

Public Information Center Meeting Notice

Local Preliminary Engineering Phase for Replacement of Monmouth County Bridge S-32 Rumson Road (CR520) over the Shrewsbury River Borough of Rumson and Borough of Sea Bright

Monmouth County, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting two Public Information Center meetings to inform local residents, officials, businesses and the general public regarding the Local Preliminary Engineering Phase of the Monmouth County Bridge S-32 Project located within the Boroughs of Rumson and Sea Bright.

The purpose of the Public Information Center meetings is to inform the public of the status since the Local Concept Development Phase of this bridge replacement project including refinements to the approach roadways and intersections, and to solicit public input and comment on the Preliminary Engineering Phase of the project. These meetings are being conducted in conformance with Federal and State regulations. The public is invited and encouraged to comment on the project and may attend either or both meetings.
