**RE: Community Stakeholders Meeting No. 1 - Meeting Invitation
Local Preliminary Engineering Phase for Monmouth County Route 537 Corridor
Roadway Improvements between Sentinel Road and U.S. Route 9 Interchange
Township of Freehold, New Jersey**

Dear Property Owner or Interested Community Stakeholder:

On Wednesday, February 15, 2017, Monmouth County, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and Federal Highway Administration, will be hosting a Community Stakeholders Meeting No. 1 regarding the Local Preliminary Engineering Phase for the above referenced Monmouth County Route 537 Corridor Roadway Improvements between Sentinel Road and U.S. Route 9 Interchange located in Freehold Township as follows:

Community Stakeholders Meeting No. 1

Date: Wednesday, February 15, 2017

Time: 2:00 p.m. – 4:00 p.m.

**Place: Freehold Township Municipal Building, Room 114, 1 Municipal Plaza,
Freehold, NJ**

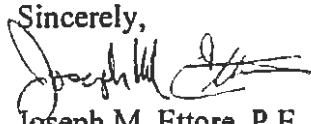

The purpose of the Community Stakeholders Meeting is to introduce the project team, present the project status and schedule for the Preliminary Engineering Phase, provide information on the engineering and environmental work conducted on the Preliminary Preferred Alternative (PPA) that was determined at the completion of the prior Local Concept Development Study phase, and to obtain community input on the proposed Route 537 corridor roadway improvements. Your name was specifically chosen as an invitee due to your property's proximity to the project site or your potential interest as a community stakeholder. There will also be a Public Information Center meeting held for the general public in the spring/summer 2017 to present project status and receive feedback on the project.
