

Monmouth County Shade Tree Commission's Annual Spring Forum

**Wednesday, March 26, 2008
7:00 pm**

**Monmouth County Agriculture Building
Conference Room, 4000 Kozloski Road
Freehold, NJ**

Welcome and Opening Comments: John W. Tobia, Director, Public Works and Engineering

Introduction: Arlene Stump, Chairwoman, Monmouth County Shade Tree Commission

New Jersey Dept of Agriculture "Gypsy Moth Aerial Spray Program for Monmouth County": Joseph Zoltowski, Chief, Bureau of Plant, Pest & Disease Control, State of New Jersey Department of Agriculture – will give an update and presentation of the State's overall program, expected trends, and spray blocks in Monmouth County for 2008.

Monmouth County's Gypsy Moth Aerial Suppression Program for Communities: Brian Gosnell, Monmouth County Helicopter Pilot & Gypsy Moth Coordinator – will give an update and presentation of the specific spray blocks in Monmouth County Shade Tree Commission Suppression Program for 2008 and what the homeowner can do to control this invasive and devastating insect.

Pest Problems Heading Our Way – What to Expect and How to Prepare: Richard Obal, County Agricultural Agent, Rutgers Cooperative Research & Extension – will discuss new invasive pests heading to New Jersey. He will describe strategies to prepare for this eventuality and what steps we need to take to minimize the impact.

There is no charge to attend our Annual Spring Forum
