Dear Prospective First-Time Homebuyers:

The Monmouth County Office of Community Development office has developed The First-Time Homebuyers Program to provide financial assistance to low- and moderate-income eligible county residents interested in purchasing a home. Financial assistance is provided in the form of a deferred second payment mortgage loan not to exceed \$10,000 that may be used towards down payment and/or closing costs.

Enclosed is a list of participating lending institutions that are qualified to assist you with this program. If you prefer to conduct business with a mortgage lender other than the one on the attached list, please have them contact our office so that we may qualify them as your lender of choice.

**The lending institution is the primary contact for the First-Time Homebuyers Program** and is responsible for collecting and forwarding your information to this office for processing.

In order to apply for assistance from Monmouth County, you must have a Contract of Sale in place.

When you apply for a mortgage for the property you intend to purchase, you will then apply for down payment assistance. You will also need to take a Housing Counseling class from a certified HUD approved agency, as your completion certificate must accompany your application.

**Please make sure you fill out the “Application for Down Payment Assistance” at the bank or lending institution. The lender will then forward all necessary documents to qualify you to our office, and we will determine whether or not you have met the requirements to receive assistance.**

Once the determination has been made, you will receive a preliminary letter that will inform you of the necessary steps to complete the process. Final approval decisions regarding a closing date will be made in approximately eight to ten weeks from our receipt of your application. The County will review and approve all documents identified in the First-Time Homebuyers Program Document Checklist. All closing documents must be reviewed and approved by County Counsel, so please arrange your closing schedule accordingly.

If you have any questions, please feel free to contact Debbie Dovedytis by email at [debra.dovedytis@co.monmouth.nj.us](mailto:debra.dovedytis@co.monmouth.nj.us) or by phone at (732) 431-7460 extension 5736.

Sincerely,

Debbie Dovedytis

## INTRODUCTION

The Monmouth County Board of County Commissioners offers the **Monmouth County First-Time Home Buyers Program (FTHB Program)** to provide financial assistance to low- and moderate-income eligible county residents interested in purchasing a home in Monmouth County and who have **resided in Monmouth County for one year** at the time of qualification and purchase. Applicant will need to provide proof of residency documents such as (Driver's License, Bank Statements and Tax Returns, Bills, etc) that show you have been a resident for the one year prior to applying. Financial assistance is provided in the form of a deferred payment second mortgage loan not to exceed \$10,000, which is forgiven and canceled after a period of five years. This may be used towards a down payment and/or closing costs. First-Time Home Buyers Program funds are provided through the U.S. Department of Housing and Urban Development (HUD) HOME Investment Partnership Program.

## LENDING PARTNERS

The FTHB Program is coordinated on your behalf through local lending institutions such as banks and mortgage companies. All lenders that participate in the program are trained to assist you, the potential homebuyer, with your application and submission for assistance. Enclosed is a list of lending institutions that are qualified to assist you with this program (Page 9).

If you prefer to conduct business with a mortgage lender other than one on the attached list, please have them contact our office so that we may qualify them as your lender of choice. If your lender fails to contact our office to obtain our program requirements, we cannot accept an application on your behalf from that lender. Your lender is the primary contact for the First-Time Homebuyers Program and is responsible for collecting and forwarding your information to this office for processing.

#### **PARTICIPATING MUNICIPALITIES**

All 53 Monmouth County municipalities are participating in the FTHB Program.

#### **HOME ELIGIBILITY**

The housing unit you intend to purchase will be reviewed for program eligibility. You may purchase any 1-4 family property or condominium unit (i.e. single-family house, condominium unit, townhouse, manufactured home). The housing unit cannot exceed the maximum purchase price of \$524,2250.00 for 1-family and condominium, \$671,200.00 for a 2-family unit, \$811,275.00 for a 3-family unit, and \$1,008,300.00 for a 4-family unit. It is important to note that *mobile homes are not eligible* for purchase using FTHB Program funds.

Existing housing units (resale) must be inspected and meet the following conditions before funding can be committed to the purchase of the property:

- Homes must meet the Section 8 Housing Quality Standards as well as local construction codes and standards. If the home inspection fails for any reason, the unit must be repaired to meet local requirements and the guidelines as set forth by the United States Department of Housing and Urban Development. All repairs must be completed prior to closing.
- Homes built prior to January 1, 1978 will be visually inspected by the Monmouth County Office of Community Development to determine the presences of lead-based paint. The presence of lead-based paint on either the interior or exterior of the property will result in a "failed inspection". The lead-based paint must be remediated in accordance with the guidelines set forth by the United States Department of Housing and Urban Development. All repairs must be completed prior to closing.

Newly constructed homes must comply with standard in the current edition of the Model Energy Code published by the Council of American Building Officials (CABO).

#### **APPLICATION PROCESS**

In order to apply for funding consideration, you must follow the procedure outlined in this information packet. You must contact one of the lenders in the attached list in order to obtain the FTHB application packet, as the lender will submit the package on your behalf. If you have any questions, please contact the Monmouth County Office of Community Development at (732) 431-7460 x 5736 or email the program coordinator [debra.dovedytis@co.monmouth.nj.us](mailto:debra.dovedytis@co.monmouth.nj.us).

#### **DOCUMENTATION PROCESSING**

All prospective applicants for the First-Time Homebuyers Program must have a signed "contract of sale" to purchase a home prior to applying for down payment assistance.

At the time you apply for a mortgage, all prospective applicants must also complete the "Application for Down payment Assistance." **The application is obtained from your lender** which must be returned to your lender. Your lender is the primary contact for the First-Time Homebuyers Program and is responsible for collecting and forwarding your information including documents identified on the "Document Checklist" to the Monmouth County Office of Community Development for processing.

Once all documents are received by the First-Time Homebuyers Program coordinator, the review process commences. Factors such as, but not limited to, residency, income, appraised home value, age and condition of the home, and the applicability of HUD regulations will be reviewed to determine client eligibility.

For applicants that are married but legally separated, the spouse not purchasing home will be required to sign a "Quit Claim Deed" to assure s/he will not attempt to assume possession of the property.

Note: If the estimated monthly housing payment including mortgage payment, taxes, insurance and homeowner's association fees (if applicable) exceeds 40% of the applicant's adjusted monthly gross income, the application will be determined ineligible the FTHB Program due to an excessive housing affordability burden it would place on the perspective homebuyer.
