**Monmouth County Homeless System Collaborative
HUD Continuum of Care Program
2016 New Project Application
Scoring Guide**

- Projects providing permanent housing in the form of supportive housing or rapid re-housing will get 15 points. Projects requesting funds for the communitywide coordinated assessment process will get 10 points. All other program types for new applications will receive 0 points.
- New projects indicating that at least 85% of their beds will be dedicated to the chronically homeless will receive 10 points. New projects indicating that at least 85% of their beds will be dedicated to families will receive 8 points.
- Projects prioritizing within the target population based on severity of need where assessment of severity of need is a standardized process will receive 5 points. Severity of need criteria may include: frequent hospitalization, history of incarceration, little or no income, history of domestic violence, active or past substance use, LGBTQ, resistance to services or other criteria reflecting significant barriers to accessing housing and services
- Projects identifying the use of a Housing First Model will receive 15 points.
- Projects filling a significant gap in the community and demonstrating an impact on ending homelessness will receive 5 points
- Projects demonstrating low barriers to program admission and flexible participation policies designed to retain program participants will receive 5 points. This may include policies related to active substance use, engagement in services, level of income, criminal background, and/or DV status among other criteria
- Applicants demonstrating extensive experience in administering HUD or other federal funds, and providing the proposed service and/or serving the proposed population will receive 10 points.
- Projects demonstrating a wide variety of services related to program goals that will be made available to participants will receive 10 points. Projects will need to demonstrate those services will be client centered, accessible, and based in best/evidence based practices.
- Applicants demonstrating capacity and processes in place to ensure timely and accurate HMIS data entry will receive 5 points
- Applicants demonstrating active participation in the CoC and/or subcommittees will receive 5 points
- Projects demonstrating leveraging of at least 150% of the HUD request will receive 15 points. Projects demonstrating leveraging of at least 100% of the HUD request will receive 10 points. Projects demonstrating leveraging of at least 50% of the HUD request will receive 5 points

Scoring Guide**

- Projects providing permanent housing in the form of supportive housing or rapid re-housing will get 15 points. Projects requesting funds for the communitywide coordinated assessment process will get 10 points. All other program types for new applications will receive 0 points.
- New projects indicating that at least 85% of their beds will be dedicated to the chronically homeless will receive 10 points. New projects indicating that at least 85% of their beds will be dedicated to families will receive 8 points.
- Projects prioritizing within the target population based on severity of need where assessment of severity of need is a standardized process will receive 5 points. Severity of need criteria may include: frequent hospitalization, history of incarceration, little or no income, history of domestic violence, active or past substance use, LGBTQ, resistance to services or other criteria reflecting significant barriers to accessing housing and services
- Projects identifying the use of a Housing First Model will receive 10 points.
- Projects demonstrating low barriers to program admission and flexible participation policies designed to retain program participants will receive 5 points. This may include policies related to active substance use, engagement in services, level of income, criminal background, and/or DV status among other criteria
- Project monitoring score will account for 33 points. Project monitoring scores will be based on information gathered during on-site/desk monitoring conducted by the CoC review committee. The monitoring process includes a review of program compliance and project performance in relation to locally approved performance standards. Please see the monitoring tool and monitoring guide for more information on the items included in the monitoring score. The monitoring score for the local selection process will be pro-rated based on point received during the monitoring process
- Projects demonstrating an effective use of program funds as reflected in minimal amounts of funding recaptured by HUD annually, and at least quarterly drawdowns of funding from the LOCCs system will receive 5 points
- Projects demonstrating leveraging of at least 150% of the HUD request will receive 15 points. Projects demonstrating leveraging of at least 100% of the HUD request will receive 10 points. Projects demonstrating leveraging of at least 50% of the HUD request will receive 5 points
- Projects completing the application in its entirety and providing an accurate budget will receive 2 points.
