RUTGERS

New Jersey Agricultural
Experiment Station

4000 Kozloski Road Box 5033
Freehold, NJ 27728

"I thank you for the seeds ...

Too old to plant trees for my own
gratification, I shall do it for my posterity."

Thomas Jefferson

PAR Plant A Row for the hungry is
a people-helping-people, community-
based program, launched in 1995,
designed to assist in feeding the
hungry in their own community.

PAR is rooted in the tradition of
gardeners sharing a bountiful
harvest with others. Brochure available.

Master Gardeners of
Monmouth County

www.rce.rutgers.edu

What is a weed?
A weed is a plant whose virtues
have not yet been discovered.

Ralph Waldo Emerson

gardening

Our goal is to educate the public by providing exciting presentations designed to encourage everyone to enjoy some kind of gardening.

Raising awareness in our community will keep Monmouth County a beautiful, environmentally "green" place to live.

For information call
ANITA MEEKS, Master Gardener
732.775.1186

speakers

Our speakers are Master Gardeners, trained by the Rutgers Cooperative Extension. Those giving slide/power point or hands on demonstrations are knowledgeable in their subject and are anxious to share their expertise.

program

Our presentations encourage gardeners to explore new plants, garden designs, environmentally sensitive gardening, and, growing vegetables for home use and to help our local food banks.
