

ELIGIBILITY GUIDELINES

NJ State Senior Citizens Annual Juried Art Contest & Exhibition

GENERAL ELIGIBILITY

County:

Any artist residing in New Jersey, age 60 or over, may submit artwork to her or his County-of-residence's Senior Art Show. Artists may enter in only **one** County show. Multiple entries may disqualify them from having their work in the State Senior Art Show. Work must have been completed within three years immediately prior to the Show (to enter the 2023 Senior Art Show, work must have been completed between April, 2020, to the present).

Entries **may not** have been entered or shown in any prior County Senior Art Shows or in prior New Jersey Senior Citizen Art Shows.

[NOTE: Some counties allow artists enter more than one piece in their County Shows. That's fine. However, only **ONE ENTRY per artist may be entered in the State Show.**]

State:

Only **first place winners** from a County's 2023 Senior Art Show may be entered in the State's 2023 Show. All **First Place-winning** artwork from 2023 County Senior Art Shows will automatically advance to the State's Senior Citizen Art Show, with one exception (see below). **

County Coordinators (not artists) submit their County's artwork to the State Senior Art Show. **One** professional and **one** non-professional entry in each of the following 11 categories may be entered: acrylic, craft, digital art, mixed media, oil, pastel, photography, print, sculpture, watercolor, and works on paper (drawing, etc.).

** *Exception: If an artist wins 1st Place in more than one category in a County show, they may only submit ONE piece to the State Show. In that case, the 2nd place winner in the "other" category may be entered in the State Show as the County's winner in that "other" category. Example: Ms. Art wins first place in pro-craft and pro-photography in her county show. Ms. Art wants her craft entry to go to State. Mr. Magoo was the 2nd place winner in pro-photography. His County Coordinator may enter his photo as the County's pro-photography entry since Ms. Art already has a piece going to the State show.*

Jurying/Entry Notes

Notes for your Jurors:

If there are three or more entries in any category (oil, pastel, craft, etc.), a First Place winner *must* be selected to move on to the State Show in that category.

If a category has only **one or two entries**, it is the Juror/s' option to either award First Place to a piece if they believe it should represent the County at the State Show. If not, they should consider awarding an Honorable Mention.

Frequently Asked Questions:

Q. Do “Digital Photographs” go in the *Digital/Computer Art* category?

A. No. Photographs taken by a camera of any sort (including digital camera) should be entered in the Photography category – *unless* the artist has manipulated and digitally altered the image beyond any outcome they could have gotten using a traditional darkroom setting.

Q. Are Watercolor paintings with some ink or pencil used considered Mixed Media?

A. No. Watercolorists have often use pencil or ink drawings as part of their work. These are NOT “Mixed Media” works.

Q. If a sculpture is made from more than one material, is it automatically considered Mixed Media?

A. No. Sculptures are often made from several different media. With few exceptions, most 3-D art object should be entered either in the Sculpture or Craft category.

Q. Are paintings that include small photos or other materials “Mixed Media”?

A. Not necessarily. If a painting is *almost entirely* created in oils or acrylic, for example – and the artist includes tiny photos, stencils, or small pieces of cloth in a small part of the painting it may still be entered as an Oil or Acrylic Painting, as long as the clear majority (more than 85%) of the piece is painted with oil or acrylic.

Q. What’s the difference between Sculpture and Craft?

A. Traditionally, a beautiful functional object – one designed to be used (like a bowl, vase, quilt) or worn (clothing, jewelry) or is made to showcase mastery in a specific craft field (such as wood-working, needlepoint, leather-work) – is considered a CRAFT. A sculpture is more likely to illustrate or express something, and is generally not designed to be functional. A craft item can often be duplicated, with slight variations. A sculpture is rarely duplicated by the artist unless it is cast and recreated in editions.

Q. Why must artwork be done within the past three years?

A. This Show celebrates **current artists** who are senior citizens. Requiring work to have been done within the past 3 years ensures that the artist submitting the work is still actively pursuing her or his artistic passion, rather than taking artwork out of storage.

Q. If there are only 1 or 2 pieces in a Category at the County level does that ONE automatically go on to the State Show?

A. If there is only a single entry in a category on the County level, your **County Juror/s** have the *option* of selecting that entry as First Place if it is an artwork of High Merit. **NOTE:** Jurors are not *required* to advance a solo piece (or one of two pieces) in a category to the State. If a the Juror believes a piece (or both pieces) are not sufficiently strong to receive a First or Second Place award, Jurors may decide to award only an Honorable Mention to the solo piece (or top piece, if there are two). In categories with 3 or more entries, the Juror should be required to select a First Place winner to move on to State.

Q. What if I have more questions?

A. Call or email Lisa Tramo any time LTramo@mercercounty.org or 609-278-2712.
