

**FROM THE OFFICE OF
FREEHOLDER AMY A. MALLET**

Liaison to Department of Human Services

On behalf of the Board of Chosen Freeholders and the staff of the county's departments of Human Services and Planning, I thank the hundreds of volunteers and donors who made the 2009 Project Homeless Connect event possible.

Monmouth County is truly a community of caring individuals, businesses and not-for-profit agencies. We are grateful for their time, service, coats, food and other donations.
