouth County Fire Academy will be offering:

Deck Gun Operations

(4 hrs)

That big shiny appliance that sits on top of your fire truck isn't just for looking good at a parade. It is an effective firefighting tool. This course will address the Deck Gun as not only a defensive weapon but an offensive weapon in fighting fires.

Topics that will be discussed are:

- ❖ Deck Gun defined.
- ❖ What Does it Deliver?
- ❖ When should it be used?
- ❖ Apparatus Design and Positioning.
- ❖ How to prepare the Deck Gun for use and not waste tank water.
- ❖ What are the Risks?
- ❖ Deck Gun Tactics.
- ❖ Practice Makes Perfect- Training.

Videos will support how to make effective use of this tool, especially when staffing is limited and the right situation presents itself along with other examples of fire situations that make use of the deck gun as an effective offensive tool.
